

SITE PLAN

NO SCALE

PLEASE NOTE:

This standard site plan should be used as a last resort only.

If you use this as your site plan, please show all structures, driveway layout, dimensions of property lines and setback distances of structures to property lines, drain easements and any other pertinent information that would help us in evaluating your proposal. It is always better to use a survey to accurately show the layout of your property.

Please sign below to acknowledge that all information shown on this site plan is accurate to the best of your knowledge.
