MINUTES OF THE BOARD OF COMMISSIONERS MEETING
LANING BOARD OF WATER AND LIGHT
________________________________________
November 13, 2018
________________________________________
The Board of Commissioners met at the Lansing Board of Water and Light (BWL) Headquarters–REO Town Depot located at 1201 S. Washington Ave., Lansing, MI, at 5:30 p.m. on Tuesday, November 13, 2018.

Chairperson David Price called the meeting to order at 5:30 p.m.

Absent: None

The Corporate Secretary declared a quorum.

Commissioner Thomas led the Pledge of Allegiance.

APPROVAL OF MINUTES

Motion by Commissioner Ross, Seconded by Commissioner Zerkle, to approve the Regular Board Meeting minutes of September 25, 2018.

Action: Motion Carried

SPECIAL PRESENTATION

General Manager Peffley introduced Bernie Porn who gave an update on the Epic MRA Employee Survey Results. As employee survey was conducted in 2015 from which positive results were received, BWL contracted with MRA to conduct another survey in 2018. A comparison of the responses from 2015 and 2018 was done. There were responses from 378 out of 701 employees and overall the ratings were more positive.

Commissioner Ross requested a copy of the results be sent to the Commissioners. He also asked if the survey of the employees was voluntary and anonymous and whether open ended questions were asked. Mr. Porn responded that surveys were voluntary and anonymous and there were open ended questions.

GM Peffley commented that the next steps will be presenting the slides to all departments and addressing the responses. He thanked Mr. Porn for all the work he did.

Commissioner Zerkle asked why employees would not know what the competitive rates are compared to the other rates in the community as the information has been provided by public media. GM Peffley responded that rates are reviewed in safety meetings and he is unsure why employees would not know but will follow up with additional communications.
Commissioner Long asked how the BWL compared with other companies in the survey response rate. Mr. Porn responded that a majority of the employees responded and that is very high as that seldom occurs in an organization. Commissioner Long also asked to what is the low percentage attributed and whether Mr. Porn thought that those who didn’t respond were satisfied or not satisfied. Mr. Porn responded that the percentages obtained in the results would probably be similar as the responses are random.

Commissioner Price thanked GM Peffley and Mr. Porn for the survey and stated that it is important for the Board to know how the employees feel about their employment at the BWL, their working environment and what the employees think can be improved.

A special presentation was made by General Manager Dick Peffley to Amy and Trevor Feinberg, participants and first place winners in Halloween in Old Town at Preuss Pets, who dressed up their greyhound as the Eckert Station with smokestacks and Hometown Power Dog slogan.

Approval of Minutes
Motion by Commissioner Graham, Seconded by Commissioner Mullen, to approve the Committee of the Whole meeting minutes of September 18, 2018.
2019 Regular Board Meeting Schedule Resolution
Committee of the Whole Chair Zerkle presented a proposed Resolution setting the BWL Board of Commissioners 201 Regular Board Meeting Dates as directed by Section 1.1.2 of the BWL’s Rules of Procedure.

Motion by Commissioner Thomas, Seconded by Commissioner Graham, to approve the 2019 Regular Board Meeting Dates Resolution.

Action: Motion Carried

Michigan Public Power Agency (MPPA) Commissioner Appointment Resolution
General Manager Peffley stated that the presented Resolution is naming James Mitchell as BWL’s First Alternate MPPA Commissioner to replace Bradley Stoecker who resigned his position with the BWL effective October 1, 2018 and asked that the Resolution be forwarded to the full Board for consideration.

Motion by Commissioner Ross, Seconded by Commissioner Thomas to forward the proposed MPPA Commissioner Appointment Resolution to the full Board for consideration.

Action: Motion Carried

Pole Attachment
General Manager Peffley provided information on the pole attachment process and highlighted the following items:

- BWL has roughly 32,000 distribution poles in our service territory, 42 contracting companies attaching to BWL poles in the BWL service territory, and over 130,000 third party contacts to our poles.
- BWL has revenues of $582,982.28 for third party attachments and since January 1, 2018 BWL has received $70,323 in application fees from joint party attachments.
- BWL currently receives $7.30 per pole attachment on an annual basis. There is little expense to the BWL to attach to the poles and BWL encourages pole attachment.
- Since January 2018, 1600 new attachments on poles have been processed and as part of the BWL double pole elimination program since May 2018, BWL has 50 poles and counting ready to be pulled over the winter/spring.
- BWL currently has over 80 EPRs (Emergency Pole Replacement Slips) processing.
- Attachers sign agreements to use the poles and current pole attachers are notified if adjustments need to be made. Agreeable attachments do not always occur.
- BWL would like to amend the agreements with the 42 contracting companies and claim the right to move the attachments if the companies do not agree to move.
- Both Michigan and BWL are exempt from the recent FCC One Touch Make Ready order.

Commissioner Price asked if a new attacher requests attachment to a pole who notifies the other attachers and what authority does the BWL have to move the attachers to make room for the new attacher. GM Peffley stated that the new attacher notifies the other attachers and that the BWL has no authority to move the attachers with which new contracts haven’t been renegotiated. BWL can move the attachers that don’t meet current specifications.

Commissioner Ross asked whether or not this would result in an amendment to the rate schedule, whether rate payers would be subsidizing this service, and whether data was available regarding whether this service
would be provided in-house or with an outside partner. GM Peffley stated that the pole attachments would be revenue neutral to BWL customers and rules and regulations would not need to be addressed as $7.30 per year per pole has been established. GM Peffley also stated the service would be provided in-house unless it would be more proficient to hire a crew. Commissioner Ross inquired if there was a separate charge for attachment besides the current rate structure of $7.30 per pole. GM responded that a second charge was a back charge for the labor to make the pole ready and the new attacher is responsible for paying that charge.

Commissioner Zerkle asked if there was a deadline for a company going out of business to remove their pole attachment. Ricky Thornton, Technical Systems Analyst for Customer Projects and Developments, responded that some deadlines are in place, and that arrangements are made to take the necessary attachments down. Commissioner Thomas inquired about the pole attachment process during the recent ice storm. GM Peffley responded that restoring electricity was the main concern during the ice storm.

**Easement Grant to Consumers Energy Resolution**

General Manager Peffley introduced General Counsel Brandie Ekren, who provided information on the grant request for an easement to Consumers Energy Company to allow construction of gas lines and pipelines along Canal Road to serve the new BWL combined cycle plant. The said easement grant request will be effective upon Lansing City Council’s approval.

Commissioner Mullen asked if gas was going to be purchased from Consumers Energy. GM Peffley responded that Consumers Energy owns the pipeline and will receive a fee for the pipeline. Gas can be provided by BWL or purchased from Consumers Energy.

Commissioner Ross asked for a description of the location for the pipeline. GM responded that the easement is for property on Erickson. George Stojic, Executive Director of Planning and Development responded that a new city gate is being constructed and hits the service territory extending from Saginaw Hwy west of 96, south to General Motors property to Mt. Hope Street to the east and to Canal Street.

**Motion** by Commissioner Price, **Seconded** by Commissioner Thomas to forward the proposed Easement Grant to Consumers Energy Resolution to the full Board for consideration.

**Action:** Motion Carried.

**Enterprise Risk Management Update**

GM Peffley introduced George Stojic who stated that two projects were underway, the Enterprise Risk Management Strategy and Asset Management. Mr. Stojic introduced Brandie Ekren, General Counsel for the Board of Water and Light, who spoke about Enterprise Risk Management Strategy 5, Objective 4 from the Strategic Plan which was approved in 2016. Ms. Ekren stated that program basics were a structured, consistent, and continuous process across an organization for identifying, assessing and deciding on responses to and reporting on opportunities and threats that affect the achievement of the organization’s objectives. Ms. Ekren highlighted the summary tasks of quality assurance, engagement, and responsibility and accountability. Ms. Ekren proposed an ERM program as a 2020 milestone goal, to be approved in March 2019, that will include risk management coordinated across business areas, management performance and analysis tools, monitoring, strategy setting and scenario planning, and reporting responsibility.
Commissioner Zerkle asked what part the Internal Auditor plays in risk management. Ms. Ekren responded that the Internal Auditor may provide information.

Commissioner Ross asked whether BWL had an outside consultant that is familiar with complex organizations and utility space for the infrastructure. Ms. Ekren responded that BWL’s outside consultant is Marsh Consulting and they have helped with setting up the risk assessment and finding out what other utilities are doing. Commissioner Ross commented that having someone accountable for identified risk is critically important and welcomed Ms. Ekren to speak again to the Commissioners about the infrastructure of the Enterprise Risk Management program as it progresses.

Commissioner Mullen commended Ms. Ekren on her presentation and asked for an example of a risk and how the risk would be managed. Ms. Ekren responded that the asset management presentation that follows will provide the comparative benefits of managing risk and not managing risk. Ms. Ekren also provided for an example a qualified workforce and succession planning, and ensuring that employees are qualified to take on jobs and are trained to be able to do the job.

Commissioner Jester asked whether risk to customer satisfaction, risk to reputation or predominately risk to physical and financial operational risks were being assessed. Ms. Ekren responded that a variety of risks were being assessed including all of those stated in the question. Commissioner Jester also asked what new risks
were identified. Ms. Ekren responded that what the utility would look like in the future, and also recognizing communication and information as an asset were two new risks that were identified.

Commissioner Ross asked whether people understand what the organizational risk tolerance is for an activity, how activities are calibrated to risk presented and how much risk is tolerated. Ms. Ekren responded that a baseline of risk has been established but there is no uniform standard and more insight will be provided in March 2019 at the Committee of the Whole meeting.

Commissioner Zerkle commented that instead of saying what is the risk, say what is the problem and what is the solution. Ms. Ekren stated that is the reason there is a focus on creating a uniform definition and the objective of what is getting in the way of the stakeholder realizing the value.

**Asset Management Update**

Dave Bolan, Executive Director of Operations, introduced Jerry Flore, Asset Management Manager, who presented a video of the Asset Management Journey and gave an update on some current initiatives. Mr. Flore stated that another update will be provided in March 2019. Mr. Bolan agreed with Ms. Ekren’s proposal to walk through actual scenarios of how assets are classified as critical and the risk they pose to the organization if they are not properly maintained or replaced in a timely manner. This will be done at the March 2019 COW.
Commissioner Price asked about the demographics on the heat map and Mr. Flore responded that more main breaks occur where there is red on the map.

Commissioner Ross asked three questions: where is the BWL at in the asset management process; at what time will BWL be at the maturity level for asset management; and will this result in additional reporting and greater transparency. Dave Bolan responded that the BWL is in the process of deciding how some of the elements will be applied and has decided on how some elements will be applied and implementing those elements; BWL is scheduled to be at Maturity Level #3 at the end of 2020; and that a capital budget is created, an investment is made which removes risk, and assets are managed based on their criticality. Commissioner Ross also asked if the risk is only for physical assets. Mr. Bolan responded that scores and measurements are made for all potential risks.

Commissioner Price inquired if trees as a risk was a good characterization of asset management and Mr. Bolan concurred. Commissioner Price also asked whether the report in March 2019 will have the information integrated into the budget planning. Mr. Flores responded that a draft risk matrix to develop a process for the capital budget projects is in progress.

Commissioner Zerkle inquired whether the Internal Auditor is included in the discussions for asset management. Internal Auditor Phil Perkins responded that he has some involvement with the project and added that there are two factors to consider, the probability of risk and the impact of an occurrence. Commissioner Zerkle asked whether the human factor was to be considered for asset management. GM Peffley stated that is another area and another department has been created for that.
Commissioner Long commented that the human factor had been mentioned under Enterprise Risk Management. He also thanked GM Peffley for sharing the MPPA presentation.

Commissioner Jester asked what the focus was on for demonstrating to the staff that asset management has value. Mr. Flore responded that a pilot program was conducted in which work orders were run to validate software functionality. Commissioner Jester stated that BWL has a number of assets and he would like this be in the budget process.

**September YTD Financial Summary**

Financial Manager, Scott Taylor, presented the following:

Cash is up $4 million dollars from last month due to the time of year and days cash on hand is also strong. The Income Statement YTD indicates more than $5 million in revenue, operating expenses are a little under—which is normal for this time of year, and the budgeted net income is holding at $20 million. Budget Status YTD indicate that some of the initiatives aren’t off to full speed yet. Because of the Erickson outage some money was shifted for spending from September to October. The Capital Budget YTD for the new power plant is going well and also Return on Assets. Operating Ratios, Current Ratios, and Debt to Total Assets are all strong. Although Days Sales Outstanding is in the red it is similar to last year. Bad debt is continuing to be tracked. In Employee Data the employee count has decreased due to 11 interns returning to school. Payroll data is on track even though overtime is a little high due to transition in the work force. Due to good claims experience this year benefits costs are down.

GM Peffley commented on the Erickson turbine outage. Erickson was allotted $4 million and if the outage had gone over that amount the turbine would not have been put back together.

Commissioner Thomas commented that the next items include amendments to plan documents that usually are addressed in an HR Committee Meeting. The amendments do not propose to make changes to any benefits or plan designs and because they are primarily intended to facilitate changes to the investment policy statement they are included with the proposed investment policy statement changes.

**Defined Contribution and Deferred Compensation Plan Updates**

Scott Taylor introduced Plante Moran Financial Advisors, BWL’s new advisors for the two 401(a) plans and the 457(b) plan. Mr. Taylor stated that the changes being made in the plans are for management of plan assets. The changes are similar to those made in the VEBA and DB plans in September 2018. The two 401(a) plans replaced the Defined Benefit Plans. The plans are employer contribution only and are based on a percentage of wages. The 457(b) plan is a deferred compensation plan which employees can contribute. BWL will contribute $1,000 each year in January and will match up to $1,500 more per year.
Commissioner Zerkle asked if the 457 plan was a pre-tax plan. Mr. Taylor responded that employees have a pre-tax and a Roth option in the 457 plan.

Mr. Taylor explained that all three plans are set up in a similar fashion and each plan has a single document that is the plan and trust agreement. The plan portion of the document talks about the administration of the plan, defines the benefits and defines the eligibility. The trust portion of the document is about managing the investments. Management has carried out trustee functions on the trustees’ behalf and although this is accepted practice, the change is being requested due to advice by counsel to make it more explicit that delegation by trustees was appropriate and clearly stated. The following recommendations for which management seeks approval are: the addendum to the three plans makes it clear that the trustee authority can be delegated; revision of the investment policy statement to add language that clearly lists the authority that is being delegated to the Retirement Plan Committee (RPC); and the clear delegation by resolution to the RPC.

**Motion** by Commissioner Price, Seconded by Commissioner Mullen, to approve the changes to the 401(a) Defined Contribution Plans and the 457(b) Deferred Compensation Plan and forward them to the Trustees and Board for approval.

**Action:** Motion Carried

Commissioner Long asked what attributed to the lesser extent of repair than expected on the Erickson turbine. GM Peffley responded that turbine outages are done every seven years or 50,000 hours and the Erickson was right on schedule. GM Peffley stated that plant staff did an excellent job of operating the machine over the last seven years.

RESOLUTION 2018-11-03
Amendment of Defined Contribution Plan Number 106696; Revised Investment Policy Statement; and Delegation of Authority.

WHEREAS, the Board of Water and Light (the “Sponsor”) sponsors the ICMA Retirement Corporation Governmental Money Purchase Plan & Trust Number 106696 (the “Defined Contribution Plan Number 106696”); and

WHEREAS, the Sponsor wants to amend Defined Contribution Plan Number 106696 for the purpose of enabling the Trustees to delegate certain investment authority to the Retirement Plan Committee (the “Committee”) of Defined Contribution Plan Number 106696, and for the purpose of changing the name of Defined Contribution Plan Number 106696.

THEREFORE, it is:
RESOLVED, that the Sponsor approves and adopts the Addendum Number 1 to Defined Contribution Plan Number 106696, effective as indicated therein.

FURTHER RESOLVED, that, after its review and based on a recommendation from management, the Sponsor adopts and approves the attached Lansing Board of Water and Light Defined Contribution Plan and Trust 1 Statement of Investment Policies, Procedures and Objectives.

FURTHER RESOLVED, that the Sponsor acknowledges that the Trustee (also known as Trustees) intends to delegate to the Lansing Board of Water and Light Retirement Plan Committee certain duties relating to the investment of Lansing Board of Water and Light Defined Contribution Plan and Trust 1 assets. The Sponsor does not delegate to the Committee authority to amend, freeze or terminate the Lansing Board of Water and Light Defined Contribution Plan and Trust 1.
FURTHER RESOLVED, that the Sponsor indemnifies and holds harmless each member of the Committee from and against all liability of any kind, including, without limitation, court costs, attorneys’ fees and other expenses that arise from any legal or administrative proceeding of any kind that is brought by any person, entity or government agency in connection with the Committee’s discharge of its duties relating to the Lansing Board of Water and Light Defined Contribution Plan and Trust 1; provided, however, that this indemnification shall not apply with regard to any proceeding in which a Committee member is found to have been grossly negligent or to have violated a law or committed a crime.

Motion by Commissioner Ross, Seconded by Commissioner Graham to approve the Resolution for amendment of Defined Contribution Plan Number 106696 by adoption of Addendum; Revised Investment Policy Statement; Delegation of Authority; and Indemnification.

RESOLUTION 2018-11-04
Amendment of Defined Contribution Plan 108824; Revised Investment Policy Statement; and Delegation of Authority.

WHEREAS, the Board of Water and Light (the “Sponsor”) sponsors the ICMA Retirement Corporation Governmental Money Purchase Plan & Trust Number 108824 (the “Defined Contribution Plan Number 108824”); and

WHEREAS, the Sponsor wants to amend Defined Contribution Plan Number 108824 for the purpose of enabling the Trustees to delegate certain investment authority to the Retirement Plan Committee (the “Committee”) of Defined Contribution Plan Number 108824, and for the purpose of changing the name of Defined Contribution Plan Number 108824.

THEREFORE, it is:

RESOLVED, that the Sponsor approves and adopts the Addendum Number 1 to Defined Contribution Plan Number 108824, effective as indicated therein.

FURTHER RESOLVED, that, after its review and based on a recommendation from management, the Sponsor adopts and approves the attached Lansing Board of Water and Light Defined Contribution Plan and Trust 2 Statement of Investment Policies, Procedures and Objectives.

FURTHER RESOLVED, that the Sponsor acknowledges that the Trustee (also known as Trustees) intends to delegate to the Lansing Board of Water and Light Retirement Plan Committee certain duties relating to the investment of Lansing Board of Water and Light Defined Contribution Plan and Trust 2 assets. The Sponsor does not delegate to the Committee authority to amend, freeze or terminate the Lansing Board of Water and Light Defined Contribution Plan and Trust 2.

FURTHER RESOLVED, that the Sponsor indemnifies and holds harmless each member of the Committee from and against all liability of any kind, including, without limitation, court costs, attorneys’ fees and other expenses that arise from any legal or administrative proceeding of any kind that is brought by any person, entity or government agency in connection with the Committee’s discharge of its duties relating to the Lansing Board of Water and Light Defined Contribution Plan and Trust 2; provided, however, that this indemnification shall not apply with regard to any proceeding in which a Committee member is found to have been grossly negligent or to have violated a law or committed a crime.
Motion by Commissioner Ross, Seconded by Commissioner Graham to approve the Resolution for amendment of Defined Contribution Plan Number 108824 by adoption of Addendum; Revised Investment Policy Statement; Delegation of Authority; and Indemnification.

RESOLUTION 2018-11-05
Amendment of Lansing Board of Water & Light 457 Deferred Compensation Plan; Revised Investment Policy Statement; and Delegation of Authority.

WHEREAS, the Board of Water and Light (the “Sponsor”) sponsors the ICMA Retirement Corporation 457 Governmental Deferred Compensation Plan and Trust Number 300435 (the “457 Plan”); and

WHEREAS, the Sponsor wants to amend the 457 Plan for the purpose of enabling the Trustees to delegate certain investment authority to the Retirement Plan Committee (the “Committee”) of the 457 Plan Trust, and for the purpose of changing the name of the 457 Plan.

THEREFORE, it is:

RESOLVED, that the Sponsor approves and adopts the Addendum Number 1 to the 457 Plan, effective as indicated therein.

FURTHER RESOLVED, that, after its review and based on a recommendation from management, the Sponsor adopts and approves the attached Lansing Board of Water and Light 457 Deferred Compensation Plan and Trust Statement of Investment Policies, Procedures and Objectives.

FURTHER RESOLVED, that the Sponsor acknowledges that the Trustee (also known as Trustees) intends to delegate to the Lansing Board of Water and Light Retirement Plan Committee certain duties relating to the investment of 457 Plan assets. The Sponsor does not delegate to the Committee authority to amend, freeze or terminate the 457 Plan.

FURTHER RESOLVED, that the Sponsor indemnifies and holds harmless each member of the Committee from and against all liability of any kind, including, without limitation, court costs, attorneys’ fees and other expenses that arise from any legal or administrative proceeding of any kind that is brought by any person, entity or government agency in connection with the Committee’s discharge of its duties relating to the 457 Plan; provided, however, that this indemnification shall not apply with regard to any proceeding in which a Committee member is found to have been grossly negligent or to have violated a law or committed a crime.

Motion by Commissioner Ross, Seconded by Commissioner Thomas, to approve the Resolution for amendment of the 457 Plan by adoption of Addendum; Revised Investment Policy Statement; Delegation of Authority; and Indemnification.

**RESOLUTION 2018-11-08**

*Amendment of Defined Contribution Plan Number 106696; Delegation of Investment Authority*

WHEREAS, the individual voting members of the Board of Commissioners for the Lansing Board of Water and Light serve as the trustees (collectively, the “Trustees”) of the ICMA Retirement Corporation Governmental Money Purchase Plan & Trust (the “Defined Contribution Plan Number 106696”); and

WHEREAS, the Trustees and the Lansing Board of Water and Light want to amend Defined Contribution Plan Number 106696 for the purpose of enabling the Trustees to delegate certain investment authority to the
Retirement Plan Committee (the “Committee”) of Defined Contribution Plan Number 106696, and for the purpose of changing the name of Defined Contribution Plan Number 106696.

THEREFORE, it is:

RESOLVED, that the Trustees consent to the adoption of Addendum Number 1 to Defined Contribution Plan Number 106696 effective as indicated therein.

FURTHER RESOLVED, that, after reviewing the attached Lansing Board of Water and Light Defined Contribution Plan and Trust 1 Statement of Investment Policies, Procedures and Objectives (the “IPS”), the Trustees acknowledge said IPS, effective as indicated therein.

FURTHER RESOLVED, that the Trustees delegate to said Committee authority to perform the investment functions that are assigned to the Committee in the IPS, a copy of which is attached hereto and incorporated herein by reference. The delegation of said authority shall be effective as set forth in the IPS.

FURTHER RESOLVED, that the Trustees indemnify and hold harmless each member of the Committee from and against all liability of any kind, including, without limitation, court costs, attorneys’ fees and other expenses that arise from any legal or administrative proceeding of any kind that is brought by any person, entity or government agency in connection with the Committee’s discharge of its duties that are described in the attached IPS; provided, however, that this indemnification shall not apply with regard to any proceeding in which a Committee member is found to have been grossly negligent or to have violated a law or committed a crime.

Motion by Trustee Zerkle, Seconded by Trustee Graham to acknowledge the Resolution for amendment of Defined Contribution Plan Number 106696 by Board adoption of Addendum; Acknowledgment of IPS; Delegation of Authority; and Indemnification.

RESOLUTION 2018-11-10
Amendment of Lansing Board of Water & Light 457 Deferred Compensation Plan; Acknowledgement of IPS; Delegation of Investment Authority; Indemnification

WHEREAS, the individual voting members of the Board of Commissioners for the Lansing Board of Water and Light serve as the trustees (collectively, the “Trustees”) of the ICMA Retirement Corporation 457 Governmental Deferred Compensation Plan and Trust Number 300435 (the “457 Plan”); and

WHEREAS, the Trustees and the Lansing Board of Water and Light want to amend the 457 Plan for the purpose of enabling the Trustees to delegate certain investment authority to the Retirement Plan Committee (the “Committee”) of the 457 Plan Trust, and for the purpose of changing the name of the 457 Plan.

THEREFORE, it is:

RESOLVED, that the Trustees consent to the adoption of Addendum Number 1 to the 457 Plan effective as indicated therein.

FURTHER RESOLVED, that, after reviewing the attached Lansing Board of Water and Light 457 Deferred Compensation Plan and Trust Statement of Investment Policies, Procedures and Objectives (the “IPS”), the Trustees acknowledge said IPS, effective as indicated therein.

FURTHER RESOLVED, that the Trustees delegate to said Committee authority to perform the investment functions that are assigned to the Committee in the IPS, a copy of which is attached hereto and incorporated herein by reference. The delegation of said authority shall be effective as set forth in the IPS.

FURTHER RESOLVED, that the Trustees indemnify and hold harmless each member of the Committee from and against all liability of any kind, including, without limitation, court costs, attorneys’ fees and other expenses that arise from any legal or administrative proceeding of any kind that is brought by any person, entity or
government agency in connection with the Committee’s discharge of its duties that are described in the attached IPS; provided, however, that this indemnification shall not apply with regard to any proceeding in which a Committee member is found to have been grossly negligent or to have violated a law or committed a crime.

Motion by Trustee Zerkle, Seconded by Trustee Graham, to acknowledge the Resolution for amendment of the 457 Plan by Board adoption of Addendum; Acknowledgment of IPS; Delegation of Investment Authority; and Indemnification.

Supplemental Information
Chief Financial Officer Heather Shawa introduced George Tarlas, Senior Managing Director with ACG Asset Consulting Group, who presides over the DB and VEBA plan advisors and provided a market overview of the DB and VEBA plans; Sandra Rouse-Thames, Retirement Plan Specialist and Lisa Burks-Wilson, Director of Relationship Management from ICMA-the DC Plan administrator, who provided a participant education review from ICMA; and Steven Gibson, Senior Consultant with Plante Moran-the DC Plan advisors. Ms. Shawa also acknowledged, Finance Manager Scott Taylor, Finance Supervisor David Houser, and Financial Analyst Kyle Page for their work on the Trustee packet and audit overview.

Trustee Ross asked if the cumulative return value was from the start date to present, and for an explanation of the index in the narrative that is comparable to the investment style. Ms. Shawa responded that the cumulative return was from the start date to the present, and Mr. Tarlas responded that large cap growth stocks are selected and the benchmark is the Russell 1000 growth index which has a growth and value style.

Trustee Ross also asked whether BWL has evaluated whether it made more sense to do index investing to save fees as some of the stock selections have beat the index and others have not. Ms. Shawa responded BWL is working with ACG Consulting and they will be examining the different options throughout the next year.

Trustee Ross thanked Ms. Shawa for the dashboard and the amount of information provided.

Trustee Zerkle commended the Board and the ICMA representatives for the retirement program provided to the employees.

Trustee Thomas thanked the ICMA representatives for their excitement, motivation, and enthusiasm.

Trustee Ross asked for an explanation of the asset allocation for the plans and the side by side comparison between employees and other participants. Ms. Shawa responded that the participants are more educated when it pertains to their personal investment strategies. Ms. Rouse-Thames also responded that a lot of employees select the managed accounts tool where Morningstar makes the decision for them for a small fee.

Trustee Ross also inquired as to why the asset allocation totaled more than 100 percent for the 401(a) plans. Ms. Rouse-Thames responded that they will look into that and provide the information to the Trustees.

Trustee Zerkle asked if there were guidelines for loans that employees take out of the 401(a) plans. Ms. Shawa responded that the 457(b) plan allows an emergency withdrawal but the 401(a) plan follows the IRS guidelines and there are no recommendations at this time for any changes.

Trustee Ross asked if employees are auto enrolled when they are hired, if there are automatic annual percentage increases. and if a percentage increase program had been evaluated if there wasn’t one. Ms. Shawa responded that employees are not automatically enrolled and a percentage increase program is not in the system. Mr. Taylor responded that auto enrollment is a feature that is available in the plan but is not
required, and that an annual percentage increase is available for the plan but is not in place. Commissioner Ross recommended that these features be evaluated and placed in the plan as a larger number of people is better for a savings device.

Ms. Shawa asked the Board of Trustees for acceptance of the 2018 Audited Financial Statements for the Defined Benefit Pension Plan, the Defined Contribution Pension Plan, and the Retire Benefit Plan (VEBA) which were audited by Baker Tilly.

Commissioner Price commented that it is good to hear a good news report for the retirement plans as he has heard other municipalities are in arrears on their retirement plans.

RESOLUTION 2018-11-11
Acceptance of 2018 Audited Financial Statements for Defined Benefit Pension Plan, Defined Contribution Pension Plan, and Retiree Benefit Plan

Resolved, that the Corporate Secretary receive and place on file the Defined Benefit, Defined Contribution, and Retiree Benefit Plan reports presented during the Pension Trustee Meeting.

Staff comments: All three Plans received clean audit reports.

Motion by Trustee Ross, Seconded by Trustee Thomas, to accept the 2018 Audited Financial Statements for Defined Benefit Pension Plan, Defined Contribution Pension Plan, and Retiree Benefit Plan (VEBA).

Action: Motion Carried

RESOLUTION 2018-11-12
Travel & Reimbursement Policy – Board of Commissioners, Board Appointees, Employees and Investment Fiduciaries

WHEREAS, the Board of Commissioners approved a BWL Travel & Reimbursement Policy (“Policy”) on March 28, 2017 which served to combine and replace three existing policies and two previous resolutions; and

WHEREAS, the BWL staff has conducted a review of compliance with the Policy and determined additional clarifying language would enhance compliance; and

WHEREAS, it has been determined based on the feedback and review that revising the Policy to provide additional guidance and clarity would improve understanding of the Policy, improve compliance with the Policy, and reduce the time associated with administering the Policy; and

WHEREAS, the Board of Commissioners adopted the Policy as presented.

THEREFORE, it is:

RESOLVED, that the Trustees acknowledge the attached, updated Travel & Reimbursement Policy.

Motion by Trustee Ross, Seconded by Trustee Graham, to acknowledge the Travel & Reimbursement Policy for Board of Commissioners, Board Appointees, Employees and Investment Fiduciaries.

Action: Motion Carried
Ms. Shawa stated that last year a hard copy binder of the pension plans was provided to the Commissioners and an updated electronic copy, that will be available on demand, will be available on the dashboard in the near future. In addition, a quarterly pension report will be available on the dashboard.

Other
None.

Excused Absences

Adjourn
There being no further business, the Pension Fund Trustees meeting adjourned at 6:54 p.m.

Chair Price reconvened the Board of Commissioners’ Meeting at 6:54 p.m.

MANAGER’S RECOMMENDATIONS

RESOLUTION 2018-11-13
Easement Grant to Consumers Energy Company

RESOLVED, that the Board of Commissioners hereby recommends that Lansing City Council grant an easement to Consumers Energy Company which will be located on property occupied and maintained by the Board of Water and Light; and

FURTHER RESOLVED, the General Manager of the Board of Water and Light is authorized to execute all documents to effectuate this easement grant once approved by the Lansing City Council.

Staff Comments: The Board of Water and Light’s (“BWL”) new power plant in Delta Township will be fueled by natural gas which requires a new gas pipeline to supply sufficient fuel to the new plant. The BWL intends to contract with the Consumers Energy Company (“Consumers”) to construct the new gas pipeline, and Consumers has requested an easement for said pipeline across the property where the new plant will be sited. The BWL has performed an operational feasibility assessment and negotiated the terms of said easement, which includes only nominal monetary consideration, that are mutually agreeable.

Motion by Commissioner Zerkle, Seconded by Commissioner Thomas to approve the Resolution for the Grant Easement to Consumers Energy.

Action: Motion Carried

MANAGER’S REMARKS

COMMISSIONERS’ REMARKS
Commissioner Thomas commended Ms. Shawa’s department for their hard work and great job and also congratulated Scott Taylor for representing the BWL well.

Chair Price wished everyone a joyous holiday season and another prosperous new year for the Board of Water and Light. Chair Price also informed the meeting attendees that he plays drums in a bagpipe band and the band will be playing in City Hall from 7:15 p.m. to 8:00 p.m. during the Silver Bells event and he invited people to stop by.

EXCUSED ABSENCE
None.

PUBLIC COMMENTS
Anna Fischer from Lansing Environmental Action Team spoke about the acceleration of climate change and the need of the BWL to transfer to renewable energy well before 2050.

ADJOURNMENT
Chair Price adjourned the meeting at 7:00 p.m.

Called BWL to report street light out in front of our house last monday. On wednes it was replaced with wrong street lamp and an awful blinding high intensity bulb. Our sleepy neighborhood on a cul de sac has new street lamps that were upgraded a few years ago. They are a tasteful colonial/gasligh black fixture with a lovely amber color [it appears] pleasant glow. After it was replaced with this cheaper flood light I drove around the surrounding Canyon Hills Mar Moor and Plum Hollow subdivisions which all have the the matching street lights. This new LED cheap looking light is blinding bright and the fixture does not match the associations decor. You would find this light in parking lots or busy streets like elmwood. I want our old light fixture back that matches the surrounding neighborhood. I fear they sold it and won't replace it. I even said they could swap it with light leading to our neighborhood which it on the corner of Elmwood and Grape Arbor. That is on a brightly lit school area already and swapping the horrible light in front of this house with one like the one we had would work. I just need your intervention to make it happen. I am not happy with the screen they put inside to block this prison like high wattage light. Neighbors have already complained about this lighting fixture. Please help by swapping out light since worker claims they have no other options. Our street is only traveled by people who live in this subdivision and we don’t want changes. Phone number 517 889 5101. We have lived here 25 years. And these nice streetlights were replaced about 10 years ago. It is a waste of BWL money to rip out these light fixtures. Melinda Hollemback

<td>Thank you for your assistance in solving our streetlight situation. I wanted to tell you Delta Township residents sure are proud of you representing us at the City of Lansing Board of Water and Light. Very happy customer. I wish you were here during the 10 day outage a few years back. We secured a room at the downtown Radisson immediately and put our doggie in a kennel on Lake Lansing Rd. Waverly animal was without power as well. My hubby a former marine could tell within minutes that it would be days before power would be restored. Quick thinking led us to secure a room for us and a kennel for our bishon frie Miss Zsa Zsa. Before noon that day! We were lucky to eat at nice restaurants go to movies and periodically check our residence. Keep up the good work you are appreciated!! Melinda and John Hollembaek</td>

Doug, I need help. Some community members suggested I reach out to you. 2.5 weeks ago we had a water main break in front of our house. The city came in and fixed it, late into the night, (the day after Thanksgiving no less), and in the process BWL took down a light pole to make room for the dig. They laid the light pole across our front yard. The light pole is still laying across our front yard, and (live?) wires are sticking up out of the ground - two and a half weeks later. We have two small children and there are many children in neighboring homes. Aside from being an eyesore in our yard, this is a major safety issue. I've had two interactions with BWL in the past two weeks and they are unable to give me a timeline for when the light pole will be placed back in its location. Can you please recommend a further course of action to get this addressed? I have to believe this is a huge liability for BWL and I'm concerned for the safety of our neighborhood children.
To thank you for your kindness and sympathy at a time when it was deeply appreciated.

Approval of Minutes
Motion by Commissioner Price, Seconded by Commissioner Mullen, to approve the Committee of the Whole Meeting minutes of November 6, 2018.

Action: Motion Carried.

Committee of the Whole Chair Sandra Zerkle welcomed new 1st Ward Commissioner, David Lenz.

New Plant Update
General Manager Peffley provided the Committee of the Whole with an update on the Eckert plant. Mr. Peffley stated that as of January 1, 2019, the Eckert plant is being used for capacity only and will operate in this manner through January 31, 2020 at which time all operation will cease. Most of the 101 employees that were working at the Eckert plant have transitioned into new positions; only a handful of employees remain at the plant to operate in the event of an emergency.

Executive Director of Planning and Development, George Stojic provided an update on the new combined-cycle plant. Mr. Stojic acknowledged the employees and teams that have been working on the processes for the new plant: Rob Hodge, Director Delta Energy Park Project, Mark Williams, Advisor, Senior Special Projects, and Dan Flynn, Principal Engineer. Mr. Stojic’s update included the plant and owner procurement process, acquiring air and wetland permits, selecting a construction manager as well as major equipment delivery.

Integrated Resource Plan (IRP)
George Stojic, Executive Director of Planning and Development, discussed the process that the BWL plans to follow for the 2019-2020 Integrated Resource Plan (IRP). Mr. Stojic’s explained the planned process includes individual meetings with key stakeholders, public meetings to be held throughout the BWL’s service territory, resource plans for data development and dynamic modeling, and a final report.
Mr. Stojic also stated that there are plans to undertake an update of the Board’s Strategic Plan following the IRP.

**Board Self-Evaluation Review**

Board Chairperson, David Price, and BWL Executive Director of Human Resources, Michael Flowers, reviewed the results of the Board Self-Evaluation. Board Chair Price stated that he was pleased with the results of the 360 Survey.

Commissioner Price questioned the necessity of the Board Self-Evaluation being conducted annually as stated in the Governance Policy and a discussion followed. Commissioner Ross asked that open-ended comments/questions be added to future Board Self-Evaluations to enable further discussion of the results.

**Motion** by Commissioner Price, **Seconded** by Commissioner Graham, to amend the Governance Policy to reflect the following change: **From** “each year the Board will conduct a self-evaluation” **To** “every two years the Board will conduct a self-evaluation.”

**Action**: Motion Carried

The amendment in the form of a Resolution will be brought forward for consideration by the Full Board at the January 22, 2019 Regular Board meeting.

Motion by Commissioner Price, Seconded by Commissioner Graham, to approve the Finance Committee meeting minutes of November 6, 2018.

Action: Motion Carried.

November YTD Financial Summary
Chief Financial Officer (CFO), Heather Shawa presented the following Year to Date Financial Review:
Total Cash is just over $182 million, Days Cash on Hand is 145, and Debt Service Coverage Ratio is 3.77. O&M cash decreased, causing the Days Cash on Hand to be below the target of 155. Ms. Shawa reminded the Commissioners that this target represents the Fiscal Year End (FYE) Minimum Cash Reserve Requirement, and the interim FY decrease was based on a conscious decision to save on overall interest costs to the BWL by not borrowing from our Bond Anticipation Note (BAN). Ms. Shawa stated that the Days Cash on Hand will likely drop again in December but is still on track to be above the Minimum Cash Reserve Requirement of 155 at FYE. Ms. Shawa also stated that revenue was about $4.5M over budget and operating expenses were under budget, resulting in a net income of $20.7M compared to a fiscal year to date of $9.7M. Ms. Shawa mentioned that all five ratios are currently beating their relative benchmark and that we continue to see a positive claims experience related to our benefit cost.

Ms. Shawa updated the Commissioners on the O&M and Capital Budget and Forecast timeline. Ms. Shawa stated that both the FY20 O&M and Capital Budget and FY20-25 forecast processes have been underway since November. Ms. Shawa outlined a few of the main tasks that will lead to the May 14th Finance Committee and May 28th Board Meeting presentations.

Commissioner Zerkle requested that Ms. Shawa provide a budget process update in her monthly communications with the Commissioners and Ms. Shawa responded that she will provide this update in her future monthly communications.

**Internal Audit Open Management Responses Update**

Chief Financial Officer Heather Shawa presented management’s responses to audits as follows:

Finance Committee
WHEREAS, The Lansing Board of Water & Light (BWL) is a municipally owned utility company organized under the Lansing City Charter as permitted by the Home Rule Cities Act, MCL 117.4(f)(c), and governed by the Board of Commissioners (“Board”). The Board, per the Lansing City Charter, is delegated administrative, executive and policy-making authority over the operation of the BWL, which includes the full and exclusive management of water, heat, steam and electric services and such additional services of the City of Lansing as may be agreed upon by the Board and City Council.

WHEREAS, per the Lansing City Charter, the Board has appointed three individuals, Director (also known as the General Manager), Internal Auditor (also known as the Director of Internal Audit) and Secretary (also known as the Corporate Secretary), who report directly to the Board and serve at the Board’s pleasure. The General Manager is also responsible to the Board for carrying out the duties assigned by the Board, which includes but is not limited to the operation and management of the BWL.

WHEREAS, the Board’s role as the governing body for the BWL includes certain fiduciary duties such as acting in the BWL’s best interest, protecting and enhancing the BWL as owned by its rate payers, exercising reasonable care, loyalty and good faith in actions and decisions, meeting legal and regulatory requirements, and assuring the General Manager, Director of Internal Audit and Corporate Secretary are effective with adequate support and resources.

WHEREAS, while the Administrative Rules of Procedure as approved by Lansing City Council in accordance with Section 5-105 identifies how the Board will conduct business and is organized for fulfilling its policymaking responsibilities necessary for the operation of the BWL, it desires to better define the understanding between individual Board members on day to day dealings.

WHEREAS, the Board recognizes the need for a self-evaluation but deems that an evaluation conducted every year is unnecessary and that conducting an evaluation every two years is sufficient in determining the ways in which efficiency and effectiveness can be improved

RESOLVED, the Board amends the Governance policy relating to the period of time that the Board will conduct a self-evaluation from each year to every two years; with the next evaluation to be conducted in 2020.

This Resolution supercedes Resolution 2017-07-06 which established and adopted the Commissioner Governance Policy.
COMMISSIONER GOVERNANCE POLICY

1) The Board’s objectives and goals for its effective governance of the BWL include the following:

   a. Develop and adopt corporate policies for the governance of the BWL that are sufficient for the effective administrative and executive management of the BWL;
   
   b. Review and approve the corporate strategic plan that sets forth the mission, goals and broadly stated objectives and performance measures;
   
   c. Review and approve major project plans and programs, capital and operating budgets proposed by the General Manager, or other policy matters as requested by the Board;
   
   d. Monitor organizational performance;
   
   e. Support the General Manager by engaging in collaborative performance planning and evaluation.

2) The Board commits itself and its individual members to ethical, businesslike, and lawful conduct, including proper use of authority and appropriate professional and personal behavior. More specifically:

   a. Commissioners must, in capacity as a board member, represent the interests of the BWL and their respective constituents.
   
   b. Commissioners may not attempt to exercise individual authority over the BWL, except as explicitly set forth in Board policies.
      
      i. Commissioners’ interactions with the General Manager, management and staff must clearly reflect that there is no authority vested in individual Commissioners, except when explicitly authorized by action of the Board.
      
      ii. Only the Chair or other Designee of the Board may speak on behalf of the Board. To that end, no individual Commissioner (other than the Chair) may speak for the Board except to repeat explicitly stated Board decisions.
      
      iii. Commissioners will refrain from making individual public comments about the BWL unless such comments are supported by relevant, timely, accurate and objectively reported information.
      
      iv. Commissioners will respect the confidentiality appropriate to personnel issues and information of a sensitive nature.

3) The Board adopts and establishes that the General Manager’s principal role, with the support of management and staff employees, is to:
a. Carry out the administrative and management duties assigned for the full and exclusive management of the utility services provided by the BWL;

b. Support the Board in its development of policies;

c. Carry out the Board policies;

d. Keep the Board informed about the outcomes of its polices, including achievement of results and the use of resources;

e. Prepare and present, for Board approval and consistent with Board policies, a strategic plan, major project plans and programs and capital and operating budgets;

f. Manage and operate the BWL, accepting accountability for the performance of the organization in relation to the Board’s policies, as well as its approved strategic and business plans, major project plans and programs, and capital and operating budgets.

g. Establish administrative and operational directives, standards, guidelines and procedures that support Board approved corporate policies, strategies, projects and budgets.

4) The Board shall provide direction to the General Manager, Director of Internal Audit and Corporate Secretary collectively as a board through resolution or motion as adopted by the Board; which includes the understanding that:

a. The General Manager, Director of Internal Audit and Corporate Secretary are the only persons directly accountable to the Board for the operational conduct that directly impact their respective areas of responsibility. Additionally, the General Manager, Director of Internal Audit and Corporate Secretary are individually accountable only to the Board. The authority and accountability of respective management and staff is inseparable from the authority and accountability of the General Manager, Director of Internal Audit and Corporate Secretary. To that end:

i. The Board shall not give orders directly or implied to anyone other than the General Manager, Director of Internal Audit or Corporate Secretary based on the areas of respective authority and accountability.

ii. To the extent that the Board’s written policies do not give specific direction, and the General Manager, Director of Internal Audit or Corporate Secretary deem it necessary to act, the General Manager, Director of Internal Audit or Corporate Secretary will respectively use a reasonable interpretation of its current policies, to make all decisions, develop all processes and procedures, take all actions and establish all practices necessary and will report to the Board actions taken and any recommendations for additional, or amendments to existing Board written policies.
b. Unless the Board has specifically authorized an individual Commissioner or Board committee to do so, an individual Commissioner cannot make decisions or recommendations, nor issue directives that are binding on the General Manager, Director of Internal Audit and Corporate Secretary.

c. When individual Commissioners request information or assistance from management without formal Board authorization, the General Manager, Director of Internal Audit and Corporate Secretary can either respond to the request accordingly or refer the request to the Board.

   i. **Respond as requested.** The General Manager, Director of Internal Audit and Corporate Secretary at his or her discretion may notify all other Commissioners of the request and the response provided.

   ii. **Refer the request.** The General Manager, Director of Internal Audit and Corporate Secretary at his or her discretion may refer the request to the Board for consideration and direction before taking any action. This is especially appropriate where the General Manager, Director of Internal Audit and Corporate Secretary believe responding to the request for information or assistance would be disruptive or require a material amount of staff time or funds that were not previously budgeted or scheduled for that purpose.

5) **Every two years** the Board will conduct a self-evaluation, soliciting the views of Board Members and other stakeholders as to the ways in which efficiency and effectiveness can be improved.

6) This Commissioner Governance policy is not intended to and shall not be construed as supplanting the Administrative Rules of Procedures as approved by the Lansing City Council in accordance with the Lansing City Charter Section 5-105 in whole or part. This Governance Policy is an understanding amongst the Board of Commissioners of how it will effectuate its executive and policymaking responsibilities with the utilization of its three appointees: General Manager, Director of Internal Audit and Corporate Secretary.

   To the extent certain organizational resources are needed and permitted by the Administrative Rules of Procedure, which includes but is not limited to the use of consultants or legal counsel, this policy shall not prohibit or hinder such use, so long as the Administrative Rules of Procedure are followed.
