Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov,charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.
Date of this notice: 06-15-2015
Employer Identification Number: 47-4273031
Form: SS-4
Number of this notice: CP 575 2
For assistance you may call us at: 1-800-829-4933

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 47-4273031. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it’s very important that you use your EIN along with your complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information shown above isn’t correct, please send us the correction using the attached tear-off stub.

Annual filing requirements

Most organizations with an EIN have an annual filing requirement, even if they engage in minimal or no activity.

A. If you are tax exempt, you may be required to file one of the following returns or notices:

Form 990, Return of Organization Exempt From Income Tax
Form 990-EZ, Short Form Return of Organization Exempt From Income Tax
Form 990-PF, Return of Private Foundation
Form 990-N, e-Postcard (available online only)

Additionally, you may be required to file your annual return electronically.

If an organization required to file a Form 990, Form 990-PF, Form 990-EZ, or Form 990-N does not do so for three consecutive years, its tax-exempt status is automatically revoked as of the due date of the third return or notice.

Please refer to www.irs.gov/990filing for the most current information on your filing requirements.

B. If you are not tax-exempt, you may be required to file one of the following returns:

Form 1120, U.S. Corporation Income Tax Return
Form 1041, U.S. Income Tax Return for Estates and Trusts
Form 1065, U.S. Return of Partnership Income

Please refer to Publication 1635, Understanding Your EIN, for more information about which forms you may be required to file.
Applying for Tax-Exempt Status

Receiving an EIN from the IRS is not the same thing as receiving IRS recognition of tax-exempt status. To apply for formal recognition of tax-exempt status, most organizations will need to complete either Form 1023, Application for Recognition Under Section 501(c)(3) of the Internal Revenue Code, or Form 1024, Application for Recognition of Exemption Under Section 501(a). Submit the completed form, all applicable attachments, and the required user fee to:

Internal Revenue Service
PO Box 12192
Covington, KY 41012-0192

Publication 557, Tax Exempt Status for Your Organization, has details on the application, process as well as information on returns you may need to file.

IMPORTANT REMINDERS:

* Keep a copy of this notice in your permanent records. This notice is issued only one time and the IRS will not be able to generate a duplicate copy for you. You may give a copy of this document to anyone asking for proof of your EIN.

If you have questions about your EIN, you can contact us using the phone number or address shown at the top of this notice. If you write, please tear off the stub at the bottom of this notice and send it along with your letter. If you don’t need to write us, please don’t complete and return this stub.

Your name control associated with this EIN is ONES. You will need to provide this information, along with your EIN, if you file your returns electronically.

Thank you for your cooperation.

I own both 210 & 214 Lathrop.
214 is a vacant lot next to my house on 210. I called Today to pay my Taxes & was informed of this charge. I'm still in shock! I was never aware there were any debris that needed to be cleaned up and was never mailed anything stating that fact. They said they mailed 214 however there is no mailbox @ 214 so no way to get mail.
I can not afford this extra expense and am asking for help.

To Whom It May Concern

My name is Ruben Montes, and I reside at the address of 510 N. Hayford Ave, Lansing, MI 48912. I am writing this letter to dispute charges that are being charged to me due to trash pick-up. I have gone through a hearing and was denied when I appealed. I am disputing the fact I am being charged $500 for trash removal. There are claims of having 5 bids of trash collected. The bids only had 100% of trash each. That was confirmed through the city. So how they claim 5 bids, I do not understand. Also the people were only there for 10min, maybe even 15 the most. You can see the time stamps on the pictures they took. There should be no claims that it took longer. My job is a seasonal job and the way the weather has been has kept me from working so it will be really hard for me to
pay that amount. I have lived at my house for two years now. My roommate had to get kicked out for non-payment of rent. When he cleaned out his stuff, he chose to leave this stuff of my porch and some of the trash. I did as much as I could to take care of it. I do not cause any problems. Please reconsider and contact me ASAP. I would greatly appreciate it.

CODE OFFICER’S NOTES: This registered rental has been cited for 3 separate trash violations this year and we cleaned the property in May. A notification was sent to the owner of the property as well as the occupant. The letter clearly stated that the trash bins were overflowing on 5/01/2019 upon recheck on 5/09/2019 all the trash remained. The contractor arrived on 5/23/2019 23 days after the initial notice was sent. This office would like to note one of the bins that was overflowing was a City of Lansing recycle bin which just needed to be placed between sidewalk and curb and that the recycle debris would have been removed at no cost. The claimant never contacted our office asked for an extension or to explain the situation with the officer. This office recommends denial of the claim.

I would like to dispute the charge of $518 that I am being charged for trash removal. I had just got back to work and was waiting to get paid so I could order aendency I do not think that I am being asked for this bill. I am a very busy person and if I am able to get paid a release of this bill I promise you that I will do all that I can to help another person with the I just need to try to get ago had a roommate whom I had to ask to leave.

when he left, he left all his trash on my front porch and refused to take care of it. I had received a letter of warning so immediately I had to take care of it myself. If you look at the pictures I only had 8-10 bags of trash, how does that amount to $518? This trailer in the pics I've seen had already had trash in there and you could tell they threw it all around instead of keeping it organized. There is no way that those two bins I have held all that trash they are claiming. Please help me and I appreciate the consideration.

To Whom It may Concern,

As the owner of property at 723 orchard Glen Ave., I believe I was wrongfully charged and I am appalled with the behavior of the city inspector. The property was under construction at the time of the incident. During demolition I rented 3 30+ yard dumpsters to remove debris from the property as I was able to. One Dumpster had been removed prior to the trash notice posted; Two others had been filled and removed following the notice. The inspector still felt the need to hire a contractor for removal of 1 and ½ trailer loads that remained on the property, some of which contained new building material. The contractors worked for a total of 3.5 hours x 4 workers. During that time they hauled away debris. I asked them to leave the property, which they did. "Inspector" showed up and began taunting, smirking, and laughing as I was asking why this was necessary. I have talked with others who have been notified for trash removal, all of them agreed to have been treated unfairly. Some of which claimed that the
Inspector is working with the contractor to make extra money from these trash enforcements. There is no possible way that it should cost this much for 2 dumps and 4 workers. I have video of them working via security camera and a neighbor who claims to have watched them. This is outrageous  and I will do what it takes to remove this trash balance, and ensure that no other residents are treated this poorly/scammed by this city Inspector. For video and neighbor witness statement call 517-331-8984. Thank you,

Ellen Smith

Note: Inspector walked the whole property, which he is only allowed to view from the road.

CLAIMANT'S CIRCUMSTANCES: See Attached
CODE OFFICER'S NOTES: This property was cited for a trash violation on 8/27/2018 with a compliance due date of 9/03/2019. The owner/claimant did receive the copy as the contacted the officer and requested a one week extension which was granted. The Premise Officer returned to recheck the property and noted that a dumpster had been delivered and gave another extension. The Premise Officer returned to the property two more times to check on the progress of the property and gave two more extensions that were not requested by the homeowner however due to progress being made the officer gave them more time. On October 2, 2018 the Premise Officer returned again and noted no further progress had been made multiple violations still remained as noted in the pictures and the property was submitted to the contractor for removal. The contractor arrived on 10/09/2019 and removed the remaining violations. This office would like to note that the Building Permit that was issued on 12/18/2017 is now expired the Building Safety Department cited the owner for doing work without permit. Trade Permits were issued the Plumbing Permit and Mechanical Permits are getting ready to expire and the Electrical Permit did have a service inspection because that is needed to restore the electrical to the structure but the owner has not had any rough inspections for the work. This office recommends denial of the claim the claimant had 42 days in which to remove the violations before the contractor arrived and failed to remove the violations.

We do not have pictures of the actual cleanup however Officer Coates was there during the clean up to authorize the additional yardage I think I included the recheck photo’s which shows the large amount of debris there the claimant is not disputing the yardage however he applied for the Building Permit in 2017 which is now expired and has continued to do work without inspections I think people think just because they apply for a permit it allows them to have large piles of debris on the property and it does not.

I did include the officers notes where the owner got the notification asked for an extension and failed to remove all the debris our office gave him gave 2 additional extensions due to the owner getting a dumpster he just failed to complete the cleanup and by his owner admission the contractor had 4 workers out there so I know it was a large cleanup as the contractor normally only uses 2.

**CODE OFFICER’S NOTES:**

This property was cited for a trash violation on 4/22/2019 with a recheck date of 4/29/2019. The officer rechecked the property on 4/30/2019 and noted that some of the debris had been removed and due to the weather gave an extension to recheck again on 5/10/2019 to check for continued progress. Upon reinspection the officer found that the debris still remained and the property was submitted to the contractor for removal. The contractor arrived on 6/04/2019 and as indicated in the pictures a large amount of debris was still present and it was removed by the contractor. The claimant is stating lack of proper enforcement however upon checking BS&A Logan Square has also been cited twice in 2019 and we had our contractor clean their property as well. This office recommends denial of the claim as the claimant did not remove all the requested debris or contact the officer for clarification also the claimant has no explanation for why they did not clean their property except to note other properties also had debris.
4/30, original re-check. Some stuff removed. Giving another week due to weather. TB
