Minutes
MOTION BY COUNCIL MEMBER WASHINGTON TO APPROVE THE MINUTES FROM JULY 24, 2014 AS PRESENTED. MOTION CARRIED 3-0.

Action/Discussion
Human Rights Ordinance Discussion (Begin at 297.11)
The Committee began at Section 297.11 reviewing each item, addressing the topic of the form of notification to the applicant that their complaint was received. Council Member Boles suggested within 7 days. The group decided to add “within 14 days the claimant should receive a response that the claim was received.” This would be added as a new 297.10 (2).

297.11
Council Member Wood asked if the Department should send out something if there is not enough evidence. Council Member Washington agreed a letter stating the claim was not substantiated and what their next steps would be. Council Member Wood stated the
Department should determine the timeline and therefore Mr. Brantley in HRCS should provide the timeline. Then the ordinance will now state “if the department determines not enough evidence for a complaint, a letter will be generated.”

Item (c) will change to (d).

Council Member Wood asked Law if there needs to be notification that the case is closed. Mr. Kulhanek referenced 297.12 which clarifies notification if it would be an adverse determination.

297.12
No amendments.

297.13
Council Member Boles asked if (b) would be an apology should be specific to “verbal” or “written”. Mr. Kulhanek encouraged keeping it as is, to leave it open so they can figure it out for the best avenue, and this section is a mediation step. Ultimately we want a conclusion where everyone can accept. Council Member Wood added that the notes from the mediation would have that the verbal apology was accepted.

(g) Discussion on implementation, and what the current ADA avenue is. Council Member Wood asked Mr. Lane to research the ADA portion, and if that is used for characteristics, or does the Committee put that “term” in the ordinance. Council Member Boles also referenced Title 7 & 9 of ADA and AHA. Council Member Washington noted that some parks, such as Bancroft Park has a terrain where they cannot require ADA compliance, but they accommodate with terrain wheel chairs on site.

297.14
Council Member Wood referenced (e) and asked if they were standard amounts. Mr. Kulhanek stated that the amounts were decided 2006 and can’t go higher, and actually $150 is high for first violations compared to other violations. After the 3rd violation, each violation will be $500.

297.15
No amendments.

The review of the ordinance was completed.

The Committee went thru the list of changes so far. Mr. Lane will continue pursuing information on a definition of “Veterans”, Council Member Washington will research the State definition on bully for 297.07 (a).

Council Member Wood noted that future Ad Hoc on Diversity will have Bob Perialis from LBWL to discuss billing and its effects, Council Member Yorlko is working on a training session on Social Justice, so the group should come with date options for a September meeting. Dr. Joan Jackson Johnson will be invited back to go over new regulations on housing not just how it effect the ordinance, but get an update in general. If someone from MSHDA would be better to present, they will be invited. The Chief of Police will be invited to offer a refresher course on police complaints, civilian complaint process and training procedures.

Ms. Levine stated there are currently no trainings with TCOA, but will update the Committee as they are scheduled. They are working on an elder abuse grant.

Council Member Wood added she will be inviting Sgt. Traci Ruiz with TRIAD to overview their programs.
Ms. Prince spoke about the Maple Wood facility, and the time limit to leave the site, encouraging the Committee to work on assistance for chronic homelessness. Council Member Wood asked Mr. Lane to research a recent article about a situation in Washington DC where they can no longer prohibit the homeless from sleeping in public. Council Member Wood also offered to contact Dr. Joan Jackson Johnson to speak about it also.

Updates
Ms. Locke informed the Committee that there is an Advisory Committee with the Department of Labor in Washington that examining Ability 1 which is a Federal Agency which addresses the sourcing of contracts. If the item goes thru the House then passes the Senate there would be deal issues for Peckham.

Action/Discussion
Human Rights Brochure
Council Member Wood distributed the Human Rights Brochure for everyone present. Mr. Purchase then was acknowledged for his work on the brochure.

Mr. Anguiano updated the Committee on a recent Senate Bill (445) in discussion that would allow police perform a traffic stop if they believe someone looks undocumented. They then can be reported to I.C.E. Council Member Wood asked Mr. Kulhanek of the City ordinance would allow someone to file a complaint with the City if the LPD stopped them. Mr. Kulhanek did not have an exact answer at the time. Mr. Anguiano stated his opinion that if it is a Federal Law the LPD would have to enforce it. Council Member Boles noted that sensitivity training was done in
the past with LPD and could do more for ongoing training. Ms. Womboldt noted the elderly are also afraid to report items to the LPD.

Human Rights Ordinance Discussion (Begin at 297.08)

The Committee reviewed the spreadsheet that detailed all the recommendations, and added:

- Add to the spreadsheet – definition of veterans
- Add to the spreadsheet breast feeding
- Any HUD findings under housing section

A review of the ordinance began at 297.08

Council Member Boles asked for clarification on item (b) (1) if this would address the recent complaint the Committee heard occurred at the CATA station. Some group members believed this was to create an exception to the statute to apply to a school/health club, etc.

(c.)(1) Dr. JJJ should be reporting back on any potential issues with HUD.

(c) (2) housing or accommodations – separate by gender? Examples include treatments centers, homeless centers and battered woman facilities. Further research and consideration

297.09

(d) Council Member Boles asked if there are changes needed with the changes at the National and Federal level and discussions on those affected, in the case of the retailer and benefits. This includes benefits. Council Member Wood noted the ordinance currently does match the court case. Council Member Washington noted this section addresses religious organizations not the retail store owned by a religious group. Mr. Kulhanek noted the current ordinance already covers it, the case Council Member Boles references was Obama Care. It is possible this item could now be mute because of that, therefore the provision could go.

(i) remove “in contravention of Article 1, Section 25 of the Michigan Constitution”. Add “… to provide benefits to unmarried domestic partners.”.

297.10

(b) depending on the department that will handles the situation, that department needs to define “confidential”, and does it include electronic, or non-accessible.

(c) add the process from the brochure where staff will contact within 45 days

(2) need to define who determines “undue burdens”. Should the assistance be offered to include the word “advocate, or staff or advocate or resources.”

Renumber this section.

(4) now (5) - review again

Add (7) to match list in brochure that lists others than City Attorney. “Michigan Department of Civil Rights, County Prosecutor, or other appropriate enforcing agency.”

Next meeting start at 297.11

FOOTNOTE(S):

--- (30) ---

Editor's note—Ordinance No. 1120, § 1, adopted December 18, 2006, added a new chapter 297 to read as herein set out. Formerly, such chapter pertained to human relations and was repealed by Ord. No. 957, 11-25-96.

297.01. - Intent.

The City finds that discrimination on the basis of irrelevant characteristics exists and that it adversely affects all citizens and the quality of life and opportunities available to all people.

And is therefore addressed by this Chapter declaring that discrimination or harassment against any person because of irrelevant characteristics, including actual or perceived race, religion, ancestry, national origin, color, sex, age, height, weight, student status, marital status, familial status, veteran status, political affiliation or belief, sexual orientation, gender identity or expression, mental or physical limitation, or source of income is prohibited.

Subsequent single and discrete occurrences shall result in additional violations according to the above schedule (for example, two separate instances of racial epithets would constitute a first and second violation).

   (2) For offenses that are continuing in nature, rather than single and discrete, the first violation shall accrue with the first day of the occurrence, and subsequent violations shall accrue for each additional day of that occurrence (for example, an impermissible hiring practice that continues each day on an ongoing basis).
