Begin Discussion on City Council Administrative Vacancy
Short term office coverage until position filled
Council Member Hussain explained that Council Leadership along with Council Office Manager have been working with Ms. Judy Kehler, City Treasurer on sharing a contracted employee. Council Member Hussain distributed the employees resume to the Committee and stated that this person would work part time, Monday – Friday 1pm – 5pm from February 17, 2020 to May 1, 2020. Council Member Spadafore confirmed there were funds in the Council temporary budget to cover the expense. Council Member Wood assured Council Member Hussain and Spadafore that they did not need to come to the Committee for any action or approval, but appreciated the update.

Timeline for hiring permanently (posting, recruitment, interview to hire)
Council Member Hussain informed the Committee members and others that the job posting will be done internally and externally from February 20, 2020 to March 20, 2020. The intention will be that Council Vice President and President will review applications, submit up to 5 for testing, and then take the top 3 to interviews with the Committee. Council Member Hussain proposed Monday, 3/30 at 3:30 p.m. for interviews with Council action on 4/14/2020. Council Member Garza is not available on 3/30, therefore the Committee consensus was to move interviews to Friday, 3/27/2020 @ 3:30 p.m.
Preliminary job description/posting input
Council Member Hussain distributed the job description created by Council leadership. Council Member Wood asked what the pay range would be, and it was confirmed the previous employee was a Range 25, beginning at Step 2. Ms. O'Leary was asked if the proposed job description falls within that Range 25, and stated that as long as there were no substantive changes it will, but she would double check. She stated she would also confirm the pay rate that the previous employee left at. Council Member Wood informed the Committee that the previous employee had no reclassifications or merit increases, so any increases would have been the normal annual step increases. The Committee determined to stay within the Range 25. Council Member Wood asked that a requirement to sign a confidentiality agreement be placed on the job description under Special Requirements.

Mr. Abood requested that the Committee consider changing the EOE language to address reasonable accommodations will be provided, if necessary, for individuals with disabilities who can perform the essential job functions with or without reasonable accommodations. The OCA office stated it would forward the exact language to the Office Manager for incorporation into the job description.

The Committee briefly discussion typing speed and agreed to distribute a typing test to the top finalists before determining the top 3 for interviews.

Process involving Council Personnel Committee
No additional information was discussed at this point that was addressed under the other topics.

Position Benefits
Council Member Spadafore outlined his proposed benefits changes to have new Council staff have a defined contribution plan instead of the pension plan. With this he believes they could have 12%-17% total with their employee contribution. Council Member Wood pointed out that Council staff is tied to the 214 Contract benefits, Ms. O'Leary clarified that 214 is a hybrid and part of the Defined Benefit System. Council Member Spadafore pointed out that the Council staff is tied to the 214 Contract benefits, unless it is specific in the Council Personnel Rules. He noted that as of August, 2019 the Mayor staff is now in defined with a 3 year vesting, and he would propose a 2 year vesting plan for Council new hires. Council Member Hussain asked for Committee comments, and Council Member Garza had no comments, with Council Member Wood noting that if the change is made it can be done the same night the resolution on for the new hire is made.

Mr. Smiertka asked about the most recent Council Personnel Rules. It was determined in 2019 the HR Department drafted up new Personnel Rules with the changes to the Leave Time Bank that were made in April, 2019. However, the Personnel Rules themselves were never finalized by Committee or Council. Mr. Smiertka stated he would draft up the changes for the next meeting along with addressing the change from the Leave Time Bank. Council Member Spadafore asked that the leave time bank be removed from the Personnel Rules. He would also address that the Council Staff follows the 214 Contract unless stated differently in the Rules.

Ms. O'Leary stated she would draft up the posting and have it at the next meeting, 2/17/2020.
