

Maple Syrup Festival

The end of winter and the beginning of spring is a time of increased activity inside the trees. Under the warm rays of the sun, the sap starts to flow in preparation of the coming growing season. This is when we head into the woods to make some maple syrup!

Walk to the Maple Grove and learn how to collect this sap from the maple trees and watch how to make maple syrup. Warm

up in the Visitor Center with hot chocolate and purchase some maple syrup and maple sugar to take home. Then browse among the beautiful and unique nature arts exhibited by local artists. Step into the Friends of Fenner Gift Shop to look for nature books, toys, jewelry, and other things too numerous to list.

3/15 & 3/16 Sat & Sun 11 am-4 pm Fenner Free

Fenner Summer Nature Camp

What's in the Pond?

Come explore the ponds of Fenner. Search for and learn about the different critters that are found in our wetlands. We will use dip nets for an up close look at some of our pond residents.

Fee: \$24/Res; \$29/Non-Res
