

## **Lansing City Clerk's Office Begins Passport Acceptance**

The Lansing City Clerk's Office has been approved as a Passport Acceptance Facility by the US Department of State, Bureau of Consular Affairs. Passport services are now available Monday through Friday, 8 a.m. to 4:30 p.m. in the Lansing City Clerk's Office on the 9th Floor of Lansing City Hall, 124 W. Michigan Ave.

Due to enhanced requirements regarding separation of Passport Acceptance from Birth Certificates, the Ingham County Clerk's Office was required to stop accepting passports as of May 1, 2011.

We're glad we are able to provide this service to the public. It's important to have a Passport Acceptance Facility in downtown Lansing.

Available services also include passport photos. Additional information is available to the public at [www.lansingmi.gov/passport.jsp](http://www.lansingmi.gov/passport.jsp) or by calling 517-483-4133.
