**HOW TO FILE**

- A. Your annual return for the preceding year may be used as the basis for computing your declaration of estimated tax for the current year.
- B. You may use the same figure used for estimating your federal income tax adjusted to exclude any income or deductions not taxable or permissible under the Lansing Income Tax Ordinance.

- A. **WITHHOLDING TAX CREDITS:** You may subtract from your estimated Lansing Income Tax (Line 4), the amount of Lansing income tax expected to be withheld.

This credit may not exceed the amount of tax assessable under the Lansing Income Tax Ordinance on the same amount of income of a non-resident. (Worksheet Line 6)

**C. INCOME TAX PAID BY PARTNERSHIPS:** If you are a member of a partnership which elects to file a return and pay the tax on behalf of the partners, you may subtract, from your estimate of Lansing Income Tax, the amount of tax expected to be paid by the partnership for your distributive share of net profits.
