TRAFFIC ADVISORY

Lansing Board of Water & Light Announces
Vehicular Travel Restrictions for Street Restoration

Beginning around 8:00 PM Thursday June 26, Lansing Board of Water & Light (BWL) will be restricting vehicular travel at the intersection of Cedar Street and Saginaw Street. BWL crews will need to implement these restrictions to allow water main and street restoration to areas damaged from winter utility work.

During these restrictions, **Saginaw Street will be reduced to two lanes** while **Cedar Street will be open to Local Traffic Only and reduced to one lane that will require vehicles to turn east (left) onto Saginaw Street**.

BWL construction will continue throughout the weekend and **work is expected to be completed and all travel lanes reopened prior to Monday June 30th morning commute.**

Vehicular travel will be maintained on Cedar Street between Oakland Avenue and Saginaw Street for access to local business. Traffic attempting to exit Cedar Street will be required to turn left (east) onto Saginaw Street.

Posted Detours:
Southbound Cedar Street north of Oakland Avenue (See Map):
Vehicular traffic needing to continue on Cedar Street south of Saginaw Street will be required to turn west (right) on Oakland Avenue to Capitol Avenue, left (south) on Capitol Avenue to Saginaw Street, then left (east) on Saginaw Street to return to southbound Cedar Street.

Access to local area residents and businesses adjacent to the work area will be maintained during the project. Drivers are advised to expected possible delays and to seek alternate routes.
