SEE OVER FOR MORE INFORMATION
PUBLIC HEARING INFORMATION

The City Council will hold a Public Hearing to review, prior to confirmation, said assessment roll, and consider any complaints or objections that there may be with respect to this assessment.

When: July 8, 2019 at 7:00 P.M.

Where: Council Chambers, 10th Floor City Hall, 124 W. Michigan Ave., Lansing, MI 48933

HOW TO APPEAL

A property owner or party in interest, or his or her representative, may protest the special assessment in one of the following ways:

- Send a letter appealing the assessment to: City Clerk's Office, 9th Floor, City Hall, 124 W. Michigan Ave., Lansing, MI 48933;
- Send an email appealing the assessment via email to: city.clerk@lansingmi.gov;
- Appear in person at the Public Hearing and either hand deliver an appeal letter or speak at the Public Hearing (must sign in at meeting to speak).

Written appeals must be received before the close of the public hearing on July 8, 2019.

Those appealing will be encouraged to appear in person at a subsequent Public Service Committee meeting (time and date to be determined), where cases will be further considered.

Further appeal of the Special Assessment may be made to the Michigan Tax Tribunal, if filed within 35 days after confirmation of the special assessment roll and that special assessment was protested at the July 8, 2019 hearing. Visit www.michigan.gov/taxtrib for more information.

PAYMENT AND PENALTY INFORMATION

Bills will be mailed by the City Treasurer within 10 days of the Council confirmation of this roll. The City Council typically confirms an assessment roll one week after the hearing, providing there is concurrence.

The total assessment if due, must be paid within 60 days from the billing date to avoid a 5% penalty. Any unpaid special assessment or portion thereof will be included on the semi-annual property tax statement.

If you have any questions regarding this assessment, please contact the Public Service Department at (517) 483-4455.

ORDINANCE NO. ___________

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, TO AMEND THE
LANSING CODIFIED ORDINANCES BY AMENDING CHAPTER 606 SECTION 606.03 TO
REQUIRE SIGNS OR ADVERTISEMENTS TO INCLUDE ON THE SIGN, CONTACT
INFORMATION OF THE PERSON OR ORGANIZATION CONDUCTING THE SALE.

THE CITY OF LANSING ORDAINS:

Section 1. That Chapter 606, Section 606.03, of the Codified Ordinances of the City of
Lansing, Michigan, be and is, hereby amended to read as follows:

(a) No person shall attach, place, paint, write, stamp or paste any sign or advertisement or
any other matter concerning yard sales, rummage sales, auctions or garage sales or other similar
sales within any public right of way or on any public property, unless:

(1) Such sign or advertisement is placed on the public right of way or public
property no sooner than two days before the date the sale or auction is to occur.

(2) The sign or advertisement is removed within one day after the conclusion of
the sale or auction. Under no circumstances shall any such sign or advertisement be on a
public right of way or public property for longer than four consecutive days.

(3) The sign or advertisement has the name of the person or organization
sponsoring or conducting the sale, and CONTACT INFORMATION FOR THE
PERSON OR ORGANIZATION SPONSORING OR CONDUCTING THE SALE OR
the address of the sale printed legibly upon it.

If a violation of this section has been committed and the individual committing the violation
cannot be identified, the person designated on the sign or advertisement as being the sponsor of
the event shall be deemed responsible for the violation. Where the name of a person is not
designated or identified on the sign or advertisement but an address is designated on the sign or
advertisement as being the sponsor of the event, the owner or legal occupant of the identified
address shall be deemed responsible for the violation. A violation charged under this section
shall be deemed a civil infraction and shall be punishable by a civil fine of not more than five
hundred dollars ($500.00).

(b) This section shall not permit the placement of signs or advertisements where otherwise
prohibited by law.

Section 2. All ordinances, resolutions or rules, parts of ordinances, resolutions or rules
inconsistent with the provisions are repealed.

Section 3. Should any section, clause or phrase of this ordinance be declared to be
invalid, the same shall not affect the validity of the ordinance as a whole, or any part thereof
other than the part so declared to be invalid.

Section 4. This ordinance shall take effect on the 30th day after enactment, unless given
immediate effect by City Council and shall expire May 21, 2029.

WHEREAS, the Act requires that before granting a District the Lansing City Council hold a public hearing in order to provide an opportunity for the applicant, owners of real property within the proposed OPRA District, the City Assessor, a representative of the affected taxing units, the residents, and other taxpayers of the City of Lansing general public appear and be heard regarding the approval of the OPRA District.

NOW THEREFORE BE IT RESOLVED that a public hearing be held in the City Council Chambers of the City of Lansing, 10th Floor, Lansing City Hall, Lansing, Michigan, on Monday, (INSERT DATE) at 7:00 p.m. for the purpose of receiving public comment on the approval of an OPRA District under the provisions of Public Act 146 of 2000 and that the Clerk shall publish once in a publication of general circulation within the community a notice of the scheduled public hearing and that the notice appear not less than 10 or more than 30 days prior to the date of the hearing.
WHEREAS, Brett Kaschinske, Parks and Recreation Director, proposes that the City acquire a parcel, currently owned by the Lansing Boat Club, for parks purposes; and

WHEREAS, the property currently vacant and undeveloped, and is located in Delta Township, just outside the western city limits; and

WHEREAS, the property has frontage on the Grand River, and connects Fulton, Fine and Hunters Ridge parks, and is thus a key location for facilitating Rivertrail development; and

WHEREAS, the Design Lansing Comprehensive Plan depicts this property as a location for future Rivertrail development; and

WHEREAS, on November 18, 2015, the Parks Board voted to move ahead with the proposed acquisition; and

WHEREAS, at its meeting on January 5, 2016, the Planning Board reviewed this proposed acquisition in accordance with its Act 33 Review procedures and found that:

- the area would retain the same rural character, with some future park-like improvements anticipated in the future,
- the grant-funded acquisition of this property would require its dedication as parkland, and would preclude its use for private development,
- with riverfront access and Woldemar Nature Center located across the river to the southwest, the site offers substantial potential for travel between parks as well as nature tourism,
- the acquisition proposal is in conformance with the Design Lansing Comprehensive Plan; and

WHEREAS, the Planning Board voted unanimously (6-0) to recommend approval of Act-16-2015, the acquisition of the subject property for public parks purposes; and

WHEREAS, the Committee on Development and Planning has reviewed the report and recommendation of the Planning Board, concurs therewith; and

WHEREAS, a Phase I environmental, assessment dated April 21, 2017 by ASTI Environmental revealed no evidence of recognized environmental conditions in connection with the property; and

WHEREAS, by Resolution #2016-061, City Council approved Michigan Natural Resources Trust Fund (MNRTF) grant application for $67,500, with $22,000 in local funds, toward the purchase of this property;
WHEREAS, according to an appraisal by Judeh and Associates dated April 26, 2017, the
property is valued at $54,000; and

WHEREAS, based on the appraised value the total purchase price shall be $54,000.00
plus closing costs. Seventy-five percent paid by the Michigan Department Natural
Resources Trust Fund and twenty-five percent paid by the City of Lansing Department of
Parks and Recreation Land Acquisition Fund.

RESOLUTION #2019-
BY THE PUBLIC SERVICE COMMITTEE
RESOLVED BY THE CITY COUNCIL OF THE CITY OF LANSING

WHEREAS, 600 E Michigan Lansing LLC requests an easement along the south edge of the Michigan Avenue public right of way between Larch Street and the East Street public right of way for a building footing; and

WHEREAS, the proposed building will contain a grocery store, hotel and housing; and

WHEREAS, the proposed easement would extend approximately 24” into the Michigan Avenue right of way at a depth of between 3’ and 5’; and

WHEREAS, the location of the proposed building footing would not conflict with any known underground utilities; and

WHEREAS, the relocation of any utilities found during construction would be the responsibility of 600 E Michigan Lansing LLC; and

WHEREAS, the Planning Board, at its meeting on July 2, 2018 reviewed the location, character, and extent of the proposal in accordance with its Act 33 Review procedures and found that:

- The easement is located in a commercial area, and the proposed footing would not interfere with existing utilities or the public’s use of the right of way,
- The footing will be installed underground, so the effect on the character of the surrounding area is negligible,
- The width of the proposed easement (2-3’) is necessary and appropriate to install and maintain the footing, and will not adversely affect City operations or public use of the right of way; and

WHEREAS, the Planning Board voted unanimously (6-0) to recommend approval of Act-13-2019, a non-exclusive easement to 600 E Michigan Lansing LLC to locate an underground building footing along the south edge of the Michigan Avenue public right of way between Larch Street and the East Street right of way; and

WHEREAS, the estimated the value of the subject easement is $X,000; and

WHEREAS, the Committee on Development and Planning has reviewed the report and recommendation of the Planning Board, as well as the appraisal report, and concurs therewith;
NOW, THEREFORE BE IT RESOLVED, that the Lansing City Council hereby approves Act-13-2019, a non-exclusive easement to 600 E Michigan Lansing LLC, legally described as:

The south XX' of the Michigan Avenue public right of way lying between the east edge of the Larch Street right of way and the west edge of the East Street right of way (occupied by CSX railroad) within the original plat of City of Lansing, Ingham County, adjacent to block 242 of said plat.

for the purpose of installing and maintaining a building footing across the south side of the right of way, for the sum of XXX Thousand Dollars ($x,000.00).

BE IT FINALLY RESOLVED, that the Mayor, on behalf of the City, is hereby authorized to sign and execute all documents necessary to effectuate the aforementioned transaction(s), subject to their prior approval as to content and form by the City Attorney.

Subject: Sole Source Request Hauling Single Stream Recycling

We are requesting a sole source arrangement for services from Stansley Group. The current hauler, CEI, has a long, documented history of failing to pick up loads. There is limited space in the recycling transfer station to store materials, therefore, they must be hauled out daily to keep up. Staff have contacted multiple hauling companies and followed up on many leads, but have come up with only one good option, which is Stansley Group.

There services are needed to move the stored materials out of the transfer station to get caught up and help to manage the flow of materials to the processor in Southfield, MI.

Stansley Group has 142 yard walking floor compactor trailers available. The price is $725/load. We expect these trailers to fit more materials in them than CEI could with their 110 yard trailers, so it’s likely we’ll have fewer loads. They could potentially haul up to 20 plus loads/month, totaling appx $14,500/month, depending on need.

Stephanie,

I approve this as a sole source to get our recycle transfer pile empty (or down to a reasonable level). Moving forward, we may need to put a bid out for 6 months to a year since our current vendor is not providing timely service.

From: William H. Brunner, Plant Engineer

Subject: Recommendation of Sole-Source Supplier  
Flygt Pumps for Willard Avenue Pump Station

I recommend that Kennedy Industries (Kennedy) be awarded the work, as a sole-source supplier, to provide three Flygt Submersible vertical dry-pit pumps for $97,700.00. These pumps will replace the existing pumps in the Willard Avenue Pump Station. Kennedy’s quotation is attached.

The Willard Avenue Pump Station services an area that will include the new McClaren Hospital. The existing pumps are nearing the end of their useful life, plus they are too small to service the new hospital. It is important to get the pumps replaced with reliable, long-lasting pumps.

There are several reasons why we would like to sole-source Flygt as the pump manufacturer.

1. Service by the pump supplier, Kennedy Industries, has been very good and they are highly responsive.
2. The operators are familiar with Flygt pumps and they have been reliable in the wastewater treatment and collection system.
3. Operation and maintenance of the pumps will be similar to the other Flygt pumps that the operators already maintain.
4. The Flygt pump uses the source water for cooling. Other pumps use a potable water source for cooling, which increases the operating cost. Also, piping must be extended to the pump and be maintained. In addition, any maintenance on the pump seals requires the operators to disconnect and reconnect the water source.

Funds are allocated for this project in the following account:
$97,700.00  590-933610-970000-20129  Willard St. Pump Station

If you have any questions regarding this recommendation, please contact me at your earliest convenience. Thank you for your assistance.

SUBJECT: Sole Source - Ironbrook - UV Disinfection System

The Public Service Department Wastewater Division requests that Ironbrook be designated as a Sole Source vendor for the purchase of Ultraviolet Disinfection (UV) system lamps and replacement parts.

Please see the attached letter from Sid Scrimger and Andrew Kilpatrick regarding the request.

Based on the attached letter, we recommend issuing a sole source purchase order to Ironbrook, in the amount of $35,000.00 per the request of the Public Service Department Wastewater Division.

Andy Schor, Mayor
The WWTP is in need of significant work on the plant UV disinfection system. Many of the lamps in the system are nearing the end of their useful life and it is important to replace them to avoid potential discharge of pathogens to the Grand River and violation of the City’s NPDES permit. In addition, a number of components have failed, requiring their replacement.

The Fischer & Porter UV system disinfects the treated water before it is released to the Grand River. It was installed in 1997, and was refurbished in 2014 at a cost of $621,028. The City’s National Pollutant Discharge Eliminations System Permit requires that effluent from the wastewater plant be disinfected before discharging it into the river.

The intent at this time is to contract replacement of lamps in those portions of the system closest to their end-of-life and have the entire system checked for functionality and repaired on an as needed basis. Since the attached quote has been provided prior to a complete assessment of the system, it lists prices for individual units rather than total cost. We do know that replacing 50% of the lamps will require 1180 lamps @ $22.50 ($26,550). Based on the initial assessment and unit costs for other items, the total cost should not exceed $35,000.00.

I recommend that Ironbrook UV Corporation (Ironbrook) be awarded the work, as a sole-source contractor, to replace one-half the lamps on the ultraviolet disinfection (UV) system and replace parts as required for an amount not to exceed $35,000.00. Attached to this document are Ironbrook’s quotation, a list of customers who received refurbished or upgraded systems, and letters stating that ABB owns the Fischer & Porter design and that Ironbrook is the exclusive distributor.

Scott,

After completing a partial (2 channels out of service) of the UV system we found the following:

PDC 4-1
Rack 2 – Tripped Breaker plus blown fuse
Rack 3 – GFI trips
Rack 6 – B4 Lamp Fail
Rack 15 – B3 Lamp Fail
Rack 17 – B3 Ballast removed
UV Intensity – 0% no adjustment

PDC 4-2
Rack 6 – B3 Lamp Fail
Rack 11 – B1 Lamp Fail
Rack 14 – B1 Lamp Fail
Rack 16 – B2 Lamp Fail/B4 Lamp Fail
Rack 17 – B7 Lamp Fail
Rack 18 – B2 Lamp Fail
UV Intensity – 120% adj down to 75%

PDC 3-1/3-2 Out of service

PDC 1-1
Rack 6 – GFI Trip
Rack 15 – B6 Lamp Fail
Rack 16 – Multiple Lamp Fails
Rack 17 – B2, 3 & 4 Lamp Fail
UV Intensity 2% no adjustment
PDC 1-2
All good
UV Intensity 0% no adjustment

PDC 2-1/2-2 Out of service

With the exception of a bunch of lamp fails which is normal after this many hours and a couple of issues with controller boards the system looks great. We all agree that lamps need to be replaced but issues with controller boards, blown fuse, intensity issues should all be addressed to minimize the work needed to maintain the system.

The intensity meters most likely have moisture in the sensor which will need to be addressed. We can re-work the sensors at our location, hopefully the diodes are ok or they will need replaced. To correct all the issues we found it would take us less than a day to resolve, gives you an idea that after 4 years it would take no time at all to restore everything back to 100%

The lamps look to be burning quite nicely even after 11000 hrs. But as we discussed the time to start planning to do a lamp change is now. I believe two of the channels have close to 13K on them which is getting close to EOL.

As also discussed we can install the lamps on site, troubleshoot any issue that arises and if time allows go through the other banks and resolve some of recorded issues. This would save Lansing the time and expense of not only the removal and installation of the lamps but the issues that arise after lamp installation (which is normal).

The site does not have any spare parts as well, a system this large should have at least a few items on hand such as;

Ballast
Controller Boards
Sensors
Blowers
Although we do carry all parts for the system you want to be able to quickly replace a defective part so that the system keeps operating to full capacity.

Please refer to following pricing:

**Ballast** Rev 4 - $170.00ea.
**Sensors** - $950.00ea.
**Controller Boards** - $550.00ea.
**Blowers** - $380.00ea.

As you can see more lamps the cheaper it is per lamp and installation.

I trust this is satisfactory but if you have any questions please feel free to call or email.

Re: Fischer & Porter Ultraviolet Disinfection Design Ownership

Dear Fischer & Porter Ultraviolet Disinfection Customer,

We would like to elaborate that the design of the Fischer & Porter Ultraviolet Flasher, GF and Lamp Rack Container Boilers are our design, which we developed since the inception of the product line that began with the purchasing the original Atlas design in the early eighties.

As Fischer & Porter Unison Technologies Inc. we have spent considerable time in developing and honing our product. The development has included decades of in-house research and development and extensive finishing and hydraulic testing at Lehigh University. The testing at Lehigh was not only to comply with EPA requirements as outlined in Section 7 of the EPA Wastewater Volumes, but in addition to confirm that the design was suitable for all wastewater conditions throughout the world. As our operations are not limited to one geographic region. For California we did further product research and development at U.C. Davis confirming that the design met the stringent Title 22 requirements for dosage and hydraulic requirements.

ABB reserves the right to the sale and distribution of these parts upon sale of the division to Trojan Technologies. No other company shall sell these products other than our authorized distributor for Brook Parts.

ABB will protect what we have designed and developed to the fullest legal extent. As such we have requested that companies copying the product to cease production or ask further legal action. We are asking our customers to respect our position and not purchase these parts. These parts are not approved for use in Fischer & Porter UV systems and have been patented by Hydraulic in U.C. Davis, and hence you are violating EPA requirements with these products.

Yours truly,
ABB Inc.

MISSION STATEMENT
To maintain order, preserve public safety, and foster a better quality of life; making our City a better place to live, work, and visit.

VISION STATEMENT
Building partnerships and utilizing innovative strategies for a safer, stronger, community.
Mayor
Andy Schor

I am proud to present the Lansing Police Department’s 2018 Annual Report. The purpose of this report is to highlight the accomplishments of the Department and their continuous efforts to keep Lansing safe for our residents, businesses, and visitors.

I am pleased to report because of the diligent work of our Human Resources Director, Linda Sanchez-Gazella and Chief Mike Yankowski, police officer vacancies are filled for the second year in a row. There is a full complement of officers on the force who are dedicated to work to keep the citizens of Lansing safe. The Lansing Police Department/City Recruiting Team remains committed to continue to recruit quality candidates who reflect Lansing’s diversity.

The Lansing Police Department has participated in numerous community outreach efforts which keep residents informed and to answer questions and concerns of the public. The Department celebrated its 125th anniversary with a two-day Historical Celebration at the Lansing Center. The department continues to use cutting-edge technology to aid in solving crimes and obtaining convictions.

I extend my sincere thanks and gratitude to the men and women of the Lansing Police Department for their service to our community, for their dedication to keeping Lansing a vibrant and safe community. Together, we can make Lansing an even better place to live, work, visit, and raise a family.

Respectfully,

Andy Schor
Mayor
Board of Police Commissioners
Drew Macon, Chairperson

As has been a long-standing tradition, I have been asked as Chairperson of the Lansing Board of Police Commissioners to speak about the 2018 accomplishments of the Lansing Police Department. A great deal of activity took place in 2018 – the Lansing Police Department celebrated its 125th anniversary, over 20 new police officers were hired, and our Explorer Post, once again, won the State of Michigan competition just to name a few accomplishments.

Under the leadership of Chief Mike Yankowski many new initiatives in the form of technology – body worn cameras, updated in-car video, and numerous leading-edge applications designed to aid officers be more proactive have been added. The department expanded its social media footprint to include an updated website, Facebook page and Instagram accounts that have not only informed our citizens but made the LPD brand an icon in the Lansing area.

Our officers continue to show courage and demonstrate their commitment to proactive policing and community service. The Lansing Police Department continues to be a leader not only in the Mid-Michigan area, but has been recognized for their innovation nationally. All of this would not be possible if not for the leadership of Mayor Andy Schor, Chief Mike Yankowski, and his staff that continue to enhance the delivery of police and community-related services to our City. As we close out 2018 and enter 2019, we know this year will be just as exciting and busy a year for the Lansing Police Department as we say thank you and good bye to many respected officers that have served with honor and distinction for 25 years and we welcome the new cadre of “Capital City’s Finest.” The Board of Police Commissioners invites the citizens of Lansing to become more active and attend meetings of the Board which are always open to the public.

Sincerely,

Dear Mayor Schor, Board of Police Commissioners, and Citizens of Lansing:

On behalf of the many dedicated Lansing Police Department (LPD) employees, I present to you the Lansing Police Department’s Annual Report for 2018. I am grateful and honored to lead such a talented and honorable group of police professionals.

LPD is a professional law enforcement agency that has served the citizens of Lansing for the past 125 years and has a proud tradition of providing innovative policing strategies and quality service to the citizens of Lansing.

During the weekend of May 5, 2018, the LPD held a special 125th Anniversary Celebration at the Lansing Center, which included an Awards and Recognition Ceremony and a large display of LPD memorabilia, equipment, pictures, videos and community engagement. Over 2,000 people attended the day-long event in which the community had the opportunity to interact with current, past and future employees of the LPD.

The 2018 Annual Report provides information and insight regarding the outstanding work performed by the employees and volunteers of the LPD. Police Legitimacy and Community Policing continue to be the solid foundation of the department.

In 2018, the LPD focused on several strategic areas: Recruiting/Hiring, Police/Community Relations, and Violent Crime Reduction. Throughout the year, the LPD hired 31 police officers and eight (8) civilian staff members to replace employees retiring in 2018/2019. We worked diligently to build trust within our community by engaging with our citizens, youth and business owners by attending over 500 community events. Our showcase programs such as Neighborhood Watch, G.R.E.A.T., Youth Leadership Academy, and the Citizens Police Academy continue to strengthen our police and community partnerships. Over the past 5 years, the LPD has reduced the number of shootings by 49% and increased our homicide clearance rates to 86%.

As we move forward into 2019, the pace of change in policing the city will inevitably be a defining moment for the future of law enforcement. The new year will see an expansion of new technology such as, NC4 Street Smart, a LPD Mobile application and a Real-Time Crime Center to improve our policing strategies.

We will continue to work together with our neighborhoods, businesses and schools to build strong community partnerships that will help keep our city safe, while we focus on reducing violent and youth crime.

The **Patrol Division** is a source of pride for the City of Lansing and is the largest division within the Lansing Police Department (LPD). The division is tasked to respond to calls for service and investigate criminal conduct and quality of life issues through evidence-based crime prevention strategies and community engagement.

Patrol is staffed with three shift Lieutenants, including Lieutenant Michelle Spoolma – Day Shift, Lieutenant Rodney Anderson – Afternoon Shift, and Lieutenant David Sileo – Night Shift. Each Lieutenant supervises five Sergeants and 30-32 Patrol Officers with seven K-9 Handlers. Sergeant Sean Mills leads the K-9 Unit. The Patrol Division further administers the Patrol Officer Field Training Officer Program for new Police Recruits.

LPD understands that mission success is dependent on continuous community and business engagement and the ability to develop and maintain solid City, State and Federal partnerships, all committed to the delivery of outstanding police services. One essential objective of the **Community Services Unit** (CSU) is to improve the quality of life for our residents by developing long-lasting relationships with the community to address crime, blight, school issues, homelessness, and drug dependency. Executive Lieutenant Matthew Kreft and Sergeant Eric Prati lead a team of ten Community Police Officers, three School Watch Officers, one Neighborhood Watch Officer, one Social Worker, and a number of Volunteer Units that perform crime victim advocacy, police chaplaincy, service desk operations, river walk patrol, handicap parking enforcement, school watch, and more. The CSU participated in over 364 community events and instructed some 500 middle school and elementary students in the Gang Resistance and Education and Training (G.R.E.A.T.) curriculum. The G.R.E.A.T. Team is led by Lieutenant Rodney Anderson and its undertaking is to prevent youth crime.

Maintaining safe roads is the primary goal of our **Traffic and Special Events Unit** (TSEU) which is led by Sergeant Leith Curtis. TSEU maintains four motorcycle officers, four parking enforcement officers, one subpoena officer and one traffic crash-follow up officer. Members of the TSEU utilize police motorcycles and other advanced technology to conduct traffic enforcement, roadway escorts, and educational activities in high collision intersections to address public safety complaints. TSEU is further responsible for reviewing and providing law enforcement approval of special events permits issued within the City of Lansing. These events draw thousands of spectators and TSEU collaborates with the Bicycle Unit, Mobile Field Force Unit, Special Tactics and Rescue Team, and the City of Lansing Emergency Management to ensure a heightened level of public safety preparedness.

Patrol Administration is assisted by Administrative Assistant Rhonda Mubarak who maintains an assortment of responsibilities that include; auditing and tracking of employee time and budget accounting, coordination of building maintenance, supply and data management, and other clerical and administrative functions.

LPD Patrol demonstrates a diverse set of responsibilities that are highly visible and accessible in the Lansing community. Patrol personnel embrace the overarching tenants of community policing and respect for constitutional rights undergirded by a commitment to transparency and accountability. As a result, Patrol Officers wear body-worn cameras, report all responses to resistance, and are trained in implicit bias, crisis intervention, and other de-escalation techniques to assist in safeguarding human life and dignity. LPD’s core institutional values support our mission to maintain order, preserve public safety and foster a better quality of life; making our City a better place to live, work, and visit. Finally, LPD is dedicated to improving safety in the City of Lansing and is committed to model best practices that focus specifically on the needs of our community. Captain Daryl Green can be reached at TX: (517) 483-6803 or Daryl.Green@lansingmi.gov.

Community Services Unit
Sergeant Eric Pratl

The Lansing Police Department Community Services Unit (CSU) was created in late May of 2016, and brought several individualized units under one umbrella. These diverse work groups include our 10 Community Police Officers, 3 School Resource Officers, 1 Community Services Officer, 1 Community Services Sergeant, Volunteer Services, Police Chaplaincy, and the Lansing Police Department (LPD) G.R.E.A.T. Program.

With community outreach and engagement a central focus of the CSU, officers have represented the Lansing Police Department at over 337 Events, 27 National Night Out Parties, and 119 Neighborhood Watch Meetings. These events range from community meetings to picnics, food distributions, festivals, athletic events, school district outreach, safety presentations, site security assessments, mental health outreach and many more.

Community Policing Officers (CPO’s)

CPO’s have also taken on several additional initiatives in the last year including hosting a Thanksgiving food giveaway in the Genesee neighborhood, accounting for and providing resources to our homeless population in the downtown sector, and working with community donors to purchase a vehicle for a hardworking citizen. LPD CPO’s attended a safe environment for the Trick-or-Treat on the Square, and assisted our School Resource Officers and day shift patrol in providing an officer at each of our 26 Lansing School District sites for the first day of school in 2018. The CPO’s are looking forward to continuing their very active role within our neighborhoods, and to finding lasting solutions to complex and
School Resource Officers (SRO’s)

The LPD SRO’s are responsible for providing a safe learning environment, engaging our local youth, improving student-police relationships, and participating in crime prevention and enforcement in each of our 3 Lansing High Schools. In addition to their day within the school, the SRO’s participated in over 50 events this past semester outside of school hours. These included athletic events, dances, proms, classroom instruction, and after school coaching, tutoring, and mentoring. The SRO’s provide an incredibly worthwhile and important service to our schools, and are a great example of how positive interactions with our youth can have long standing impacts in our community.

Community Services Officer (CSO)

The LPD CSO is responsible for administering our Neighborhood and Business Watch programs, creating quarterly safety newsletters, providing safety presentations and security assessments, monitoring our city alarm program, and representing LPD at events and meetings throughout the community. In 2018, Officer Kasha Osborn managed 106 Business Watches, 112 Neighborhood Watches (8 pending), attended 113 Apartment Manager meetings, produced a quarterly newsletter received by over 150 residents and business owners, monitored the Alarm Program, recruited and provided training to new volunteers, responded to dozens of neighborhood complaints, maintained the Neighborhood Watch Facebook page, participated in many committees and initiatives, attended Lansing Property Manager Meetings, and performed meaningful outreach at the schools, Sparrow Hospital, and within the Operations Building. Her commitment to the City of Lansing continues to improve our reputation, responsiveness, and image within our City.

Volunteer Services

The Volunteer Services Unit assisted LPD by utilizing volunteers for the River Walk Patrol, School Watch Program, handicap parking enforcement, Victim Advocates, Police Chaplaincy, and staffing the front desk of the Operations Building. Dozens of citizens helped out in various capacities in 2018, and many more have begun to sign up as word of these worthwhile opportunities increases. Our volunteers remain an integral part of our mission to serve the citizens of Lansing, and provide a safer community for all those that visit and live here.

Activity Report

The G.R.E.A.T. Team seeks to increase the level of trust between the police and the community's youth. The G.R.E.A.T. Team’s goal is to instill youth with necessary social skills that will enhance their ability to resist gang membership and promote high moral and civic standards. The team is led by Lieutenant Rodney Anderson. The G.R.E.A.T. Team facilitated 20 youth engagement activities from April to December and graduated over 816 Lansing School District students [increase of 17% increase from 2017] from the G.R.E.A.T. Program. The team continues to collaborate with a coalition of stakeholder organizations throughout the City of Lansing (population 114,620 [2014 estimate]) to facilitate the community outreach aspect of G.R.E.A.T. (Summer Component) during the spring, summer, and fall months. G.R.E.A.T. Program activities were conducted by eight G.R.E.A.T. Team members with the assistance of non-G.R.E.A.T. trained Lansing Police Department (LPD) Community Police Officers and LPD Chaplains. The G.R.E.A.T. Team still maintains one interagency member from the Michigan Attorney General's Office. Lieutenant Rodney Anderson can be reached at TX: (517) 483-6831 or Rodney.Anderson@lansingmi.gov.

**G.R.E.A.T. Activity Report:** In June 2018 the G.R.E.A.T. Team partnered with the Lansing Fire Department (LFD), and City of Lansing Parks & Recreation Department to deliver the third annual session of the Lansing Public Safety Youth Leadership Academy (LPSCLA). The camp is co-ed for ages 13 - 16 and has a 25 participant capacity. This highly interactive camp has become a signature outreach offering for G.R.E.A.T. Twenty-one teen participants attended [up 40%] the five day camp. Newly featured experiences included a field trip to the Michigan State Police Aviation Hanger and an interactive grooming activity facilitated by representatives of the City of Lansing Human Resources Department focusing on exploring police and fire career pathways.

In November 2018 the G.R.E.A.T. SPORTSMOBILE made a fifth consecutive appearance in the thirty fourth Annual Silver Bells in the City Parade in collaboration with the Neighborhood Watch Association.

Police Athletic League (P.A.L)
Sergeant Eric Pratt assumed responsibilities for P.A.L. He and his committee are brainstorming ideas for fund-raising and will be holding fund-raising events in 2019.

Shop With A Cop
At the 12th Annual Shop With a Cop event, more than 100 officers were matched up with a child and were given $100.00 to shop for themselves and family members. This annual event helps kids, who may not otherwise be able to purchase gifts for themselves or their family and friends.

Polar Plunge
Polar Plunge was held in February, at Cooley Law Stadium. Officers Kasha Osborn, Jennifer Pung, Cyndi Miller and Mandi Brunner participated in the plunge.
Plungers raised approximately $2910. The Capital Area Dive Team and ELFD medics provided excellent service to participants. Several officers participated in the Row Raiser which raised $3,500.

Tri-County TRIAD
Since 2000, the Lansing Police have continued to collaborate with Tri-County TRIAD, which promotes elder quality of life through advocacy, assistance, education and training. The department recognizes the value, dignity, and worth of our elder community and outreach remains a priority.
The main goal is to assist senior citizens with independent living and ensure their safety while residing in the Capital City. The department continues to connect with numerous elders, monthly, in addition to raising donations and helping deliver 350 Christmas baskets annually to seniors in need.

Law Enforcement Torch Run for Special Olympics
Lansing Police personnel participate in several fundraising events that help Special Olympics Michigan. Among the more traditional are the Polar Plunge, Row Raiser, Summer Games Kick-Off Rally at the State Capitol and The Midnight Run, in September.

Citizens’ Police Academy
The Citizens Police Academy graduation was held in April. The LPD-CPA is a 40-hour course of instruction designed to provide our community with information about the people, assignments, equipment, policies, law, and overall operation of the department. Our hope is that the instruction will dispel misconceptions, eliminate speculation and increase police/community rapport through this educative process. This service helps the department become aware of public concerns and misunderstandings.

Sparrow Hospital Gift Giving Event
The G.R.E.A.T. Team officers from CSU, Explorer Post #911, and McGruff partnered with Sparrow Hospital Pediatric Unit, LFD, and Power 96.5 FM Radio Station for the 3rd Annual G.R.E.A.T. Holiday Gift Giving event. This event is an opportunity for officers and firefighters to spread some cheer and a few gifts to young people that are admitted to the ward during the holiday season. This event allows patients and public safety professionals to spend time getting to know each other. Over $500 in gift were donated.
Community Partnerships

Our department is staffed by dedicated men and women who adhere to the value of working in partnership with the community all while striving for excellence and accountability. Working in partnership with our community to identify and address public safety and other quality of living issues while embracing the diversity of our neighborhood organizations, schools, PTO’s, business associations, service clubs, and religious and educational institutions.

Unmanned Aircraft Systems Unit
Detective Brad Carey

The Department was equipped with two commercially-available unmanned aircraft systems (UAS) used to enhance patrol situational awareness during tactical circumstances. The UAS Unit operates with FAA approval through a Certificate of Waiver Authorization to provide aerial video surveillance of police operations on the ground. The UAS platforms were used to assist the Board of Water and Light to assess flood damage and the Capital Area Dive Team to search the Grand River for a missing person.

K-9 Unit
Sergeant Sean Mills

The K-9 Unit has gone through a rebuilding period. With the retirement of Officer Szczesny and K-9 Chase from the unit, interviews were held and Officer Ethan Murlick joined the unit. He attended the K-9 Academy in Taylor, Michigan. Officer Murlick and his partner Fury and have joined the working ranks of the unit. Officer Beth Frazier and K-9 Kanan retired. Officer Bryant Wilson was brought on and attended the K-9 Academy. Officer Wilson and his partner Django have successfully completed the school and are certified members of the unit. Officer Naimy stepped down from his role as an Assistant Trainer, though he has still assisted on several occasions when requested.

The unit has also had its share of success, to include Officer Rachel Bahl and K-9 Chief receiving a Lifesaving Award from the National Association of Police Canine Handlers. Out of 1,000 NAPCH members, only three received Lifesaving Awards.

Recognizing the need to utilize outside units for mutual aid on multiple occasions and the fact that other teams often struggle to work in the environment of the City, the K-9 Unit partnered with other area agencies to conduct a regional training day during the Spring. Each agency attempted to highlight the areas and venues that were unique to them in order best assist other teams. The day was a huge success with extremely good feedback from all that were involved. The Lansing Police Department Cadets also assisted with organizational needs as well as decoy work for the day. Plans are being made to repeat this training in April of 2019.

Additionally, a regional list of all area K-9 Teams and specialties was developed and shared amongst the area agencies. This will allow agencies the ability to recognize the resources available in the area and request them when needed. This list will be updated and redistributed on an annual basis.

The K-9 Unit continues the utilization of consistency in training and new technologies and equipment to improve the work. The team’s ultimate goal will remain to serve the citizens of Lansing by locating illegal narcotics, explosives, and wanted perpetrators while keeping our officers as safe as possible.

Parking Enforcement Unit
Sergeant Leith Curtis

Parking Enforcement workers patrol assigned areas for parking violations, and respond to parking complaints. They provide customer service to the public by providing answers concerning parking regulations, alternative parking solutions, directions, and other information as needed. They attend court, report defective meters, traffic signs, and unusual traffic congestion. When authorized, they immobilize vehicles using a booting device.

The Parking Enforcement Unit wrote 29,845 parking violation tickets. Parking Enforcement Workers are: Deborah Pickett, Tonya Lauderdale, Tina Cruz, and Jeremiah Lane. Sergeant Leith Curtis can be reached at TX: (517) 483-4667 or Leith.Curtis@lansingmi.gov.
Honor Guard
Lieutenant Ellery Sosebee

The Lansing Police Department Honor Guard is comprised of officers who have committed themselves to the time and training required for their specialized duties. They are highly respected for their attention to detail and precision in representing the department. The unit is frequently called upon to provide services at a variety of ceremonies and events. The Honor Guard regularly participates in community events (showcased below). The most recognized function of the unit is their presence at the funerals and their paying of respect to the families and communities of officers who have lost their lives in the line of duty. The unit also pays tribute to the lives of retired Lansing Police Officers and their families by providing honors at retiree funerals. Honor Guard Members include: Lieutenant Ellery Sosebee, Sergeants Stitt, Mills, Wilcox, Hughett, Kelley, Detectives Wonnacott, Mires, Thielen, Scaccia, Officers Becker, McGonegal, Maatman, Hall, Campbell, Brooks, and Fearnow. The Honor Guard Commander, Lieutenant Ellery Sosebee can be reached at TX: (517) 483-4606 or Ellery.Sosebee@lansingmi.gov.

Explorer Post #911  
Lieutenant Matthew Kreft

The Lansing Police Explorer Post has been a part of the Lansing Police Department (LPD) for the past 49 years, and is currently managed by Lieutenant Matthew Kreft. The Explorer Program is designed for young adults between the ages of 14 and 21. The purpose of the Explorer Post is to introduce youth to the area of Law Enforcement in the hopes that it will assist them in deciding on a career path. This is accomplished through training in various law enforcement subject matter and by accompanying officers on ride-alongs. The program also seeks to introduce members to a paramilitary organization, community service events, physical fitness training, military drill and ceremony, uniform and grooming standards, character development, and leadership skills.

At the 2018 State Explorer Competition, Our “A” team won the overall competition out of 40 teams with a total score of 389/400 points. This marks the fourth time in the past nine years that the LPD Explorer Post has finished #1 in the state! Our “B” team finished sixth overall, and our “C” team finished thirteenth. Our “A” team placed in the top three in all four events, our “B” team placed in the top three in one event, and our “C” team also placed in the top three in one event. For the last nine years, the LPD Explorer Post has continually placed in the top three in the state overall, taking first place in 2010, 2014, 2015, and now 2018. The Explorers and Advisor Cadre put in many hours of hard work in order to prepare for this competition, and we are very proud of their efforts. We have been working hard this year preparing for the 2019 competition, with the goal of repeating as State Competition Champions.

For the eighth year, the LPD Explorer Post was the largest group represented at the MYLETA Training Academy over the summer. Twenty-one Explorers successfully attended and graduated the academy, and several were chosen as squad leaders due to their performance and leadership skills. Our test scores were among the top in the entire academy including the highest overall test score, and we had three finalists competing for the overall physical fitness award.

Lieutenant Matthew Kreft completed his seventh consecutive year serving on the MYLEAC State Oversight Committee for Youth Police Exploring in the State of Michigan. Members are comprised of 15 police officers and medical professionals from around the state that sit on this committee, which is charged with organizing the statewide events, ensuring that all laws and regulations are being followed, and promoting youth police exploring in the State of Michigan. Lieutenant Matthew Kreft can be reached at TX: (517) 483-4613 or Matthew.Kreft@lansingmi.gov.

**Investigations Division**

Captain Thomas Fabus

The Investigations Division of the Lansing Police Department (LPD) has continued to provide innovative strategies to enhance public safety in our community through quality investigations, high clearance rates, and a proactive law enforcement response to reduce crime.

The **Investigations Division** consists of Detectives, Cold Case Detective, Special Operations/Narcotics Section, (SOS), Violent Crime Impact Team, (V.C.I.), Crime Scene Investigations Unit, (C.S.I.), Crime Research Analysts, and Division Secretaries. Combined within our division are the specialized services of the Capital Area Dive Team Water and Rescue Recovery. All our teams work together to enhance the capabilities for successful resolution to our investigations.

The **Investigations Division** was restructured to a new squad format to assist with specialized training and case assignments. The largest changes amongst our Detectives was assignments to “Major Case” and “General Case”. Major Case Detectives are typically assigned investigations which involve serious injury crimes against a person or violent crimes. Examples of their case-loads include homicide investigations, felonious assaults, armed robberies or other high-profile cases. General Case Detectives are typically assigned investigations which involve crimes against a person and property crimes. Examples of their case-loads include assaults, business burglaries, and home invasions. The ability to have smaller caseloads for Major Case Detectives has assisted with emphasis on improvement with clearance rates for violent crimes. In addition, members of the Major Case Team went to the Advanced Homicide Investigations Training at the FBI Academy, hosted by the International Homicide Investigators Association for the first time in LPD history.

The Investigations Division had numerous retirements with experienced Detectives reaching their retirement service. Detectives Mark Lewandowsky and Joel Johnson served extended time investigating violent crimes. Detective Eric Janzen was responsible for Domestic Violence investigations, Officer J. David Lomakoski served on the Violent Crime Impact Team. These talented employees worked with purpose and were valued members of our team. In addition, Crime Research Analyst Nicholas Gatt moved to private sector employment.

The **Special Operations/Narcotics Section** (SOS) had great success with several high-profile federal cases. These cases focused on individuals who sought to bring large amounts of drugs into our community. SOS Investigators also worked on neighborhood and quality of life issues in our city.

The **Violent Crime Impact Team** (V.C.I.) also works under the Special Operations chain of command. This team focuses on violent offenders and gun-related crime in the Capital area.

The Investigations Division will continue to work together to make our community a safer place for all. Thank you for your support and please know you have a winning team with meaningful work to serve the citizens in the City of Lansing. Captain Thomas Fabus can be reached at TX: (517) 483-4812 or Thomas.Fabus@lansingmi.gov.

Crime Scene Investigations Unit (C.S.I.)
Sergeant Chris Baldwin, Sergeant Ryan Wilcox
Officer David Lowndes
Officer Michael Lam
Officer Mark Stanley

Crime Scene Investigation (C.S.I.) requires the application of diligent and careful methods by which investigators recognize, identify, preserve, and collect evidence. This helps determine what actually occurred during the commission of a crime. The Lansing Police Department C.S.I. Unit is trained in crime scene processing, the care and handling of physical evidence, trace evidence, fingerprinting, photography, casting, and courtroom sketches. The Investigators are multidimensional as they are summoned to crime and accident scenes that involve many different structures, vehicles, terrain, weather, and a multitude of case investigators to satisfy interests. C.S.I. Investigators are committed to obtaining cutting edge training and identifying best practices within this discipline all in the interest of justice. Sergeant Chris Baldwin can be reached at TX: (517) 483-6846 or Chris.Baldwin@lansingmi.gov and Sergeant Ryan Wilcox can be reached at TX: (517) 483-6845 or Ryan.Wilcox@lansingmi.gov.

Violent Crime Impact Team (V.C.I.)
Sergeant Nick Hughett

In May of 2013, the Lansing Police Department took over the leadership of the Capital Area Violent Crime Initiative (V.C.I.). The V.C.I. is a collaboration of Federal, State, and Local law enforcement, as well as Prosecutors, Courts, and Community in the Capital Area Region. The goal of the initiative is to assist our community in reducing violent crime by deploying law enforcement resources in the capital area through a focused intelligence lead proactive policing philosophy. Emphasis will be placed on the area’s most violent offenders and intelligence related to areas with significant levels of street-level related violence. Sergeant Nicholas Hughett can be reached at TX: (517) 483-4469 or Nicholas.Hughett@lansingmi.gov.

Cold Case Detective

The Lansing Police Department Cold Case Squad was created in 2014 to address our unsolved murder cases and become the voice of crime victims. The Cold Case Investigator is responsible for the following related tasks: inventorying evidence and ensuring it is analyzed using the latest technology, seeking information from previously assigned investigators and re-interviewing witnesses and suspects when necessary. New approaches gained from cold case specific training and evolving methods in analysis of evidence have opened the door to many new possibilities. Detective Jones routinely works in conjunction with other law enforcement agencies and follows guidelines for leading best practices for case success. The Lansing Police Department recognizes the importance of solving as many open murder cases we can to bring those accountable to justice. As a result, the Lansing Police Department encourages all persons that may have information about an unsolved Lansing homicide to contact the Department as soon as possible. Detective Tracy Jones can be reached at TX: (517) 483-6813 or Tracy.Jones@lansingmi.gov.
The **Administrative Services Division** consists of the Property and Supply Unit, the Detention Unit, the Budget and Payroll Unit, the Training Unit which is broken down into the Firearms Training Range and then all other trainings, and the Special Tactics and Rescue Team (S.T.A.R.T.). Each of these units strive to support all functions of the Lansing Police Department in achieving the goal of providing the best service to the residents of the City of Lansing and its visitors.

The **Property and Supply Unit** consists of a sergeant, an officer and a civilian and they are responsible for all the equipment our officers need and use except for the firearms. This unit also is responsible for the custody of all evidence and found property that officers collect. This is a huge responsibility to receive, catalog, and retain thousands of items that are critical for the criminal prosecution of suspects and to bring justice for the victims of those crimes. The constant process of taking in items and releasing others that are no longer needed is always taking place. This unit also orders uniforms and ensures each officer looks their best to be one of “Capital City’s Finest”. This unit continued to refine the database used to track each item and was responsible for planning the department’s 125th Anniversary. This ceremony was a big responsibility and was very elaborate. The ceremony brought together current and former officers and employees to celebrate the pride we all have for this Police Department and the City in which we serve.

The **Detention Unit** is a vital part of the Lansing Police Department to maintain order and bring justice to those we serve. Partnered with the 54-A District Court this unit takes custody of all suspects that have committed crimes in our City. This department is not the only department that uses our Detention Unit. The Lansing Community College Police Department and the Michigan State Police use our Detention Unit to lodge their arrests that occur within Lansing city limits. The Detention Unit processed over 4,000 individuals in 2018. There are two officers assigned to this unit to handle all the arrest warrants and arraignments of these individuals. This is a vital part of the criminal justice system in asking for certain charges against the suspects. This check and balance gives the suspects their due rights to a fair process. The detention officers who work in this unit have to possess the skills to handle people that are at their lowest point in life. The emotional crisis and the dependency on alcohol and drugs of the suspects in custody makes the men and women who work in this unit very skilled in recognizing people in crisis both emotionally and physically. Several times a year they make life and death decisions on those subjects who need emergency medical attention and get others access to psychological professionals who can assess their condition.

The **Budget and Payroll Unit** is responsible for planning, monitoring, and keeping up-to-date the budget utilized to provide services to the residents of Lansing. This unit constantly analyzes expenditures and collaborates with State and Federal agencies to use grant money to provide some of these services. The other part of this unit is the payroll and individual time accrued used to make sure our officers get the pay they earned and the time off they need. This unit is vital to making sure the bills are paid and the money is used correctly for its intended use.
The **Training Unit** was increased to include a lieutenant and an administrative assistant to assist the sergeant in this unit. This increase in personnel has improved recordkeeping and tracking the money used to run the Training Program. The lieutenant and sergeant also are trainers for force-on-force tactics, de-escalation skills, and how to conduct a traffic stop. This unit also has a sub-section that is the Firearms Training Facility where a sergeant and an officer conduct all the firearms training and qualifications which includes decision-making scenarios that give our officers the experience that can be life or death decisions for innocent citizens and themselves. The hundreds of hours of training that our officers receive from the Training Unit is critical for the various aspects of policing a city the size of Lansing.

The **Special Tactics And Rescue Team (S.T.A.R.T.)** is our specially trained assignment that utilizes advanced tactics and equipment along with specially trained negotiators to peacefully resolve critical high-risk operations. This team consists of officers that volunteer to risk their lives for the citizens of Lansing to use whatever means necessary to resolve these incidents peacefully. They have hundreds of hours of additional training each year to make sure their skills are as good as they can be and to be proficient with various equipment to increase the safety of everyone involved. This team conducted over 50 high-risk search warrants and drug raids. They also handled several barricaded subjects and hostage incidents that occurred. They were called upon to attempt to arrest a subject who had shot at individuals and then some of our own officers who encountered him in March. This subject shot at our S.T.A.R.T. members in a vehicle and they had to use their training and equipment to stop him. They put their lives on the line to keep innocent people from being hurt or killed by this individual. This is just one incident of thousands over the years this team has been involved in to do everything possible to resolve things peacefully.

The Administrative Services Division will continue to do its part to accomplish the goals of the Lansing Police Department. Without the duties of this division, the mission of the Lansing Police Department would not succeed. I am grateful for all the men and women in this division for their tireless work ethic to do their part to make this department truly “Capital City’s Finest”. Captain Eric Eichenberg can be reached at TX: (517) 483-6841 or Eric.Eichenberg@lansingmi.gov.

Training Unit
Lieutenant Paul Beasinger
Sergeant Brent Sorg

The Training Unit is comprised of four full-time trainers, eight part-time trainers and one administrative assistant. The Training Unit is responsible for researching, planning and conducting training for all personnel. In addition to training personnel, members of the Training Unit conduct training on a regular basis for Detention personnel, 54-A District Court personnel, community groups, and Mid-Michigan Police Academy recruits. The dedication and commitment of the personnel within the Training Unit is evident as the department has become a leader in law enforcement training in the Mid-Michigan area. Lieutenant Paul Beasinger manages the Training Unit and can be reached at TX: (517) 483-4810 or Paul.Beasinger@lansingmi.gov.

Detention Unit
Lieutenant Justin Moore

Lieutenant Justin Moore supervises the Detention Unit. The unit is comprised of 21 employees in three different unions; Detention Officers, Contract Employees, and Sworn Personnel which include both supervisors and officers. Unit personnel value the dignity of all detainees in their custody and are responsible for humane care of arrestees, while lodged in Detention, as well as assisting with court processes. The maximum holding time for juveniles is 6 hours and adults are held no more than 72 hours.

Staff follows the departmental vision of building partnerships and utilizing innovative strategies for a safer, stronger community. They also strive for excellence that exceeds customer service expectations. Recently, behavioral health issues and co-occurring substance abuse disorders remain, so we continue our partnership with Par Rehab, which provides a 24/7 option of medical consultation for detainees who need further treatment while in custody. Lieutenant Justin Moore can be reached at TX: (517) 483-4658 or Justin.Moore@lansingmi.gov.

Court Officers
Officer Bradley Sampson
Officer Stephanie Kennedy

The Court Officers are a vital part of the Lansing Police Department. When the Patrol Officers arrest a suspect or write a report on a suspect that they cannot locate, the Court Officers continue the process towards justice being served. They also are a crucial part of making sure the citizens of Lansing are safe by working with the City Attorney Office and the Ingham County Prosecutor Office to bring charges against these individuals that commit serious crimes in our city.

The Court Officers are responsible for making sure the reports and other required documents are complete and turn them over for charges to be issued. This is just a small part of what these Officers do. They also pick up reports and warrants on cases where the suspects have not been arrested. They take all the warrants and they swear to the information in front of a Judge or Magistrate for the facts of the case. They then are responsible for all the individuals that are in custody getting arraigned. This is a necessary task for the suspect to be formally advised of the charges and a bond to be set by the Judge or Magistrate. This does not end the process for the Court Officers on each individual case. They also have to document in multiple data systems the outcome of the arraignment.

Other Court Officers responsibilities include transporting evidence to and from the crime lab in certain cases to maintain a proper chain of evidence. When results are done from the crime lab they are responsible for documenting and presenting those cases for warrants if the results connect a suspect to the crime.

All of these tasks would have to be done by our Patrol Officers if it was not for our Court Officers doing it. That would mean fewer Officers to respond to emergency 911 calls. It takes several hours to process a single case from start to finish and the ability to have these Officers process several cases at one time is a testament to their work ethic and helps the Lansing Police Department be more efficient in protecting the citizens of Lansing.

Special Tactics and Rescue Team (S.T.A.R.T.)
Sergeant Kevin Schlagel

The Special Tactics and Rescue Team are led by Lieutenant Eric Eichenberg, Team Commander. The 1973 Crime Control Act enabled federal funding for police tactical units. The Lansing Police Department applied for and received such a grant, allowing the Lansing Police Department tactical team to be formed. From the beginning, the team was given the designation as the "Special Tactics and Rescue Team" (S.T.A.R.T.) The mission of the team is to save lives. Since the team’s inception, that mission has never changed. It is accomplished by the application of specialized training, superior logistical support, and team member dedication. City residents, the Department, and team members are proud of the job S.T.A.R.T. does on an ongoing basis. Sergeant Kevin Schlagel can be reached at TX: (517) 483-4838 or Kevin.Schlagel@lansingmi.gov.

Staff Services Division
Captain Cherie Ballor

The Lansing Police Department (LPD) Staff Services consists of both sworn and civilian personnel. Our primary mission is to provide administrative and operational expertise and customer service to staff and citizens of Lansing. The dedicated hard working staff performs a variety of duties and services to meet the needs and requests by the citizens of Lansing, police and city personnel.

Central Records: This year four (4) new full time Police Technicians were hired in Central Records. Central Records personnel process police reports, accident reports, uniform citations, Freedom of Information requests, conduct background checks, notary service and ride along applications. Additional services performed at Central Records are fingerprints for backgrounds; processes purchase permits and gun registrations. Our work group includes other specialized employees; Data System Administrator who maintains and manages various critical core systems within LPD including the records management system. Fingerprint Technician, who examines, analyzes and compares fingerprint evidence for criminal investigations. His expertise is critical to Lansing Police Department investigations.

Recruiting and Hiring: Sergeant Jason Spoelma is the Staff Services Sergeant. He works closely with the City of Lansing Human Resources Department in the hiring and management of personnel. Our recruiting team attended 54 events throughout the year. Additional responsibilities include coordinator with the Mid Michigan Police Academy, scheduling of the New Hire Orientation and Reception, MCOLES reports, Internship Program, promotions, transfers, ride-alongs and the yearly Awards Program.

Technology and Technician Services: The LPD has implemented several technology projects. The biggest project was the implementation of the Axon Fleet cameras into the vehicles. Currently, officers are wearing Axon body cameras. The Axon Fleet cameras are a replacement for cameras already in the police vehicles. This change allows an officer to carry only one device to activate both the body worn and vehicle camera. Other technology projects included the purchase and implementation of Nc4 through grant monies. This technology tool provides officers access to real time crime data while on patrol. It enables officers to share relevant, structured and unstructured information through situation based bulletins and police blogs. Tablets were purchased for Field Training Officers and Motorcycle Officers to improve efficiency while they are in the field. We continue to improve speed and efficiency with the State Records Management System.

Electronic Equipment Maintenance Unit is led by Walter Doherty, Radio Engineer. This unit is responsible for the installation and maintenance of all FCC radio communication systems, including vehicle/building video recording access equipment. This unit was instrumental in the implementation of the Axon Fleet System. Ingham County 911 will be implementing a new radio system which will impact agencies county wide. Radio Engineer Doherty has been working on this project.

Our staff is dedicated in providing support and quality customer service to the staff and citizens of Lansing. Thank you for your continued support. Captain Cherie Ballor can be reached at TX: (517) 483-4647 or Cherie.Ballor@lansingmi.gov.

**Electronic Equipment Maintenance Unit**
Walter Doherty, Radio Lab Engineer
Dennis Rouhiër, Radio Lab Technician
Jerid Minich, Radio Lab Technician

This unit is responsible for the installation and maintenance of all FCC radio communication systems, including vehicle/building video recording access equipment.

The Electronic Equipment Maintenance Unit consists of Walter Doherty, Radio Engineer, Dennis Rouhiër is the Radio Technician, and Jerid Minich, Radio Lab Technician.

The Electronic Equipment Maintenance Unit were responsible for the following projects:

- **Axon Fleet**-Purchased and began installation of Axon Fleet by the Radio Lab in conjunction with IT department. This system is the same as the body cameras so the officers are only wearing one device. This system will replace the L3 in car cameras used in Police Vehicles.
- **Axon** replaced cameras and audio/video equipment in the interview rooms at the Operations Center and Detention.
- **NC4**-Purchase and began implementation of the NC4 system. This technology tool gives officers access to real time crime data while on patrol. This tool enables officers to share relevant, structured and unstructured information through situation based bulletins and police blogs.
- **Tablets for Motorcycle Officer** – Officers are able to write tickets and accident reports electronically from their motorcycles. This improves productivity and efficiency with the Officers, Central Records and the Court.
- **Tablets for FTO-Officers** are able to use the tablets to complete daily evaluations to be typed and scored electronically on Officers in training. This can be done in their vehicles without having to wait until the end of shift.

Throughout the year, the unit works diligently to relocate and upgrade Public Video System cameras, updates radio equipment and upgraded selected detention video system cameras. Walter Doherty can be reached at TX: (517) 483-4840 or Walter.Doherty@lansingmi.gov.
Recruiting and Hiring Team
Sergeant Matthew Kreft
Sergeant Jason Spoelma

In 2018 the Lansing Police Department (LPD) worked in collaboration with the City of Lansing Human Resources Department in conducting several hiring selection processes. LPD created a Power Point presentation to training recruiters, created material for Detention recruiting, updated flyers and handouts for Police Recruit position, and created a recruiting email address. The new Staff Services Sergeant provides recruiter embedded responsibilities and is responsible for day-to-day operations. LPD increased Ride-Alongs to 120 as a recruiting tool and increased contact direction with the applicant to keep them engaged in the hiring process. In total, the City of Lansing hired a total of sixteen (16) police officers, (6) recruits sponsored to the Mid-Michigan Police Academy (August and January 2018), (5) recruits sponsored for the Mid-Michigan Police Academy (December and January), (3) cadets, (12) interns, (6) detention officers and (5) civilian personnel. An Academy Power Point Presentation was created to train new recruiters. Materials were created to recruit Detention Officers, and flyers and handouts were updated for Police Recruits. A recruiting email address was created to streamline communication. Sergeant Jason Spoelma can be reached at TX: (517) 483-6882 or Jason.Spoelma@lansingmi.gov.

LANSING BOARD OF PUBLIC SERVICE BUDGET PRIORITIES RESOLUTION
JUNE 13, 2019

RESOLVED, recognizing the financial challenges facing the City of Lansing (“City”) and its Public Service Department (“Department”), including the Department’s obligations to comply with numerous mandates, including unfunded mandates, the Lansing Board of Public Service supports the efforts of the Department.

RESOLVED, the Board of Public Service supports and recommends the following budget priorities to the Lansing City Council for consideration with Council's Budget Policies and Priorities for the Fiscal Year July 1, 1920–June 30, 2021:

1. General Fund levels should be increased for implementation of the City's Street System Asset Management Plan, and for additional funding for reconstructing neighborhood streets with a Pavement Surface Evaluation Rating of 4 or lower. We encourage support for the department to look for new and innovative ways to extend the life of our existing streets and seek additional funding.

2. Increase compliance with the City’s Complete Streets Ordinance, and additional funding of the sidewalk gap closure program, sidewalk repairs and right-of-way maintenance and improvement, consistent with keeping safety a priority for Lansing residents and visitors, while meeting or exceeding the compliance with the Americans with Disabilities Act.

3. Increase funding to update and improve the fleet of city vehicles, with specific priority for the Public Service Department;

4. Increase funding for the cleaning and maintenance of our wastewater aeration basins to remove sludge and silt buildup from the bottom of these tanks and repairing them once cleaned. This will allow us to be at or above the recommended guidelines.

5. The City should approve a budget to: (i) expand opportunities for multi-family residential and business recycling; and (ii) implement organic waste recovery;

6. Follow recommendations of the energy audit of all facilities and properties to save on energy and cut costs by replacing wasteful devices with ones that are energy efficient and reduce the carbon footprint of the City of Lansing.

7. Fund training and work with federal, state, county, local municipalities, and organizations to become a leader in PFAS regulation, testing, monitoring and enforcement.

RESOLVED, as the Department generates savings through improved efficiencies in service delivery and other areas, these savings should be maintained within the Department.

Claims Committee,

I would like to appeal the decision you have made in my yard waste complaint. I do appreciate the removal of a third of the charge, but unfortunately, I am a single parent of 2 and I have recently started an internship at the city. Please reconsider your decision and I will maintain yard within the city regulations.

Thank you for your time,

Laurie Douglass

DATE OF INCIDENT: 2/13/19 AMOUNT YOU WERE BILLED: $1021.00
TOTAL AMOUNT YOU ARE CONTESTING: $1021.00

TYPE OF ASSESSMENT: 

Please give a detailed description of the circumstances surrounding the incident, including why you feel the City should not have charged you this fee. You may attach additional pages or documentation to this form as needed.

Please see attached letter for:
- Detailed description of circumstances
- Reasons for noncompliance and fees
- Why fees charged should be forgiven

A description of the claims review process is available on our website at: http://www.lansingmi.gov/attorney/Claims_review_process.jsp
Detailed Description of Circumstances:
This fee was obtained due to leave bags on the curb outside of my house that I had placed there in January, just before it was time to put Christmas trees outside for City pick-up (which the City did not pick up during the scheduled week and trees littered the streets). All the early snow we had gotten, knocked the leaves of my trees and when it all melted, I took the opportunity to clean up my yard. By cleaning my yard, I prevent many leaves from going into the road, clogging the low drains on the 2 south corners of Palmer and Berry Streets. I have been out there in my work clothes early in the morning, late at night, and once with my daughter on her birthday raking/shoveling the leaves and trash that completely cover the drains during heavy rains. When the street drains are completely covered, the water backs up in the roads causing the streets to flood so much that it floods over the curbs. When the water floods over the curbs, my yard then floods causing my basement to leak. When my basement leaks it causes black mold to grow and then my stuff gets ruined costing me a lot to replace the clothing, bedding, towels etc. My thought was that they would pick-up the bags at the same time as the Christmas trees.

Reason for Non-Compliance of Violation to acquire a fee:
I thought the notice was my 3-month trash bill, so I didn’t open it. I was so excited and thankful that the yard waste bags had been collected. That evening I opened that trash bill and it wasn’t the regular 3-month trash bill, it was a notice and deadline for the violation and my yard waste bags had already been picked up. It was sent on white paper in a normal Trash envelope. When I was tagged for my sidewalks they stuck a bright green notice on the front door. I immediately noticed the violation and shoveled when I got home. Had I realized the yard waste notice was not the trash bill, I would have opened it right away and complied with the notice request date. I had also planned on re-bagging them when it got nicer for easier pick-up. Next time there is a weather break and I clean up the yard waste on the off time, I will not place my bags by the curb. Something to consider after we have a nice weekend, opening a mid-winter yard waste pick up. Or start/stop yard waste collection based on the weather.

Why fees charged should be forgiven due to:
The continued community street cleaning services I provide when the streets are flooding night or day. During the previous years I have lived here, the City’s involvement and enforcement was almost nonexistent. Please understand the enforcement is welcome and will be expected in the future. Also, my yard waste was collected a week or so before other neighbors started putting their yard waste bags on the curb. I promise I will be more diligent at opening my mail too. Please let it be a warning this time and I will comply with city codes to the best of my ability and correct any future violations received before the allotted time. I do appreciate the efforts to maintain my neighborhood and create a safe and beautiful place for my family to live. Thanks for your consideration and understanding in this matter.

Re: Claim – 3241 Palmer St.

Dear Ms. Douglass:

Please be advised that the Claims Review Committee reviewed your claim in the amount of $1,021.00 regarding a trash violation at the above address and GRANTED a portion of your claim, in the amount of $358.00. **Your new balance due is $663.00**

Enclosed please find a Release for your review and signature. If the decision of the committee meets with your approval, please sign the release in front of a witness and have the witness also sign the form, then return the signed Release to this office. Once our office receives the signed Release with both signatures, we will request the amount be removed from the tax rolls, or a refund issued if the penalty has been paid.

You have the right to appeal the decision of the Claims Review Committee to the Lansing City Council. If you desire to do so, please submit your appeal in writing, within thirty (30) days of the date of this letter, to the Lansing City Clerk, 9th Floor, City Hall, Lansing, MI 48933, for placement on the Council’s agenda.

Thank you for your cooperation in this matter. If you should have any questions, please feel free to contact me.

Sincerely,

Venus Kumar
Paralegal

Enclosure
RELEASE

In consideration for the payment of $358.00, by the City of Lansing, which will be remitted to me upon receipt by the City of this signed Release, or said amount reduced from the tax roll if the assessment has not been paid, I, LAURIE DOUGLASS (the "undersigned"), for myself, my heirs, executors, administrators, representatives and assigns hereby release and discharge the City of Lansing, its officers, officials, employees, agents, insurers and any other person, firm, or corporation charged or chargeable with any responsibility or liability, from all claims, demands, actions or causes of action regarding the special assessment for a trash violation on property located at 3241 Palmer St., Lansing, Michigan.

The undersigned understands and agrees that this payment is the sole consideration for my release and is in full and complete settlement of all claims resulting from any damage. The undersigned warrants that no promise or inducement has been offered or made for my release, except as herein set forth; that this Release is executed without reliance upon any statement or representation by any of the parties released herein, or by their representatives concerning the nature and extent of any damage or injury or the legal liability therefore; and that the undersigned is of legal age and legally competent to execute this Release and accepts the full responsibility therefore.

The undersigned understands that none of the parties released admit liability of any kind and this payment and settlement in compromise is made to terminate further controversy respecting claims for damages that the undersigned has heretofore asserted or that the undersigned or his/her heirs, executors, administrators, representative or assigns might later assert.

In witness whereof, I have hereunto set my hand this _____ day of MAY 2019.
