Minutes

MOTION BY COUNCIL MEMBER WOOD TO APPROVE THE MINUTES FROM SEPTEMBER 21, 2016 AS PRESENTED. MOTION CARRIED 2-0.

RESOLUTION – Claim Appeal # 1296; R. Hudson; 815 Seymour Avenue

Mr. Sanford updated the Committee on the violations on the property, and this claim is regarding the second violation on the property.

Mr. Hudson questioned why Code does not place a tag on the door instead of photos and letters, acknowledging that once he got the notice he did take care of the issue. Mr. Sanford informed Mr. Hudson that the code requires them to send the notification, and also states they need to take photos if they are going to fine. Council Member Wood also added that the repeat violation fee of \$75 was established to address repeat offenders. The City can no longer be the reminding factor without a charge. Mr. Hudson then submitted to them a rain gauge sheet for the months he was fined to explain his reasoning for not mowing.

Ms. O'Berry informed the Committee that Mr. Hudson was before the Claims Review Committee and was denied there as well.

MOTION BY COUNCIL MEMBER WOOD TO DENY THE CLAIM BASED ON CONTINUAL ISSUES AND THE FEE WAS THE FEE FOR A SECONDED CITATION. MOTION CARRIED 2-0.

Council Member Wood recommended Mr. Hudson reach out to Teen Challenge for assistance and told him that if his claim is denied at the Council meeting his next step is circuit court.

RESOLUTION – Claim Appeal #1319; F. Khan; 418 Huron Street

Mr. Sanford outlined the violation which included the date the property was cited, 12/15/2015 with a compliance date of 12/22/2015. Mr. Sanford's records noted the owner called 2/15/2016 and acknowledge they had received the bill and spoke to the premise inspector. The inspector informed Mr. Khan the only recourse was to file a claim, which was not done until the assessment appeared on the tax bill. Mr. Sanford acknowledged that even though the tax bill states "Board-Up Fee", there was no board up, but was all trash removal. The department recommends denial.

Mr. Khan did acknowledge he had gone before the claim review committee and they addressed the invoice and gave him a credit of \$78. Mr. Khan believed that the Committee overlooked the tax bill and the incorrect "Board-up Fee", and he wanted it known that the house is not a rental, but he had sold on a land contract logged with register of deeds. Council Member Wood questioned who the owner of record was and who could file the claim. Council Staff confirmed there was a new tax payer in the City Assessor system. Ms. O'Berry admitted it has to be the tax payer, however referenced the tax bill in the claim and it still had Mr. Khan's name on it, so he can be responsible and file the claim.

Council Member Wood asked if the "Board-Up Fee" on the bill should have been "Trash". Mr. Sanford confirmed it was a clerical administrative error. Council Member Wood then outlined the fees of \$518 and \$75 which totals the \$593 Mr. Khan was claiming, then less the \$78 the Claims Review Committee granted. With that reduction, the total was down to \$515, and if the \$75 second notice was reduced then the \$265 administrative fee the actual balance was \$175 for the trash.

Mr. Kahn asked for the Committee to consider removing the "Board-Up Fee" of \$253 off the tax bill in addition to the \$78 granted by the Claims Review Committee.

The Committee reviewed the photos of materials left in a recycling bin, and the debris from the neighboring property owned by the Land Bank on Mr. Khan's property.

MOTION BY COUNCIL MEMBER WOOD TO REDUCE THE CLAIM OF \$593 BY \$78 PER THE CLAIM REVIEW COMMITTEE RECOMMENDATION AND THEN DENY THE CLAIM FOR \$515. ADVISED THE CLAIMANT TO PURSUE WITH THE LAND BANK SINCE IT WAS THEIR ITEMS THAT WERE LEFT ON SITE AND CLEANED UP. MOTION CARRIED 2-0.

Placed on File

- New SDM License for Dolgencorp, LLC at 5146 N Grand River Avenue
- New SDM License for Jawed Razmal at 3135 S Pennsylvania Avenue

Council Member Wood asked Ms. O'Berry about past discussions on establishing a regulation that a claim has to be filed within so many months after the violation. Ms. O'Berry confirmed the conversations and they had looked at the time frame from when the violation was billed.

A description of the claims review process is available on our website at: http://www.lansingmi.gov/attorney/Claims_review_process.jsp

Dear Sir or Madam,

This letter is specifically to contest the charges made for trash removal on the property as described in the attached copy of the document.

Unfortunately, the untimely death of my brother left me in possession of this house. It's been difficult to accept the loss and to force myself to move on and either rent or sell the house.

Earlier this year, I received notification that trash/garbage had collected behind the house and that I needed to remove it. I did that.

Throughout the spring and summer, I regularly visited the property, mowing the lawn and doing outdoor maintenance.

I am also a volunteer canine handler with Michigan Search and Rescue – a missing persons response team that is available free of charge anywhere in the state of Michigan.

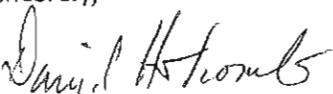

With the lack of rain and also because I was called on multiple occasions to participate in searches for missing persons, I did not visit the property for several weeks. I was stunned when next I arrived at the property to find that the shed had been vandalized to the point of having been knocked down and that someone had taken it upon themselves to cut down the hedge that previously lined the sidewalk.

I returned home angry and upset and began looking for a way to address the damage that had been done. I then received a notice from your office that the brush and the shed needed to be removed. I called the office twice explaining that I would be borrowing a trailer in order to get the stuff removed. Once that trailer was available to me, I hooked it up and drove into Lansing only to find that everything had been removed. Since I had called on more than one occasion to keep your office informed of my plans, I was led to believe that it was fine – I just needed to get it done as soon as possible.

While I totally understand and agree that a standard must be maintained, I believe that I was following up appropriately, both by making arrangements to clear the items within a reasonable amount of time and by keeping your office informed of my plans. The fact that your office effected removal without referencing those calls and without returning a call to me to at least provide me with a 48-hour window in which to effect the removal myself seems unjust.

I respectfully request your consideration in this matter. I am more than willing to come into your office to discuss this or I can be reached via email (dave@misar.org) or by phone at (517) 896-7707.

Sincerely,

David Holcomb

Violation

CLAIMANT'S CIRCUMSTANCES: See Attached

CODE OFFICER'S NOTES: This claimant became the owner of this property on 2/23/2009 and since his ownership has been cited 16 times in seven years for premise violations resulting in the City of Lansing having to mow the property on four different occasions. The owner was written for a trash & grass violations in May of this year and because the owner had mowed the grass and removed the bulk of the trash violations except for the brush and tree limbs the officer complied the letter and the claimant informed the officer he was getting a trailer for the brush and tree limbs and they would be removed within the next week (please see attached note from 6/08/2016). The property was cited again for trash violations on 7/13/2016 for the brush and tree limbs that were not removed from the 5/20/2016 violation and for the shed that had collapsed. Notice was sent to the claimant with no response; the officer rechecked the property on 7/21/2016 and found the property in the same state as the original citation date. The violations were submitted to the City of Lansing trash contractor for removal on 7/21/2016 the contractor arrived on 8/03/2016 and the violations were removed. There are no notes to indicate that the claimant notified this office on two occasions that he was working on the issue. By the claimant's own admission the notice was received and 14 days past the compliance due date the violations were still present. This office recommends denial of the claim.

M. Shapiro Real Estate Group, Court Appointed Receiver hired a landscaper to complete the initial lawn maintenance at 1012 W Genesee Street. The City did not provide the Court Appointed Receiver Notice of the trash. The fee for removal of the trash is excessively high and the Receiver wishes for the municipal fee to be reduced. There was approximately three (3) cubic yards of debris and the Receiver believes the current fee is enormous compared to the actual trash removed from the property. Re: Appeal of Claim – 1012 W. Genesee St.

Honorable Council Members:

This letter is being written to you in response to a letter, dated August 17, 2016, from Venus Kumar, Legal Assistant, advising us that the Claims Review Committee had denied a claim we filed with the City of Lansing (the “City”) with respect to a charge in the amount of \$1,344.00 for property located at 1012 W. Genesee St., Lansing, Michigan (the “Property”), and shall serve as our written appeal of the ruling of the Claims Review Committee. A copy of this letter is attached as Exhibit 1. We believe the decision of the Claims Review Committee was in error for the reasons set forth below.

General Information

M. Shapiro Development Company LLC was appointed as the receiver (the “Receiver”) of the Property, and certain other property, pursuant to a certain Stipulated Order Appointing Receiver (the “Order”), that was entered on May 29, 2014, by the Honorable Joyce Draganchuk in the 30th Circuit Court for Ingham County (the “Court”) in the matter of Independent Bank v. Amerihome Co. and Robert J. Plesscher (Case Number 14-594-CZ) (the “Litigation”), and act in our capacity as an officer of the Court with respect to the Property. A copy of the Order is attached as Exhibit 2.

At all times from the date of the Order until June 30, 2016 (the date of the closing of the sale of the Property pursuant to the authority granted in a subsequent order of the Court), title to the Property was vested in Amerihome Co. and was subject to the authority of the Receiver pursuant to the Order.

Lack of Notice to the Receiver/Owner

On September 17, 2014, the Receiver advised the City by email of the entry of the Order and requested that the tax and assessment records be changed to reflect the continued ownership by Amerihome, but a change of address to the address of the Receiver. A copy of that email is attached as Exhibit 3.

On March 4, 2015, the Receiver again notified the City of the existence of the Order. A copy of that email is attached as Exhibit 4. While the City expressed its belief in subsequent email exchanges that the Property was owned by Independent Bank (the “Bank”), the City’s belief was incorrect and contrary

to the facts. Further, the City provided no documentation to support their assertion that the Property was owned by the Bank. Instead, on March 5, 2015, the Receiver provided the City with a copy of the deed that vested title in Amerihome Co. The City never provided any documentation to the contrary in response to that email from the Receiver.

On March 7, 2016, the Receiver requested for a third time that the tax and assessment records of the City be changed to reflect the continued ownership of the Property by Amerihome, but a change of address to the address of the Receiver. A copy of that email is attached as Exhibit 5.

The City apparently failed or refused to act on any of the requests made by the Receiver and did not change the City's records to reflect the Court's appointment of the Receiver for Amerihome Co. with respect to the Property (and other parcels).

As a result of the City's failure or refusal to correct their records when requested by the Receiver on multiple occasions, the City completely failed to ever notify the owner of the Property of any alleged violations, meaning the owner of the Property never had an opportunity to correct the alleged problem before the City incurred costs that the City is now trying to collect from the owner.

The City apparently sent a notice of the alleged problem to an office of the Bank, who had a mortgage on the Property, but never to the owner of the Property. A copy of the City's notice was eventually given to the Receiver by the Bank (who was under no legal obligation to do so) on June 7, 2016, but by this time it was too late as the debris had already been removed by the City's contractor.

Please remember that the Receiver does not work for the Bank, but rather we work for, and are an officer of, the Court, and we represent the owner of the Property.

Because the City never notified the owner (but rather chose to notify an unrelated third party who was not the owner), the City's actions are unfair and inappropriate with respect to the owner, since the owner received no advance notice and was not given any opportunity to correct the alleged problem before the City arbitrarily stepped in and starting spending money it now wants to charge back to the owner.

Timing of Notices

On May 9, 2016, the Receiver authorized its contractor, GTJ Consulting LLC ("GTJ"), to complete an initial clean-up of the Property and the first lawn cutting of the season. That work was completed by GTJ on May 11, 2016 and photos of the May 11, 2016, lawn cutting are attached as Exhibit 6.

Also on May 9, 2016, the Receiver directed GTJ to cut the lawn at the Property every two weeks for the remainder of the 2016 season or until the Property was sold.

The City completed an inspection on May 17, 2016, and apparently issued a violation notice to the Bank, who as noted above is neither the owner of the Property nor the party who the Receiver works for. The violation notice required certain debris on the Property to be removed by May 24, 2016. As noted above, the notice was eventually sent to the Receiver by the Bank on June 7, 2016, and the Receiver engaged GTJ the same day to remove the debris. GTJ went to the Property the next day as promised to remove the debris, but the City's contractor had already removed the debris.

As a result, the City assessed a charge against the Property before sending any notice to the owner, before the owner received a copy of the notice from the Bank, and before the Receiver had an actual opportunity to correct the alleged problem, which the Receiver attempted in good faith to do.

Excessive Costs Incurred and Charged

We believe that the costs incurred by the City for the removal of the debris were excessive. Attached as Exhibit 7 is a picture of the debris left at the rear (not the front) of the Property on May 11, 2016. You will note that the debris is not significant in quantity, and as noted above, is not visible from the front of the house.

GTJ estimated that the debris was approximately three (3) cubic yards of material and their standard rate for removing this debris would be \$105.00 (\$35.00/cubic yard).

On June 10, 2016, the City sent an invoice to the lender (again not to the owner) which provided no detail or explanation whatsoever but imposed a charge of \$1,344.00 for administrative fees and contractor charges. It is impossible from this invoice to know what the City did and what charges were imposed. We believe these fees are excessive and unfair, further compounding the problem caused by the City's failure to provide any notice to the owner of the Property.

Conclusion

Therefore, we respectfully request that the City reverse the decision of the Claims Review Committee and waive all charges with respect to the Property, or in the alternative, reduce the charges to \$250.00, a more fair and reasonable number under the circumstances for the work done, especially in light of the lack of notice from the City to the owner and the Receiver's good faith effort to maintain the Property.

Thank you for your consideration of our appeal. We look forward to hearing from you.

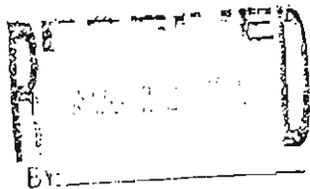

Very truly yours,

M. SHAPIRO DEVELOPMENT COMPANY I.L.C.

In the event that the Receiver anticipates the need to pay any expense to maintain or preserve the Receivership Property in excess of amounts on deposit in the account(s) maintained by the Receiver in this matter, he shall notify Independent Bank three (3) business days in advance of paying such expense and be entitled to reimbursement if Independent Bank does not object to the advance.

3.5 Within 30 days of date the redemption period expires or sale of all Receivership Property, the Receiver shall account for all income derived from operation of the Receivership Property in excess of that needed by the Receiver to operate the Receivership Property and fulfill his duties hereunder (hereafter "funds on account"), so that the Court may determine priority disputes between secured creditors, if any, and such other matters as are necessary to resolve any secured creditor's claim that Independent Bank should not receive all funds on account.

3.6 The Receiver shall post a surety bond from an insurance company licensed to do business in this State in an amount not less than \$10,000. The cost of the bond is an

expense of the Receivership. Neither the termination of the Receivership nor the Receiver's removal will discharge the Receiver or the Receiver's bond.

Hi Michael,

I had my supervisor look over the court documents, and yes it does show you are the receiver for Amerihome, but, Independent Bank still owns the property, at 1012 W Genesee, because of that you will need authorization from Independent Bank for this property. I did not find anything on the Countys site where Amerihome got it back from Independent bank.

Thank you,

Thank you Michael,
I will put it with the rest of the paperwork. It looks like Independent took over the property in 2011. The documentation states that Amerihome Co sold, assigned and set over to Independent Bank. We will need documentation where you have interest in it. If you want to give the county a call and get a copy of this the docket # is 2012-018087.
Attached is the Notice of Assessment for 1206 E Oakland.

CLAIMANT'S CIRCUMSTANCES: See Attached

CODE OFFICER'S NOTES: This property was cited for a trash violation on 5/17/2016 with a compliance due date of 5/24/2016. The Premise Officer returned and rechecked the property on 5/25/2016 the violations were still present (as shown in the picture taken when the property was submitted) and the violations were submitted to the trash contractor for removal. The contractor arrived on 5/27/2016 the violations were still present and the property was cleaned. This office sent proper notice to the taxpayer of record which is Independent Bank. The claimant was hired by Independent Bank to be the receiver for the property and this office would have no knowledge of this arrangement. This property has received prior violations when the property was under the claimants care and the bank forwarded the violation to the receiver. It would be the banks responsibility to get in contact with the claimant that they had received a violation notice on the property therefore this office recommends denial of the claim.

LANSING CITY CLERK

Sub: Appealing Letter for Claim

Dear Lansing City Council

I am Mr. Simon Ajak, the home owner of 721 N. chestnuts St
Lansing Mi 48906,

I am appealing the decision made by the Claim Review Committee in the City Attorney Office. I am appealing to you to look into my claim that it is unfair for me [Citizen] to pay the fines or bills send to me by the Code Compliance Office that is outrage. The little trash that Erick refusal took apart from my valuable stuffs should amount to \$ 250.00 not 1.332.00. I know that there was conspiracy because my tenant does not know the language but, they took advantage of that and would use my valuable stuffs for their gains.

First, the warning or violation letter did not reach me since the Code Compliance Office has been sending the letters to Alabama. Also, my tenant my Mr. Ahmed Jero who lives in the mentioned above address did not inform on time that there is a violation letter. After my tenant informed me that every thing has been taken away by, then I called Erick to claim stuffs back but no respond.

Second, Erick Refusal did not find the deteriorated furniture that Mr. Ahmed took care of it yet; they violate my home right to go to my yard and took my valuable stuffs at the back yard. I would like to name my valuable stuffs to be clear, they are fire woods for winter, stove, steel poles, and treated wood poles for the fence. These are very important to me and ready to use for my benefits and not one else. Rick Refusal threaten the tenant when he wanted let them know they were not trash but Erick refused to tenant.

Third, my valuable stuffs should not be taken away and expect me to pay the bill of \$ 1,332.00 in which it is not equal to the trash they took from 721 N. Chestnut Lansing Mi 48906. It could not even a mount to yard to cost that much. I do not live there but I know what I have in the above address. Also, it is my tenant reasonability not as landlord.

Therefore, I would like the City Council to look into my appeal because it is unfair for me to lose stuffs and money at the times, I would like to see fair and balance for treating the citizens so that our government is rub its citizens.

CODE OFFICER'S NOTES: This property was cited for a trash violation on 5/17/2016 with a compliance due date of 5/24/2016. The Premise Officer met the tenant at the property on 5/26/2016 and found more violation and gave them a 1 week extension to have the violations removed. The officer rechecked the property on 6/06/2016 and the violations were still present (please see photo's) and the violations were submitted to the trash contractor for removal. The contractor arrived on 6/20/2016 and the violations were still present and a cleanup was performed. Pictures indicate proper actions were taken by both the contractor and the officer. This office recommends denial of the claim and this office would also like to mention there are no photos of a stove being removed since it was left outside it could have been removed by someone else.

Notice: When purchasing a license, a buyer can be held liable for tax debts incurred by the previous owner. Prior to committing to the purchase of any license or establishment, the buyer should request a tax clearance certificate from the seller that indicates that all taxes have been paid up to the date of issuance. Obtaining sound professional assistance from an attorney or accountant can be helpful to identify and avoid any pitfalls and hidden liabilities when buying even a portion of a business. Sellers can make a request for the tax clearance certificate through the Michigan Department of Treasury.

Under administrative rule R 436.1003, the licensee shall comply with all state and local building, plumbing, zoning, sanitation, and health laws, rules, and ordinances as determined by the state and local law enforcements officials who have jurisdiction over the licensee. Approval of this application by the Michigan Liquor Control Commission does not waive any of these requirements. The licensee must obtain all other required state and local licenses, permits, and approvals for this business before using this license for the sale of alcoholic liquor on the licensed premises.

I certify that the information contained in this form is true and accurate to the best of my knowledge and belief.
