Public Comment on Agenda Items
No comments at this time.

Discussion/Action:
RESOLUTION – Objection to Issuance of the SDM License for Rite Aid of Michigan, 1004 E. Michigan Avenue, Lansing MI 48912
Mr. Brown with Carl, Edwards and Brown, representing as the Rite Aid Counsel, stated his opinion that the Council had a misunderstanding of what was “agreed” to in previous years, and believes they store has the right to request the license for the Special
Designated Merchant (SDM). To his knowledge, Mr. Brown stated Rite Aid does not have any written document that stated they would never apply for a SDM License. The belief is that when this location moved from Washington Square they did apply, but because of the opposition at the time they withdrew and only applied for the Special Designation Distributor (SDD) and in 1999 withdrew the application because of the concerns raised by the churches and the proximity to the schools. Council Member Washington noted for Mr. Brown that even though Eastern is no longer active there still other churches and day cares in the area. Council Member Wood acknowledged Mr. Brown for his recollection, and noted that she was present when the first license was applied for and to her recollection it was a verbal agreement because there were churches, schools, and neighborhoods that were all concerned at that location. At this time, it was brought to Council Members attention that there has been no discussion with those surrounding uses and they are still concerned with another alcohol establishment in that area of the City. In particular, Council Member Wood referenced an email from the East Side Neighborhood Association, and Council Member Washington added she has also heard from the Green Oaks Neighborhood verbally who were opposed. Council Member Jackson asked Mr. Brown if this was changing the status of the business or if they were just asking for what they did not pursue when Eastern was there. Mr. Brown clarified that they never did ask for the SDM License that request was withdrawn, but they do not have a SDD License either. Council Member Wood added to the conversation that the agreement at the time was a gentlemen’s agreement to not have “any alcohol” at the time. Council Member Jackson then asked if there was going to be any neighborhood input. Council Member Washington clarified this does not require a public hearing, but a draft resolution to the State was in the packet for adoption. Mr. Brown was asked when the hearing at the State was set for, and stated that currently there is no date; the State was waiting on a response from the City based on the letter Council Member Washington sent in opposition. Council Member Wood recommended that Mr. Brown and Rite Aid hold a meeting with the community to see if they voice their same objections, before Council acts on this resolution. Mr. Brown agreed and Council Member Washington stated she would provide his contact information for Nancy Mahlow for a neighborhood meeting within the next couple weeks. Council Member Jackson suggested that Rite Aid representatives attend the meeting as well to provide an opinion of support for the license. Council Member Washington assured Mr. Brown that after the neighborhood meeting, if she needs to write a second letter to the State she will.

RESOLUTION -Noise Waiver-Red Cedar Development
Mr. Stralkowski and Mr. Hockestale had updates or additional information for the Committee.

Council Member Washington informed the Committee and public that after discussions with the developers and based on the last meeting, she was proposing the recent “substitute” resolution with the following changes:

WHEREAS, the developer is requesting a waiver of the noise ordinance to work 7 am to 7 pm Monday through Saturday and 8 am to 5 pm on Sunday, from October
1 through the end of November 30, 2019 to perform the earthwork needed to prepare the building pads; and

WHEREAS, the developer is also requesting a waiver of the noise ordinance to allow work on weekdays, including holidays from 7 am to 7 pm and on Saturdays from 8 am to 5 pm beginning December 1, 2019 for the duration of the project to permit timely completion of the overall project; and

WHEREAS, based on the public comment Continental/Ferguson Lansing, LLC modified their request with the understanding if need is demonstrated in the future they can request to City Council additional waivers; and

MOTION BY COUNCIL MEMBER WOOD TO APPROVE THE SUBSTITUTE RESOLUTION FOR THE NOISE WAIVER FOR THE RED CEDAR DEVELOPMENT. MOTION CARRIED 3-0.

Re: Appeal of Board Up fee

On April 26th, my tenants at 2705 Gibson went away for a couple days. Apparently the latch plate had fallen off the door jam and the tenants hadn’t told me. They were simply locking the deadbolt. But on the 28th, they forgot to lock the deadbolt and the door swung open after they left the house.

I don’t know who called the city about it, but when the tenants got home, the door was boarded up. My tenants called me to ask if I’d boarded up the door, and asked the neighbors. Nobody knew why or when the door was boarded. There was no note on the door and no-one called me about the situation.

I finally called Code Compliance and found that they had ordered it done since they couldn’t lock the door from the outside. I talked to Meredith Johnson about this and she apologized for not putting any kind of notice on the door and explained what had happened. I thanked her and thought that was the end of it.

A few days ago I received a bill for $558.40 for the board-up. I was shocked. Meredith didn’t mention anything about charges for this “service”.

My reason for appealing this charge is that it was completely unnecessary. 2705 Gibson is a licensed rental and Compliance has my phone number. If Compliance had simply called me, I could have been there in 20 minutes to lock the door.

I’m happy to pay for the OSB that was used, but the rest of the charge is extremely unfair and unnecessary. One simple phone call to me, and the problem would have been solved. Why isn’t this the first thing that the city does when something like this happens? I would strongly suggest that calling the landlord or owner be the first step before taking actions that cost landlords so much money.

Sincerely,

Mary Miller

Claims Review Committee
Lansing City Council
Lansing City Clerk
9th Floor, City Hall
Lansing, MI 48933

Dear City Council Claim Review Committee:

I am appealing a $558.40 "board up" fee, after the city boarded up one of my rental homes.

On April 26th, my tenants at 2705 Gibson left their home unlocked. At some point prior to that day the latch plate fell off the door jam and the tenants hadn’t told me about it. They were simply locking the deadbolt when they left the house. On the 26th, they forgot to lock the deadbolt and the door swung open after they left. The city then boarded up the house after apparently getting a call that the door was open. (I was not contacted by Compliance before or after the board-up, so finding out WHY the house had been boarded up was a hassle in itself...)

I'm appealing this charge because the board up was completely un-necessary.

My rental at 2705 Gibson is a licensed rental and the Compliance office has my phone number on file. Yet the Compliance office did not even try to call me. Instead, they trespassed on my property and boarded up the house without making any effort to contact me or the tenant. Attached is my phone records for the day this happened. There are no incoming calls from the Compliance office, only calls from the Lead Safe Lansing program.

Boarding up a home should be the last option for dealing with a situation like this - not the first option. Had Compliance simply called me, I could have been at the house in 10 minutes to lock it up and replace the latch plate. Why does Compliance require that my phone number be on file if they don’t use it in a situation like this?

If boarding up a home without contacting the owner is the City's standard policy for dealing with open doors, then this policy needs to change. I'm feeling invaded and abused by the City as a result of this situation. Is the City trying to pad its budget on the backs of residents who mistakenly leave their doors open? This is not a minor fee. $558.40 is a huge amount of money for a piece of plywood that was unnecessary in the first place.

I respectfully request that you dismiss this “fine” and modify the policy so that other landlords or homeowners don’t suffer the same frustrations and costs.

Respectfully submitted,

Gayle Miller

CODE OFFICER’S NOTES: The on call Code Enforcement Officer was called to this location by the Lansing Police Department as the front door appeared to have been kicked in and the structure was open and accessible. The on call officer called the board up crew and they met LPD at the property. The door was unable to be secured so the structure was boarded. This is done on an emergency basis to prevent further damage to the property and the belongings within from being taken. This office recommends denial of the claim.
