Pursuant to M.C.L.A. 117.5c, as amended, there is hereby established an Elected Officers Compensation Commission in and for the City. The Commission shall determine the salaries of all elected officials, and such determinations shall be controlling, unless Council, by resolution adopted by two-thirds of the members, rejects them. The determinations of the Commission shall be effective 30 days following their filing with the City Clerk, unless rejected by Council. In case of rejection, the existing salary shall prevail. Any expense allowance or reimbursement paid to elected officials in addition to salary shall be for expenses incurred in the course of City business and accounted for to the City.

(Ord. No. 319, 6-18-73)

280.02. - Membership; terms; vacancies.

The Elected Officers Compensation Commission shall consist of seven members who are registered electors of the City and who shall be appointed by the Mayor, subject to confirmation by a majority of the members elected and serving in Council. The terms of office of the members shall be seven years. Members shall be appointed before October 1 of the year of appointment and shall serve until October 1 of the year in which their terms expire or until their successors qualify for office. Vacancies shall be filled for the remainder of the unexpired term. Council President Patricia Spitzley
Members of the Lansing City Council
Tenth Floor City Hall
Lansing, Michigan 48933

Dear President Spitzley and Councilmembers:

The Elected Officers Compensation Commission (EOCC) met in committee during February and March 2017. The EOCC reviewed internal economic and financial documents and the current salary and benefit compensation packages of the Mayor, City Clerk, and members of the City Council. In addition, the EOCC compared various salary structures held by similar officers in comparable communities across Michigan. Council Member Washington provided testimony. Public comments were also presented.

Our recommendation is based on the National and State economic climate, the current financial condition of the City, our review of executive and legislative responsibilities, and salary/benefit comparisons with other Michigan communities. We also considered the compensation history for all relevant positions going back as far as 1991, including the 20% adjustment our commission recommended in 2015 to bring our elected officers to a salary closer to where they should have been after 13 years of no increases. To that end, the following changes were implemented in 2015: the Mayor was increased to $128,400.00, City Council President was increased to $26,640.00, City Council Vice President was increased to $25,140.00, City Council Member was increased to $24,240.00, and City Clerk was increased to $24,240.00.

It is important for our City to keep on par with other comparable municipalities, so that we can attract the best talent to lead our city. We also hope to avoid a situation as occurred in 2015 where the salaries had to catch up after 13 years of no increases. It is preferable to increase a small percent each review period, rather than having a large increase in one year. Moreover, the executive salaries should take into account the Consumer Price Index, which has averaged close to 2% since our last recommendation. We recommend a 1% increase for the Mayor and City Clerk in 2017, and another 1% increase for the Mayor and City Clerk in 2018. We recommend no change for the various City Council positions. Our current recommendation is based on the fact that the City Council is at, or above, the salary for comparable cities, while the Clerk is below comparable cities, and the mayor is at, or below, comparable cities.

Our recommendation, which shall be implemented on July 1, 2017 makes changes to compensation provided to the Mayor and City Clerk.
RECOMMENDATION

Fringe Benefits

The Commission adopts by reference the Elected Officials Summary of Fringe Benefits 2017, attached. The benefits are to be provided for the elected officials as set forth therein. Of note, the current healthcare made available to elected officials comports with the three tier optional plan provided to employees of the City. The intention of this change is to comply with Public Act 152 of 2011, which capped the amount the City can pay for healthcare premiums. This change will provide elected officers the same coverage employees are provided. Pursuant to the 2017 EOCC recommendation, Council members may purchase health care at their own expense.

Other Compensation

It is acknowledged that none of the elected officers earn compensatory, vacation, or sick time, and upon termination, they are not entitled to any compensation for the same.

TRANSMITTAL

We, the members of the Elected Officers Compensation Commission, respectfully, adopt the collective determinations now transmitted.
