RESOLUTION APPROVING FINANCING UNDER  
ACT 99, PUBLIC ACTS OF MICHIGAN, 1933  
FIRE TRUCKS AND EQUIPMENT  

A RESOLUTION TO AUTHORIZE:  
• Up to $1,500,000 of installment purchase financing for fire trucks, equipment, and associated costs of issuance.  
• Mayor, City Clerk, and Chief Strategy and Financial Officer (Serving as the Finance Director) of the City to negotiate financing.  

WHEREAS, the City of Lansing (the “City”) determines it to be necessary for the public health, safety and welfare of the City and its residents and employees to acquire a 75 foot ladder truck necessary for the preservation of the health, safety, and welfare of the City’s residents (the “Property”) at a total estimated cost of not-to-exceed $1,500,000, including associated costs of issuance; and  

WHEREAS, under the provisions of Act 99, Public Acts of Michigan, 1933, as amended (“Act 99”), the City Council of the City (“City Council”) is authorized to enter into any contracts or agreements for the purchase of real or personal property for public purposes, to be paid for in installments over a period not to exceed 15 years and not to exceed the useful life of the property acquired, as determined by resolution of the City Council;  

WHEREAS, the outstanding balance of all purchases authorized under Act 99, exclusive of interest, shall not exceed 1.25% of the taxable value of the real and personal property in the City at the date of the contract or agreement; and  

WHEREAS, the City Council wishes to authorize the Mayor, City Clerk, and Chief Strategy and Financial Officer (Serving as the Finance Director) of the City (each an “Authorized Officer”) to negotiate the installment purchase financing of the Property without the necessity of the City Council taking further action.  

NOW, THEREFORE, BE IT RESOLVED THAT:  

1. Each Authorized Officer is hereby authorized to negotiate one or more installment purchase agreements or contracts with the sellers of the Property and a bank or other financial institution, in substantially the form as he or she shall, in consultation with counsel, determine to be appropriate. Principal payable pursuant to the installment purchase agreements or contracts shall be payable over a period to be determined by an Authorized Officer but in any event not to exceed 15 years or the useful life of the Property, whichever is less, as set forth in Section 2 of this Resolution. The net interest cost payable under the installment purchase agreements or contracts shall not exceed 5.00% per annum, and the aggregate principal amount to be paid by the City under the installment purchase agreements or contracts, including associated costs of issuance, shall not exceed $1,500,000.  

2. The useful life of a 75 foot ladder truck is hereby determined to be not less than 15 years. The acquisition of the Property and the approval of the installment purchase agreements or contracts hereby are found and declared to be for a valid public purpose and in the best interest of the health and welfare of the residents of the City.
3. The City hereby agrees to include in its budget for each year a sum which will be sufficient to pay the principal of and the interest coming due under the installment purchase agreements or contracts before each following fiscal year. In addition, the City hereby pledges to levy, if necessary, ad valorem taxes on all taxable property in the City each year in an amount necessary to make its debt service payments under the installment purchase agreements or contracts, subject to applicable constitutional, statutory and charter tax rate limitations.

4. Each Authorized Officer is hereby directed and authorized to execute and deliver the installment purchase agreements or contracts in final form, and to execute and deliver such additional documentation as shall be necessary to effectuate the closing contemplated by the installment purchase agreements or contracts and the assignment thereof, including requisition certificates (if provided by the form of installment purchase agreement or contract) providing payment to the sellers of the Property upon delivery of any portion of the Property or for reimbursement of previously appropriated or advanced costs.

5. Each Authorized Officer is hereby authorized to make all administrative transfers necessary to implement this resolution, including current fiscal year debt service account, and to establish appropriate construction and financing accounts.

6. The City covenants that, to the extent permitted by law, the City shall take all actions within its control necessary to maintain the exclusion of the interest component of the payments due under the installment purchase agreements or contracts from adjusted gross income for general federal income tax purposes under the Internal Revenue Code of 1986, as amended (the “Internal Revenue Code”) including but not limited to, actions relating to the rebate of arbitrage earnings, if applicable.

7. The City hereby makes the following declaration of intent for the purpose of complying with the reimbursement rules of Treas. Reg. § 1.150-2 pursuant to the Internal Revenue Code:

   (a) The City reasonably expects to reimburse itself with proceeds of debt to be incurred by the City for the expenditures made to pay certain costs associated with the Property which were or will be paid subsequent to sixty (60) days prior to the date hereof from the general funds or capital fund of the City.

   (b) As of the date hereof, the maximum principal amount of debt expected to be issued for reimbursement purposes, including reimbursement of debt issuance costs, is $1,500,000, which debt may be issued in one or more series and/or together with debt for other purposes.

   (c) A reimbursement allocation of the expenditures described in paragraph (a) above with the proceeds of the borrowing described herein will occur not later than 18 months after the later of (i) the date on which the expenditure is paid, or (ii) the date the Property is placed in service or abandoned, but in no event more than three (3) years after the original expenditure is paid. A reimbursement allocation is an allocation in writing that evidences the City’s use of the proceeds of the debt to be issued for the Property to reimburse the City for a capital expenditure made pursuant to this Resolution.

   (d) The expenditures for the Property are “capital expenditures” as defined in Treas. Reg. § 1.150-1(b), which are any costs of a type which are properly chargeable to a capital account (or would be so chargeable with a proper election or with the
application of the definition of “placed in service” under Treas. Reg. § 1.150-2(c)) under general Federal income tax principles (as determined at the time the expenditure is paid).

(e) No proceeds of the borrowing paid to the City in reimbursement pursuant to this Resolution will be used in a manner described in Treas. Reg. § 1.150-2(h) with respect to abusive uses of such proceeds, including, but not limited to, using funds corresponding to the proceeds of the borrowing in a manner that results in the creation of replacement proceeds (within Treas. Reg. § 1.148-1) within one year of the reimbursement allocation described in (c) above.

8. The City hereby requests that Dykema Gossett, PLLC continue to serve the City as bond counsel for this financing, notwithstanding the potential concurrent representation of any other participant in the financing in matters not related to this financing. The City recognizes that Dykema Gossett, PLLC has represented, from time to time, and currently represents, various banks, financial institutions, underwriters, contractors, vendors, and other potential participants in this financing for matters not related to this financing. The City hereby requests that Robert W. Baird & Co. Incorporated continue to serve the City as Municipal Advisor for this financing.

9. Each Authorized Officer is hereby authorized to retain a financial consultant to assist the City in preparation and planning for this financing.

10. In the event that an Authorized Officer is not available to undertake responsibilities delegated to her under this resolution, then the Chief Operating Officer or other officer of the City designated by an Authorized Officer or Chief Operating Officer is authorized to take such actions. Each Authorized Officer or Chief Operating Officer are hereby severally authorized to execute and deliver the installment purchase agreements or contracts in final form. The officers, administrators, agents and attorneys of the City are authorized and directed to execute and deliver all other agreements, documents and certificates, to use monies legally available to the City to pay any costs necessary to accomplish negotiation and execution of the installment purchase agreements or contracts, and to take all other actions necessary to complete the financing transaction contemplated by this Resolution.

11. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution are hereby rescinded.

Please comment briefly on why you wish to serve on a particular board or commission. Please be specific as to your goals and ideas about how you wish to contribute to the work of the board or commission

I recently moved to Lansing to be closer to family and have graduated from the Citizens Academy. I’d like to offer my knowledge and skills from my human resource career to the board of fire commissioners. They include creating and implementing policies and procedures, recruitment, selection and training, and employee development and problem resolution, especially quality of work environment issues. I have experience managing million dollar budgets. I’m sure I can recall my spreadsheet skills to help with materials inventory, equipment obsolescence and general tracking. I also offer well-developed communication skills.

My affinity for the fire service originates with my dad, a charter member of the fire department in Roseville, MI. After he died at the scene of a fire, three of my brothers followed him into the fire service. Two have retired: Mike as battalion chief in Livonia and Matt as lieutenant. Chuck currently serves as assistant chief in Troy.

Qualifications and Eligibility – At this time, if you do not meet one or more of the qualifications or eligibility requirements listed at the top, please state here the requirement to be met and explain how you will be qualified or eligible before you would be sworn in to an appointed office.

I do not meet the requirement of one year of residency. If that requirement cannot be waived, I would be willing to serve on an informal basis until May, 2020.

Re:        Approval to submit the City of Lansing’s Substantial Amendment – CDBG-CV/ESG-CV

The City of Lansing Department of Economic Development and Planning is requesting the Lansing City Council’s approval of the resolution to submit the substantial amendment to the Department of Housing and Urban Development (HUD), for the Coronavirus Aid, Relief and Economic Security Act (CARES ACT), Public Law 116-136, funding of CDBG-CV and ESG-CV.

In preparation for submitting the substantial amendment, city staff have met with community organizations involved with community development, housing, economic development, homelessness issues, etc. to identify demonstrated needs and the most effective use of these funds to prevent, prepare for and respond to the coronavirus pandemic. The city followed its amended Citizen Participation Plan, which relaxed some of the required regulations, to implement the five-day comment period, June 8, 2020 – June 16, 2020, of which all comments received will be submitted with the substantial amendment. Also, the information has been posted on the city’s website and notices were e-mailed to interested parties on the proposed use of funds. Since all of the requirements have been met, the city is ready to submit the amendment to HUD, with approval from the Lansing City Council.

A resolution approving this amendment accompanies this memo.

If you have any specific questions, please feel free to contact me at doris.witherspoon@lansingmi.gov

Clerk Chris Swope  
City of Lansing  
124 W. Michigan Ave.  
Lansing, MI 48933  

Dear Clerk Swope,

Please find enclosed Resolution #20-254, a Resolution declaring Racism as a Public Health Crisis in the County of Ingham.

The fact that a person’s race plays a part in the impact of public health crises has been brought into sharp focus during the outbreak of COVID-19 this year. Communities of color are disproportionately affected by this disease, as they make up 12 percent of the population and 28 percent of confirmed COVID-19 cases in Ingham County.

This is merely the most recent example of the role racism plays in health and wellness, however. Socioeconomic inequities and systemic racism have led to long-term health issues, such as infant mortality in the Black community being double the rate as the White community and 20 percent of Black residents lacking access to health care.

It is incumbent on all elected officials to recommit their full attention to improving the quality of life and health of our Black community residents. As such, Resolution #20-254 was passed by the Ingham County Board of Commissioners on June 9, 2020.

Please feel free to contact me if I may ever be of any assistance.

Sincerely,

Barb Byrum  
Ingham County Clerk  

Enclosure
ADOPTED – JUNE 9, 2020
AGENDA ITEM NO. 29

INTRODUCED BY THE:

INGHAM COUNTY BOARD OF COMMISSIONERS

RESOLUTION TO DECLARE RACISM AS A PUBLIC HEALTH CRISIS
IN THE COUNTY OF INGHAM

RESOLUTION #20 – 254

WHEREAS, race is a social construction with no biologic basis; and

WHEREAS, racism is a social system with multiple dimensions, including individual racism, which is internalized or interpersonal; and

WHEREAS, systemic racism, which is institutional or structural, is a system of structuring opportunity and assigning value based on the social interpretation of how one looks; and

WHEREAS, systemic racism unfairly disadvantages some individuals and communities, unfairly advantages other individuals and communities, and depletes the strength of the whole society through the waste of human resources; and

WHEREAS, racism is rooted in the foundation of America. From the time chattel slavery began in the 1600s, to the Jim Crow era, declaration of the war on drugs that eventually led to the mass incarceration of Black people, racism has remained a presence in American society while subjecting Black people to hardships and disadvantages in every aspect of life; and

WHEREAS, racism, including unconscious and conscious bias, causes persistent racial discrimination in Criminal Justice, Social Capital, Voter Suppression, Education, Transportation, Employment, Food Access, Mental Health and Health Behaviors, Socioeconomic Status, Environmental Exposure, Access to Health Services, Housing, and Public Safety; and

WHEREAS, historical racism in Michigan has impacted Black Michiganders including Black Ingham County residents. For example, discriminatory housing practices in the 20th century, known as redlining, along with the construction of I-496 expressway and discriminatory housing covenants contributed to the segregation of the Black community in the City of Lansing. Black citizens across the state of Michigan have been limited to areas with restricted access to healthy foods, disproportionate amount of convenience and liquor stores, clean water, and other essential resources, leading to a variety of other health issues, including reduced life expectancy, higher rates of infant and maternal mortality, and higher rates of lead poisoning; and

WHEREAS, for more than 400 years, racism has existed in America. However, in the 21st century, we are now seeing an increased incidence of police brutality, the result of racism and the
disproportionate impact on Black people during the COVID-19 pandemic. Black people are dying in larger-than-expected, record numbers from both; and

WHEREAS, older adults and people of any age who have serious underlying medical conditions are at higher risk for severe illness from COVID-19. Black people have higher incidence of chronic illnesses than other races causing them to die from COVID-19 at 3.8 times the rate of white people. In Ingham County, Black people make up 12 percent of the population, yet they account for 28 percent of confirmed COVID-19 cases; and

WHEREAS, Black people are disproportionately suffering in-part due to long standing, unaddressed health disparities as well as systemic racism and other socioeconomic inequities. Indicators of health disparities include Black infant mortality, which is 12.9% compared to White infant mortality at 6.4%; prevalence of diabetes, which is 17.5% for Blacks compared to 7.7% for Whites; and 20% of Black residents state that they lack access to health care; and

WHEREAS, there is clear data to illustrate that racism negatively impacts the lives of Black people in Ingham County. The current COVID-19 crisis and ongoing protests against police brutality have helped to highlight now, more than ever, that racism, not race, causes disparities for Black Americans; and

WHEREAS, the privileges that other Americans experience inhibit them from fully understanding how racism impacts Black people in America - for example the performance of simple tasks like driving while Black, walking/running in neighborhoods, wearing a hoodie, going to the store, eating ice cream in your own home, or just going to a park all come with certain risk not experienced by others. Concerned parents prepare their Black youth at an early age by having “The Talk” with their children in order to attempt to protect them; and

WHEREAS, prior to the recent police brutality incidents and COVID-19 pandemic, Ingham County was already taking steps to promote health equity through the passage of its Health in All Policies resolution; and

WHEREAS, the American Public Health Association, National Association of County and City Health Officials, and the American Academy of Pediatrics have declared racism as a public health crisis, this Board believes that now is the time to do the same. The disparities caused by racism that we have outlined in this resolution represent a public health crisis which affects us all; and

WHEREAS, we as a governmental body have a responsibility to ensure an optimal quality of life for all of our Black Ingham County residents.

THEREFORE BE IT RESOLVED, that the Ingham County Board of Commissioners hereby declares racism as a public health crisis in the County of Ingham that affects all members of our society on a local (urban and rural), state, and national level and demands action from all levels of government and society.

BE IT FURTHER RESOLVED, that Ingham County is recommitting its full attention to improving the quality of life and health of our Black Ingham County residents.
