MOTION BY COUNCIL MEMBER HUSSAIN TO APPROVE THE MINUTES FROM NOVEMBER 7, 2019 AS PRESENTED. MOTION CARRIED 3-0.

DISCUSSION/ACTION
RESOLUTION – Introduction/Setting Public Hearing; Ordinance Amendments to Chapter 404, Section 404.13 Parking
The Committee reviewed the Draft 5 Red Line version, dated 11/14/2019. Council Member Wood explained that due to the topic and potential locations in the Ordinance, it appeared it was logical to add a Section 404.13. Council Member Wood pointed out topics that the Committee discussed in length at earlier meetings including the removal of the word “zone”, permit structure found on page 5 to include “hang tag”, 1 annual permit per residential address any given time, the understanding that this parking ordinance will not supersede any current traffic control orders, and the temporary permits will allow for 4 per year to a resident sponsor. Council Member Spitzley noted her concerns with the temporary language and the congestion it will cause. Her communications with the Administration she noted brought forth discussions on not limiting temporary permits in any way. Council Member Hussain pointed out that the new language does not limit to having 2+ temporary permits at a time, which could lead to 12 at a time for one property. Mr. Venker confirmed that if the residents got them all at once, there could be 12. Council Member Spitzley noted her concern again with the language for temporary permits and them not being attached per address, but 4 per resident sponsor.
Council Member Wood referred the Committee to page 2 under Application which speaks to the guidelines to apply and what residential address.

It was noted the action at this meeting was to set the hearing and the Committee can continue discussion on the ordinance at the hearing and when it is referred back to the Committee on December 5, 2019 for action.

MOTION BY COUNCIL MEMBER HUSSAIN TO APPROVE A RESOLUTION TO INTRODUCE AND SET THE PUBLIC HEARING FOR DECEMBER 2, 2019 FOR AMENDMENTS TO CHAPTER 404, SECTION 404.13. MOTION CARRIED 3-0.

This article shall be known as the “Relocation Assistance for Displaced Tenants Ordinance.”

Sec. 14-501 – Findings and Purpose.
The city council finds that tenants who are required to vacate structures rented for residential purposes due to a Notice to Vacate issued pursuant to Chapter 14, Article II, Division 2, often encounter difficulty in finding suitable or affordable, temporary or replacement housing due to the short notice necessitated by the Notice to Vacate. Such difficulties create a financial hardship for said tenants and may result in homelessness. The city council also finds that those property owners who do not properly maintain non-owner occupied residential properties and who allow said dwellings to become unsafe or hazardous should bear responsibility for the hardships their actions create for their tenants. Additionally, the city will often spend time and resources assisting tenants displaced by a Notice to Vacate. These costs and expenses are not reimbursed by the property owner. Therefore, the city council finds and declares it necessary to enact this chapter to protect the public health, safety and welfare and to permit the city to seek reimbursement for the costs and expenses incurred. Nothing herein shall limit or preclude other remedies available to tenants under Michigan law.

Sec. 14-502 – Definitions.
Unless the context indicates otherwise, the following words used in this article shall have these meanings:
**Landlord** means an owner, lessor or sublessor or any other person entitled to receive rent for the use and occupancy of any rental unit, or the agent, representative, predecessor or successor of any of the foregoing.

**Lease** means an agreement, whether oral or written, or implied, between a landlord and a tenant for use or occupancy of a rental unit and for housing services.

Such agreement shall at a minimum contain each of the following components:
   
   a. The names of the current occupants of the rental unit being vacated, and an indication of who is considered the head of the household therein;
   
   b. The address and the number of the unit from which the tenant is being displaced;

   e. The address, if known, of the location to which the tenant plans to move.

2. A relocation payment shall be a separate requirement and obligation in addition to the refund of any security deposit pursuant to Michigan law.

3. The relocation payment must include the actual costs associated with the tenant’s moving expenses, in an amount not to exceed $1,000.00.

4. A relocation payment shall also include an additional amount consisting of any administrative costs incurred by the city including but not limited to, the hourly rate of any city employees that took any action in connection with assisting a tenant under this article, any inspection fees incurred pursuant to Sec. 14-43 for the property plus the costs incurred by the city related to the issuance of the notice to vacate of the rental unit.

**Rental unit** means any building, structure or part thereof, and land appurtenant thereto, or any other rental property rented or offered for rent for residential purposes together with
all housing services connected with use or occupancy of such property, such as common areas and recreational facilities held out for use by the tenant.

Tenant means a tenant, subtenant, lessee, sublessee or any other person entitled under the terms of a lease to the use or occupancy of any rental unit.

Sec. 14-503 – Relocation Assistance Requirements.

(1) Relocation Payment Due. A landlord of a rental unit rented pursuant to a lease shall provide to the tenant a relocation payment as defined in Sec. 14-502 as follows unless one of the exceptions described in Sec. 15-504 applies: within one week of the notice to vacate or prior to the time the tenant vacates the unit, whichever occurs first, for any order requiring a tenant to vacate any rental unit due to unsafe or hazardous living conditions or due to illegal use of the structure as a residence.

(2) Proof of Compliance. In order to provide proof of compliance by the landlord with the relocation payment requirements of this code, the landlord shall make the payment to the city, at the Department of Neighborhood and Economic Operations; or a copy of the written agreement executed by the landlord and the tenant providing for and describing alternative arrangements shall be provided to the Chief Building Official and the director of the Department of Neighborhood and Economic Operations within five days of the date that the unit is vacated by the tenant. The landlord may make the rental payment directly to the owner of the alternative rental unit but must provide proof of such payment to the director of the Department of Neighborhood and Economic Operations.

(3) Action by the City. The city will make reasonable efforts to locate suitable alternative rental unit of the same or similar type, size, and location as to the vacated rental unit whether or not the landlord has provided the relocation payment, and which is acceptable to the tenant. The alternative rental unit shall be in a condition acceptable to the Chief Building Official and satisfy the minimum room requirements contained in Section R304 of the Michigan Residential Code. Upon the request of the city, the landlord is required to provide the following information: the address of each rental unit being displaced, the number of bedrooms and bathrooms of each unit, the names of the tenant(s) and the other members occupying the rental unit and the amount of the monthly payments due under the lease and the length of the rental term. The city will locate temporary housing and pay the first five days’ worth of rental for a suitable alternative rental unit and such payment shall be reimbursed by the landlord within ten days after issuance of an invoice by the city to the landlord. After the first five days after the vacating of the unit, the landlord shall be responsible for locating a suitable alternative rental unit of the same or similar type, size and location as the vacated unit.

(4) Right of First Refusal. Any tenant evicted or required to vacate any rental unit pursuant to the provisions of this chapter shall be given the right of first refusal to reoccupy a rental unit on the site once said property becomes habitable, or once housing is redeveloped on the site.
(a) The landlord shall, at the time the tenant vacates, provide written notice advising the tenant of the right of first refusal. Said notice shall include a current address and telephone number which can be used by the tenant to contact the owner.

(b) It shall be the tenant’s responsibility to provide the landlord with contact information consisting of the tenant’s current address and/or telephone number to be used for future notification, and to provide updated contact information to the owner upon change of said information.

(c) Thereafter, when the rental unit, or a redeveloped structure on the property, becomes habitable, the landlord shall give written notice to the tenant advising said tenant that the structure is ready for occupancy. Said written notice shall be made by certified mail, return receipt requested. Proof of compliance under this subsection must be provided by the landlord to the Director of Neighborhood and Economics Operations.

(d) If the landlord cannot locate a previous tenant after two attempts over a period of two weeks, the landlord shall be deemed to have complied with the right of first refusal provision of this chapter, and the tenant’s right of first refusal shall thereafter be forfeited. The landlord must provide notice to the Neighborhood and Economics Operations in the event that it is the landlord’s determination that the tenant’s right of first refusal has been forfeited.

Sec. 14-504 – Exceptions.

(1) Any tenant evicted or required to vacate as a result of unsafe or hazardous living conditions or illegal use, who refused to vacate after the provision of the relocation payment is made, or who the Chief Building Official has determined has caused or substantially contributed to the condition(s) giving rise to the abatement or whose guest or invitee has caused or substantially contributed to the condition(s) giving rise to the abatement, shall not be entitled to receive relocation assistance from the landlord.

(2) Landlords are not required to provide relocation assistance to any tenant evicted or required to vacate a rental unit that becomes unsafe or hazardous as a result of a natural disaster, fire, flood, or civil disturbance.

(3) The Chief Building Official or his or her designee may make a determination as to whether any of the exceptions provided in subsections (1) or (2) are applicable and the Director of Neighborhood and Economic Operations may waive the landlord’s obligations as to the specific tenant only for good cause shown.

(4) If the landlord has already provided a suitable alternative rental unit of the same or similar type, size, and location as to the vacated rental unit to the tenant, and such replacement unit was accepted by the tenant as evidenced by a written agreement described in this article, and the landlord has agreed to pay the actual costs associated with the tenant’s moving expenses, in an amount not to exceed $1,000.00, the relocation payment shall no longer be required.

(5) Landlords are not required to provide relocation assistance to any tenant who has been served with an order of eviction requiring the tenant to move from the rental unit.
(6) Landlords are not required to provide relocation assistance to a tenant if the tenant and the landlord have entered into a consent judgment filed with the Court requiring the tenant to move from the rental unit.

**Sec. 14-505 – No Waiver Permitted.**

No landlord shall attempt to secure from a tenant any waiver of any provision of this Article. Any agreement, whether written or oral, whereby any provision of this Article is waived, is against public policy and is void. No person shall intentionally secure a waiver of any of the provisions, rights or benefits of this ordinance from a tenant by false pretenses or fraud. A violation of this section shall be punishable against the landlord as a misdemeanor.

**Sec. 14-506 – Violation and Penalty.**

Any violation of this Article, other than Sec. 14-505, is subject to the remedies and penalties provided in Chapter 2.5 of this Code and an administrative civil penalty of up to $1,000.00 per day may be assessed for each day during which a landlord fails to provide relocation assistance required by Sec. 14-503 following issuance of a written order or notice of violation by the city, in addition to the hourly rate of any city employees that took any action in connection with the property under this article, plus the city’s reasonable attorney’s fees and court costs. Nothing herein shall limit the right of a tenant to enforce the obligations provided herein by civil action or by any other legal remedy which may be available to said tenant.

**Sec. 14-507 – Severability.**

If any provision of this article is determined to be unenforceable by a court, the remainder of this article shall be deemed severable and is to remain in full force and effect.

**Section 3.** This Ordinance takes effect thirty (30) days from the date of adoption.

Mr. Ernie Lake
Lansing City Clerk
124 W Michigan Avenue
Lansing, Michigan 48933

We have a property on Cedar Street, between Whipple and the I-96 overpass. It is an vacant property and it is posted. An organization placed donation bins without permission. We received notice of possible fines and a $200 fee, should the City remove the bins. Though I am working toward removing the bins (neither of my calls to the charity were returned nor they removed), this seems improper and unfair to Lansing property owners, the property owner is the “victim”, not the “perpetrator”. The issues problems are:

1. My partner Mr. Stanton is retired and doesn’t live in Lansing.
2. The owner didn’t give permission and wasn’t notified.
3. The notices only gave two days for compliance, as it appears, it took almost a week to leave their office, go through the postal system, and arrive at our Jackson office. (I simply think that a longer compliance period should be used).
4. The actual company at fault wasn’t contacted.

I suggest that the City Council should adjust the code in order to penalize the proper entities. We had a similar issue last year with same results.

Thank you,

Couple goes a month without heat at their apartment

By Rachel Sweet  | Posted: Tue 6:36 PM, Nov 19, 2019  | Updated: Tue 7:53 PM, Nov 19, 2019

LANSING, Mich. (WILX) -- A Mid-Michigan couple has been living in their apartment complex without heat for about a month. Now that its getting colder outside, they're fed up with their leasing office.

Jade Fox and Her fiancé Jesse Alcala say their heat has been off since Oct. 16. They have been in contact with the leasing office and they haven't given them a time frame of when their heat will turn back on.

"There is really no excuse for us to go without heat for more than a day or two," says Alcala.

The couple has been living in Autumn Ridge in Lansing for a little over a year now and they say their problems didn't just start with the heat issue.

"I know it took I think two months and three work orders for our dishwasher for somebody to come out and fix it," said Fox.

Alcala says he works in maintenance and knows that even if the company needs to order parts it shouldn't be taking so long.

"We pay for their services we pay for the maintenance they should be able to come and provide maintenance for us."

Fox showed News 10 the amount of times she has called the leasing office and the work order she submitted back in October. She says maintenance told the couple they completed the job back in October but the heat still does not work according to the couple.
"I've been calling them everyday, multiple times a day I think they know my phone number and they just kind of don't answer when I call."

Autumn Ridge gave them space heaters to use while their heat is off but they can't even use both of them at the same time because it will cause their power to shut off.

The couple also says using space heaters are a safety concern to them.

"Space heaters aren't a permanent fix this shouldn't be something that we have to wait a month for using space heaters," said Alcala.

The couple and their dogs have been staying with Fox's mom in Portland because the temperature is just too cold to live in.

"It's great that she's letting us stay with the dogs, but it is kind of frustrating not to be in our own space," said Fox.

"Even when we weren't staying here we ran our faucets just so our pipes didn't freeze cause it was getting below freezing most nights so I don't want to deal with a no heat on top of our pipes bursting when we're not here," Alcala.

The couple tells News 10 they either just want their heat back on or to be let out of their lease early.

When News 10 reached out to Autumn Ridge on the phone last week they told us that they are dealing with multiple units that don't have heat.

When we went to the leasing office today they told me they could not comment on the matter.

The couple says they are looking into taking legal action on this matter.
