

**NOTICE TO PUBLIC AVAILABILITY
OF
HOMELESS EMERGENCY ASSISTANCE AND RAPID TRANSITION TO HOUSING
(HEARTH); DEFINING “HOMELESS”
Docket No. FR-5333-P-01**

PURPOSE: To provide citizens the opportunity to examine and comment on the new definition of “homeless” as outlined in the HEARTH ACT. The U.S. Department of Housing and Urban Development (HUD) has proposed legislation to elaborate on the definition of “homelessness”. Specifically, the legislation provides guidance on determining whether a person is homeless through four (4) broad categories.

BACKGROUND – HEARTH ACT

The Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) was enacted into law on May 20, 2009. The HEARTH Act consolidates three homeless assistance programs administered by HUD under the McKinney-Vento Homeless Assistance Act into a single grant program; creates the Emergency Solutions Grant (formerly known as Emergency Shelter Grant) and the Rural Housing Stability Program; codifies in statutory law the Continuum of Care planning process, a part of HUD’s application process to assist homeless persons by providing greater coordination in responding to their needs; defines the terms “homeless”, “homeless individual,” “homeless person” and “homeless individual with a disability”

A copy of the Federal Register (<http://www.gpo.gov/fdsys/pkg/FR-2010-04-20/html/2010-8835.htm>) including the proposed definition of “homeless” will be available for public review and comment at the City of Lansing City Clerk’s Office at City Hall, 124 W.
