RESOLUTION #2019-071
BY THE COMMITTEE ON INTERGOVERNMENTAL RELATIONS
RESOLVED BY THE CITY COUNCIL OF THE CITY OF LANSING

WHEREAS, the following FY2018/2019 transfer be approved:

$2,500.00 from City Council Temporary Help-Contractual 1012101.743050
$2,500.00 from City Council Equipment 1012101.977000
$5,000.00 to Public Service Contractual Services 1014603.743000

WHEREAS, to provide funds towards Phase 1 of the City of Lansing Climate Action Planning Project. With the assistance of Commons Logics, LLC the following items will be performed under Phase 1:

- The Phase 1 will focus on the City’s infrastructure and operations. This will include meetings with City staff to finalize goals, objectives, identify data needs and availability and confirm the project schedule. This project scope will include data collection and analysis creating a gap analysis for data needs, identify data available and compare data required to achieve future phases; and

- The assessments in this phase will determine sustainability of projects/activities already in action and the corresponding level of impact. This will allow the assessment of internal change management and communication needs for the plan. The plan will identify potential funding sources to assist with implementation and evaluation of the plan progress; and

- The Climate Action Planning Project will identify opportunities for immediate implementation, set short term goals, and develop the Climate Action Plan to establish a GHG baseline, sources to assist in implementing and monitoring the plan, short term goals and other recommendations.

NOW THEREFORE BE IT RESOLVED, the City of Lansing City Council will authorize a transfer of $2,500 from City Council Temporary Help-Contractual and $2,500 from City Council Equipment to Public Service Contractual Services for the Phase 1 of the Lansing Climate Action Planning Project, with the understanding that the balance of the contract shall be paid for from the Public Service Department.

BE IT FURTHER RESOLVED, the contractor, Commons Logics, LLC through the Committee on Intergovernmental Relations will provide the deliverables to include the final report summarizing all data, findings and recommended next steps for implementation and subsequent phases no later than October 1, 2019.
RESOLUTION #2018-246
BY THE COMMITTEE OF THE WHOLE
RESOLVED BY THE CITY COUNCIL OF THE CITY OF LANSING

WHEREAS, the Charter of the City of Lansing requires the Council to adopt an annual statement of Budget Policies and Priorities serving to guide the Administration in developing and presenting the Fiscal Year 2019-2020/2021 Budget; and

WHEREAS, the City Council established the following Mission/Vision and goals; and

The City of Lansing’s mission is to ensure quality of life by:

I. Promoting a vibrant, safe, healthy and inclusive community that provides opportunity for personal and economic growth for residents, businesses and visitors
   a. The City’s diverse economy generates and retains (sustains) high quality stable jobs that strengthen the sales and property tax base and contribute to an exceptional quality of life.
   b. The City is governed in a transparent, efficient, accountable and responsive manner on behalf of all citizens.
   c. The City’s neighborhoods have various resources that allow them to be on a long term viable and appealing basis.
   d. Support economic development initiatives that promote and retain new industries and markets.

II. Securing short and long term financial stability through prudent management of city resources.
   a. Wise stewardship of financial resources results in the City’s ability to meet and exceed service demands and obligations without compromising the ability of future generations to do the same.
   b. Pursue and facilitate shared services regionally that allow for cost savings and revenue enhancement.
   c. Support initiatives that build the City’s property and income tax base.

III. Providing reliable, efficient and quality services that are responsive to the needs of residents and businesses.
   a. The City’s core services and infrastructure are efficiently, effectively and strategically delivered to enable economic development and to maintain citizen’s health, safety and general welfare.

IV. Adopting sustainable practices that protect and enhance our cultural, natural and historical resources.
   a. Seek partnership opportunities with educational and corporate institutions and to maintain and expand our talent base.
   b. Create vibrant places, support events and activities that showcase our waterfront and green spaces.
   c. Raise the level of support for projects and initiatives that showcase local and state history.
V. Facilitating regional collaboration and connecting communities.
   a. The City has a safe efficient and well connected multimodal transportation
      system that contributes to a high quality of life and is sensitive to surrounding
      uses.
   b. Seek a balanced distribution of affordable housing in the tri-county region.

WHEREAS, the City Council would like to continue its commitment, if funding is available,
to:
   • Maintain and improve the City’s infrastructure;
   • Preserve and ensure clean, safe, well-maintained housing and neighborhoods;
   • Provide comprehensive and affordable recreational programs and youth and
      family services;
   • Explore alternatives for improved efficiency in service and delivery; and

WHEREAS, in considering these Fiscal Year 2019-2020 2020/2021 Budget priorities, the
Administration is encouraged to ascertain the feasibility of funding any new programs
through either the reduction of spending in existing program areas or the exploration of
new funding sources that would assure the sustainability of the program; and

WHEREAS, the Administration was encouraged to supplement, not supplant any existing
resources for police, fire and local roads with the General Fund revenues collected under
this millage; and

WHEREAS, the Administration is requested to include in its Fiscal Year 2019-2020 2020/2021
Budget, the necessary funding to accomplish all requested plans, studies,
evaluations, reviews, report submissions, program assessments, and analyses noted
within this resolution below, or alternatively documentation as to why such activities are
prohibitively costly; and

WHEREAS, the Lansing City Charter states that the budget proposal due on the fourth
Monday in March of each year shall contain “the necessary information for understanding
the budget” and how the proposal addresses the priorities proposed by the City Council.

NOW BE IT RESOLVED, that the Lansing City Council, hereby, acknowledges that the
City will likely need to adopt, at best, a budget which recognizes the structural changes
that are the result of lost revenues and future liabilities, encourages the Administration to
prudently develop next year’s budget with the following conditions:

   • Protection of public and emergency services.

BE IT FURTHER RESOLVED, that the Administration is requested to review the attached
statement of policies and priorities and implement those items that would boost
efficiencies to increase productivity or reduce costs, that could replace existing
programming, or if funding becomes available, that could be considered as new
programming; and
BE IT FURTHER RESOLVED, that the Administration is requested, to the extent practicable, to include non-appropriations clauses and other similar out provisions in existing and future leases, and vendor contracts upon review of City Council; and

NOW THEREFORE BE IT FURTHER RESOLVED that the Administration is requested to develop and provide all plans, studies, evaluations, reviews, report submissions, program assessments, and analyses noted as set forth below in this resolution, or alternatively, documentation as to why such activities were prohibitively costly, by the fourth Monday in March 2019 March 2020.

(1) Pursue partnerships with stakeholders, (intra municipal and intergovernmental), to align services in relation to public services.

(2) Facilities Plan: Submit to the City Council a five and ten-year Master Facilities Plan including school and county facilities that are used for current and future City uses. City Council is also requesting that the Administration continue to work on any delayed maintenance issues with regard to all City Facilities.

c) Support initiatives that build City’s property and income tax base

III. Providing reliable, efficient and quality services that are responsive to the needs of residents and businesses.

a) The City’s core services and infrastructure are efficiently, effectively and strategically delivered to enable economic development and to maintain citizen’s health, safety and general welfare.

(1) Establish funding for two additional Code Compliance Officer as well as an additional support staff to track down property owners that have not scheduled re-inspection and to research properties suspected of being unregistered rentals.

(2) City-wide Emergency Preparedness: Allocation of sufficient funding for the Emergency Management Division to prepare City Employees with appropriate emergency training, continue efforts to prepare the public and neighborhood groups to assist in emergencies, and provide basic search and rescue operations and necessary emergency equipment at key City facilities, and communicate the plan to the Lansing City Council and the public. Updated and continual training should be provided. The Administration shall assist residents in times of unforeseen disasters.

(3) Fire Facilities Maintenance: The Administration is to conduct a study of the maintenance needs of all fire stations and report to City Council an update of the status of the study by the 4th Monday of March. Along with a funding recommendation for short and long-term improvement to these structures.

(4) Regionalism: The Administration should continue with the current regional efforts and look into the possibility of expanding the efforts.
(5) Police-Community Relations: Designate funding to help the Police Department to ensure the improvement of police-community relations. Reaffirming the City’s commitment to equality and freedom for all people regardless of actual or perceived race, sex, religion, ancestry, national origin, color, age, height, weight, student status, marital status, familiar status, housing status, military discharge status, sexual orientation, gender identification or express, mental or physical limitation, and legal source of income.

(6) Crime Prevention: Designate funding to invest in programs for long-term crime prevention strategies.

(7) Allocate Overtime for Problem Solving Area: Designate sufficient funding for overtime for police officers to address problem solving to help certain crime and address quality of life issues.

(8) Community Policing: Continue and increase funding along with searching for grant funds for COPs in neighborhoods with a goal not only to reduce crime but to stabilize the neighborhood over an extended period of time that will help to ensure its ability to rebound.

(9) Establish a Community Policing within the 2nd Ward.

(10) Leadership vacancies: Develop and implement a plan and timeline to fill all funded vacancies and provide a report to City Council.

(11) Front –loading of Police Officers: Continue to front-load Police Officers so that we have officers ready to take the road when officers retire.

(12) Increase street sweeping, especially areas heavily traversed by bikes.

(13) A study to determine the effectiveness of traffic calming and what measures may be successful and funding to implement.

IV. Adopting sustainable practices that protect and enhance our cultural, natural and historical resources.

a) Seek partnership opportunities with educational and corporate institutions and to maintain and expand our talent base.

b) Create vibrant places, support events and activities that showcase our waterfront and green spaces.

(1) Trail/Greenways Encouraging the Parks and Recreation Department to work collaboratively with the Tri-County Planning Commission to
develop/expand our citywide/regional trail system and seek opportunities to reduce expenses in this effort. Additionally, look at the feasibility of connecting the River Trail (through bike lanes/Greenways to Trails) where there is currently no access to the trail.

c) Raise the level of support for projects and initiatives that showcase local and state history.

V. Facilitating regional collaboration and connecting communities

a) The City has a safe efficient and well-connected multimodal transportation system that contributes to a high quality of life and is sensitive to surrounding uses.

(1) Corridor: City Council encourages the Administration continue to develop a plan and report its status to the Lansing City Council that seeks to revitalize and enhance all major corridors that lead into the City.

b) Seek a balanced distribution of affordable housing in the tri-county region.

OPTION TO ADD THE 2019 BOARD OF PUBLIC SERVICE LIST HERE

RESOLVED, recognizing the financial challenges facing the City of Lansing (“City”) and its Public Service Department (“Department”), including the Department’s obligations to comply with numerous mandates, including unfunded mandates, the Lansing Board of Public Service supports the efforts of the Department.

RESOLVED, the Board of Public Service supports and recommends the following budget priorities to the Lansing City Council for consideration with Council’s Budget Policies and Priorities for the Fiscal Year July 1, 2018—June 30, 2019:

1. General Fund levels should be increased for implementation of the City’s Street System Asset Management Plan, and for additional funding for reconstructing neighborhood streets with a Pavement Surface Evaluation Rating of 4 or lower;

2. Continued implementation of the recommendations in the City’s Complete Streets Ordinance, and funding of the sidewalk gap closure program, sidewalk repairs and right-of-way maintenance and improvement, consistent with keeping safety a priority;

3. Increase funding to update and improve the fleet of city vehicles, with specific priority for the Public Service Department.
4. Continued support for maintaining, keeping current and updating of the City’s Cityworks Asset Management Software, consistent with legal requirements and improved efficiencies, along with other financial considerations;

5. The City should approve a budget to: (i) expand opportunities for multi-family residential and business recycling; and (ii) implement organic waste recovery;

6. Explore the establishment of a Material Recovery Facility (MRF) for the recovery of recyclable commodities; and

7. The Department’s efforts to secure approval for the implementation of the Wet Weather Program, submitted to the Michigan Department of Environmental Quality in 2011.

RESOLVED, as the Department generates savings through improved efficiencies in service delivery and other areas, these savings should be maintained within the Department.
