Minutes
MOTION BY COUNCIL MEMBER HUSSAIN TO APPROVE THE MINUTES FROM NOVEMBER 21, 2019 AS PRESENTED. MOTION CARRIED 2-0.
Public Comment
Ms. Flower spoke on the health and safety issues at the residence, noting the facility has gone down since the management changed.

Ms. Wright spoke on the health and safety issues of the property, presented photos to the Committee on the poor lighting, tall grass, and plants in rain gutters, garages and the maintenance. She noted she has made multiple attempts to approach the owners and managements and appealed for safety precautions to be addressed. Council Member Wood informed the public that she had discussions with BWL and they have addressed all the lighting they have but the lighting on the site is the responsibility of the owners.

Ms. Sturgill spoke to the Committee about her concerns with the safety and lack of property maintenance.

Ms. Rall spoke to the Committee on the proposed parking ordinance, pointing out a concern on who was going to determine the “based on need”, and in conclusion stated she was not in support of the ordinance.

Ms. Osborne spoke in support of parking on the street and provided examples of the need to accommodate because of single car garages, and single driveways.

Ms. Bloomer, a resident in Colonial Village and spoke in support of enforcement of the no 2am-5 am parking. She spoke on examples of neighbors who park 4-5 cars on the street nightly and construction vehicles parked on the street daily. Ms. Bloomer noted she could consider allowing one car on street parking. Lastly, Ms. Bloomer asked why the change and who will enforce the new amendments.

Mr. Rall spoke in opposition to the section on a “need” and who determines the “need”. Mr. Rall asked if commercial businesses in residential districts can obtain permits to park on the street and if anyone can apply for any neighborhood. Mr. Rall did point out that on page 2 line 19 does not address a requirement license plates changes.

Ms. McCaussey spoke in opposition to the parking ordinance, highlighting issues such as the criteria for a permit, enforcement, and conditions for rentals and asked for the LPD and LFD comments.

Resident in Autumn Ridge spoke about his furnace quitting in February and not getting a new furnace until June. He also noted other issues in his unit such as a non-working garbage disposal, and water leaks from a utility room over his apartment.

Ms. Harris, Autumn Ridge resident since July 5, 2019 made statements about her rent, lack of a washer and dryer, limited parking, no security buzzers at their door, concerns on the upkeep of the property and the time it takes to get a repair.

Discussion/Action
Autumn Ridge Apartments- Health Safety Follow Up
Council Member Wood read the email response from the owners that were invite to the meeting. (Attached). Mr. Swan confirmed there were 6 permits issued for furnaces and the inspections were schedule for 12/9/2019. Code Compliance was asked by the Committee if they had received any complaints. Mr. McGrain stated the rental inspection process is currently open, and Mr. Sanford added there are 487 town houses, they have been sent the failure to comply notices and the owners are researching their best option for the issues with the garages and exteriors. Mr. Sanford assured the Committee that Code is out there weekly.
Mr. Sanford was asked if the owners were issued tickets for their failure to comply, and Mr. Sanford stated they were not, they are currently in their 120 day to comply window and if they do not he would be working with the OCA. Code was asked about any updates on the lack of working site lighting, and Mr. McGrain stated he would look into it in relation to the recent ordinance on site lighting. Council Member Wood assured the public she herself spoke to BWL and the have repaired all the lights that are theirs. Council Member Wood then referenced an email from a resident with photos and videos, and Council Staff confirmed those emails and all others the Committee received were sent onto Code and EDP prior to this meeting. Code compliance was asked to look at the photos and videos and see if any of those items fall under the current failure to comply, and also asked them to continue to monitor the exterior landscaping, leaves and snow. Council Member Hussain asked when the rental certificates would expire, and was told by Mr. Sanford that notices are sent out 60 days before they expire, and by his calculation they have 30 days. Council Member Hussain then spoke about a conversation he had in 2017 on complaints he had received and were sent onto Code and BWL, and asked Mr. McGrain what can be done so it doesn’t take so long to comply. Council Member Wood encouraged the administration and staff to be proactive with the residents and make connections with them and the City Housing Ombudsman in HRCS, and Mr. McGrain stated he would reach out to that staff person. Council Member Wood informed the public that the topic will be discussed again on December 12, 2019 at the Committee’s regular meeting and asked Code and Building to be able to provide updates and asked Council staff to invite Mr. McDonald the City Housing Ombudsman to that meeting and also the MSU Housing Clinic. There is a legal process that will have to be followed, but the Committee is making attempts to bring the issues to the attention of the right people.

**OTHER**

**Status on Property Inquires**

3801 Walton

Mr. Swan and Mr. Sanford had not additional updates and would provide an update of the rental inspections on 12/12/2019.

**DISCUSSION**

**ORDINANCE – Amendments to Chapter 404, Create Section 404.13: Permit for Residential Overnight Parking**

Council Member Wood recapped for the public the progress the Committee and Council had made over the last 2 years, discussions they had in the past with the LPD, options they discussed and the delay because of other ordinances the Council wanted addressed such as the Marihuana. The Committee went with a proposed permit process with a goal to address the much needed spaces which the resident would have to provide proof to the Parking Manager. This could require photos or even a site visit as to why they can’t park in their own driveway or garage. The proposed ordinance allows for 1 annual permit per residential property and allows for temporary permits. Council Members met with the Mayor to reiterate this would only work if there is enforcement budgeted to address violations. The parking department is in the Economic Development and Planning Department so they will have staff to enforce from 10 p.m. to 5 a.m. The Council has asked that the process and enforcement be enacted so that it is in place once the ordinance is adopted and the department has informed the Committee it would by February 1, 2020. Mr. McGrain asked for that date to be moved to March 1, 2020 to allow for time on the new software they will use, however he assured them he was prepared with the staff. Council Member Wood concurred, noting the intention is to pass the ordinance at the Council meeting on 12/16/2019. Lastly, Council Member Wood noted to the earlier comments on commercial vehicles on the streets, that the residents should contact code compliance now because there is already an ordinance that no commercial vehicles can be parked on residential streets.
DRAFT

The Committee reviewed the recent draft #6, and began on page 8, lines 3-8 which appeared to the public and Committee and duplicates. There was a consensus of the Committee to remove lines 3-5, #9. Council Member Wood then referred the public and Committee to the only 2 changes since draft #5, which were found on page 2 lines 12-13 which clarified “residential address” as a unit or apartment. Council Member Wood asked if that meant a 4 unit apartment building would only get one permit and Mr. Abood confirmed. The next change in draft #6 was found on page 6, lines 13-16 which changed 4 temporary permits in a year to 2 permits in a 72 hour period for the same address.

MOTION BY COUNCIL MEMBER HUSSAIN TO AMEND DRAFT 6 TO REFLECT THE ORIGINAL LANGUAGE FOR TEMPORARY PERMITS IN DRAFT 5 TO STATE “AT ANY GIVEN TIME, NO MORE THAN 4 TEMPORARY PERMITS MAY BE GRANTED TO A RESIDENT SPONSOR PER TWELVE MONTH PERIOD”. MOTION CARRIED 2-0.

MOTION BY COUNCIL MEMBER HUSSAIN TO AMEND DRAFT 6 PAGE 2, LINE 20 TO INCLUDE “CURRENT” BEFORE “LICENSE”. MOTION CARRIED 2-0.

The Committee continued discussions with the public on the issuance of permits and how to enforce. Council Member Wood asked Mr. McGrain what fees the administration was considering and Mr. McGrain stated $125 annually and $30 for the temporary and those would meet all the expenses. Mr. McGrain concluded by stating they intended to be prepared by March 1, 2020. The OCA was asked to be prepared to present Draft 7 at the Committee meeting on 12/12/2019.

DISCUSSION – Legal Opinion on Why there can be no Ordinance on Relocation Assistance from Landlords and Fines
Mr. Abood apologized for a statement made at the last meeting, where he was under the belief there was an official opinion, however after the meeting he was updated that the City Attorney himself and the OCA office had an opinion on it, not a judicial opinion, so there is not official document to present. The OCA opinion, he noted, was that there was no statutory authority for this and it would create future litigation which the OCA recommends the City avoid. He then spoke briefly about the Housing Code Enforcement Team he mentioned at the last meeting and presented booklets that team will be using. Council Member Wood asked if the OCA was putting out at press release on the creation of this group, and was informed it had not been done, therefore she asked that information be provided to Ms. Boak to create a press release from City Council and detail how the OCA is handling things..

City Staff Man-Hours on Continual Offenders/Landlords of Rental Properties- Requested 10/3/2019
Council Member Wood asked Mr. Abood if there was a way to bill back the inspections to the landlord. Mr. Abood confirmed it would have to be done with a court order.

DISCUSSION – Ordinance on Crime Prevention Through Environmental Design
Council Staff was asked to contact Chief Green to attend the 12/12/2019 for a future discussion based on the recent review by Ms. Nubani.

DISCUSSION – Ordinance on Social Clubs
Ms. Hagen informed the Committee she is still researching any ordinances on social clubs and noted that what she has found thus far applies to all clubs including Lions’ Clubs and Boys & Girls Clubs, etc. Ms. Hagen stated she has placed a call to the attorney for Grand Rapids because they have created ordinances that speak to service and social clubs, and assembly.

DISCUSSION – Ordinance for Guidance on Utility Shut-Offs
Council Member Wood recapped that at the last meeting, there was public comment on a potential ordinance to assist residents in notification on utility shut-off. Mr. Abood confirmed that it would be prohibited for the utility company to contact the City and provide names of residents who have shut-offs, and BWL does not shut off services in the colder weather months; they work with HRCS and other agencies to assist residents. In regards to DTE and Consumers Energy, Mr. Abood stated they contribute into a State fund so they can do shut-offs and then the State funds provide assistance.

**DISCUSSION – Communication from D. Wengelkowski RE: Collection Bins**
The discussion was moved to the 12/12/2019 meeting and the City Clerk would be invited again.

Sherrie,

Thank you for following up with us regarding the concerns brought to your committee by a few of our residents at Autumn Ridge Townhomes and Apartments. We are committed to ensuring that all of our resident work orders are resolved in a timely manner. Please know that we are dependent on our residents to communicate any unresolved or new work orders directly to our on-site team through any number of direct forms of communication including the ability to enter work orders in real time through our resident online portal. Should there be any immediate needs expressed by any of our residents please direct them back to our management team at the site, so we can generate a work order and track the close out of their concerns.

Please note that when these concerns are brought to our attention we track the inbound work orders which may require materials or third party services. When this happens, sometimes the fix is quick and sometimes it takes longer due to part availability, etc. That being said, the concerns we discussed during our call are either resolved or are in the bidding process to be resolved. Below is a brief recap of the concerns we discussed:

1. Furnaces: All reported furnace issues have been resolved and 7 replacements have taken place throughout the month of November and December.

2. Raccoons: We have a professional third party service that has addressed any reported concerns, and there are no open items reported.

3. Light Fixtures: This is an ongoing project for the property which requires third party assistance and we are assisting the best course of action to resolve the concern.

4. Reported Leaks: There are three reported issues being bid out for third party assistance, and our site team has implemented any immediate preventive measures that can conducted in the interim.

5. Landscaping: Landscaping services are conducted through a third party vendor, and our fall clean up is being scheduled around the unforeseen snow we’ve received.

Although we appreciate the extended invitation to attend today’s meeting, we do respectfully decline the invite. However, I would like to reiterate that we are committed to the full resolution of the expressed concerns that may have been brought to your attention.

BY THE COMMITTEE ON PUBLIC SAFETY
RESOLVED BY THE CITY COUNCIL OF THE CITY OF LANSING

WHEREAS, the Transportation and Non-Motorized Section of the Public Service Department conducted an investigation to determine sight distance and traffic control requirements at the intersection of Hunter Boulevard / Ridgewood Avenue and Wildwood Avenue, based upon the request by a local resident Carly Cosper; and

WHEREAS, the Transportation and Non-Motorized Section performed a safe approach speed study and revealed a safe approach speed of 14 miles per hour (MPH); and

WHEREAS, the Transportation and Non-Motorized Section recommends the installation of stop signs on eastbound Hunter Boulevard and westbound Ridgewood Avenue at Hunter Boulevard / Wildwood Avenue to assign right-of-way at this intersection; and

WHEREAS, presented to the Public Service Board and the Board concurs

WHEREAS, the minutes containing the Public Service Board's recommendation on this matter are on file with the City Clerk's office; and

WHEREAS, the Mayor concurs with the recommendation of the Public Service Board; and

WHEREAS, the Committee on Public Safety reviewed the report and concurs with the recommendation of the Public Service Board.

NOW, THEREFORE, BE IT RESOLVED, that the Lansing City Council approves Traffic Control Order No. 19-002, thereby authorizing the Transportation Engineer to install stop signs on eastbound Hunter Boulevard and westbound Ridgewood Avenue at Hunter Boulevard / Wildwood Avenue;

BE IT FINALLY RESOLVED that Traffic Control Order No. 19-002 shall become effective when signed by the Transportation Engineer and filed with the City Clerk and the appropriate signs are installed.
The Transportation and Non-Motorized Section of the Public Service Department conducted an investigation to determine sight distance and traffic control requirements at the intersection of Hunter Boulevard / Ridgewood Avenue and Wildwood Avenue. This study was conducted in response to a request made by local resident Carly Cosper.

The intersection is a four-leg intersection in a residential area. Hunter Boulevard is approximately four blocks long beginning at Cedar Street and terminating at Cavanaugh Road. Hunter Boulevard is 30 feet wide with unrestricted parking near the intersection with Wildwood Avenue. Ridgewood Avenue is approximately two blocks long beginning at Wildwood Avenue and terminating at Parkway Drive. Ridgewood Avenue is 30 feet wide with unrestricted parking near the intersection with Wildwood Avenue. Wildwood Avenue is approximately fourteen blocks long beginning at Holmes Road and terminating at a dead end south of Spokane Avenue. Wildwood Avenue is 26-28 feet wide with unrestricted parking near the intersection with Hunter Boulevard / Ridgewood Avenue.

A review of the traffic crash records for this intersection indicates there have been three reported crashes from January 1, 2014 to December 31, 2018. Two of these three crashes involved drivers who were cited for “failure to yield” and are potentially correctable with the installation of stop signs at this intersection.

A safe approach speed study was performed and revealed a safe approach speed of fourteen (14) miles per hour (MPH). The higher elevation in the northeast quadrant of the intersection and the grade of the roadway of the north leg of the intersection contribute to the fourteen mile per hour safe approach speed.

The Transportation and Non-Motorized Section recommends replacing the existing yield signs on eastbound Hunter Boulevard and westbound Ridgewood Avenue at Hunter Boulevard / Wildwood Avenue with stop signs based on the low safe approach speed and to more clearly assign right-of-way at this intersection.

WHEREAS, the Transportation and Non-Motorized Section of the Public Service Department received a request from the Lansing Police Department that a stop sign was missing at intersection of North Cedar Street and Howe Avenue;

WHEREAS, based on a review of sign records indicated that no traffic control existed at this intersection, the Transportation and Non-Motorized Section conducted a field investigation to determine sight distance and traffic control requirements at the intersection, and reviewed reported traffic crash data;

WHEREAS, the Transportation and Non-Motorized Section recommends the installation of stop signs for northbound and southbound Cedar Street at Howe Avenue based on a safe approach speed of less than five miles per hour;

WHEREAS, the minutes containing the Public Service Board's recommendation on this matter are on file with the City Clerk's office;

WHEREAS, the Mayor concurs with the recommendation of the Public Service Board;

WHEREAS, the Committee on Public Safety reviewed the report and concurs with the recommendation of the Public Service Board;

NOW, THEREFORE, BE IT RESOLVED, that the Lansing City Council approves Traffic Control Order No. 19-015, thereby authorizing the Transportation Engineer to install stop signs on North Cedar Street at Howe Avenue;

BE IT FINALLY RESOLVED that Traffic Control Order No. 19-015 shall become effective when signed by the Transportation Engineer and filed with the City Clerk and the appropriate signs are installed.
The Transportation and Non-Motorized Section of the Public Service Department received a request from The Lansing Police Department via Cityworks that a stop sign was missing at intersection of North Cedar Street and Howe Avenue. After a review of traffic sign records it was determined that no stop signs are located at this intersection. In response to the request, staff conducted an investigation to determine sight distance and traffic control requirements at the intersection, and reviewed reported traffic crash history at this location.

The intersection of North Cedar Street and Howe Avenue is a three-leg intersection in a residential area. Howe Avenue is approximately three blocks long in this section beginning at a dead end (west of North Cedar Street) and ends in the east at 7th Avenue. North Cedar Street is 19 feet wide in the area near the intersection with unrestricted parking. North Cedar Street is approximately five blocks long beginning at a dead end in the north (north of Sheridan Road) and terminating in the south at Howe Street.

A review of the traffic crash records for this intersection indicates there have been no reported crashes from January 1, 2013 to December 31, 2017 involving vehicles in the intersection.

A safe approach speed study was performed and revealed a safe approach speed of less than five (5) miles per hour (MPH). The main factor behind this low safe approach speed is due to a row of pine trees approximately 3 feet from the road along the north east section of North Cedar Street that impedes the view of traffic west bound on Howe Avenue from traffic south bound on Cedar Street.

The Transportation Section recommends the addition of stop signs at the intersection of Cedar Street and Howe Avenue on North Cedar Street yielding the right of way to traffic traveling east-west on Howe Avenue.

PARKING REGULATION SURVEY
SOUTH GENESEE DRIVE FROM VERLINDEN AVENUE TO MEMPHIS STREET

The Transportation and Non-Motorized Section received a request to allow parking on at least one side of South Genesee Drive from Verlinden Avenue to Memphis Street. Staff conducted a field check of the existing conditions and found South Genesee Drive between Verlinden Avenue and Memphis Street to be 26 feet wide with curb and gutter. Parking is currently prohibited along both the north and south sides of South Genesee Drive from Verlinden Avenue and Memphis Street.

To allow the public an opportunity to comment on the proposed parking regulation options, the Transportation and Non-Motorized Section developed and mailed a survey to property owners and occupants along South Genesee Drive from Verlinden Avenue to Memphis Street with the two options listed below:

**Option 1** – No Parking (No Change)

**Option 2** – Allow parking on one side of the street

Twelve (12) of the twenty-one (21) surveys mailed were returned, with 92% supporting Option 2.

Based on survey results and the street width the Transportation and Non-Motorized Section recommends removing the parking prohibition along the north side of South Genesee Drive from Verlinden Avenue to Memphis Street. The no parking signs along the north side have been removed on a trial basis. No complaints have been received to date.

Re: Resolution for Parking Request: Almar Lane, Palmer Street, Rosadell Avenue and Willard Avenue.

At the request of area residents, parking restrictions were installed along Almar Lane, Palmer Street, Rosadell Avenue and Willard Avenue in 1994 to deter all day parking by hospital employees in this neighborhood.

The Transportation and Non-Motorized Section conducted a study of the existing parking restrictions and street widths along Almar Lane, Palmer Street, Rosadell Avenue and Willard Avenue, in response to a recent request by a local resident to remove these restrictions. Attached is the Engineering Report #19-002 detailing the findings from the Transportation and Non-Motorized Section.

WHEREAS, the Transportation and Non-Motorized Section of the Public Service Department recently received a request to remove the existing parking restrictions along 2900 block of Palmer Street; and

WHEREAS, the Transportation and Non-Motorized Section staff conducted a study of the existing parking restrictions and street widths along Almar Lane, Palmer Street, Rosadell Avenue and Willard Avenue; and

WHEREAS, based on the results of the survey, the Transportation and Non-Motorized Section recommends removing the existing parking restrictions along both sides of Palmer Street from Willard Avenue to Dunlap Street and Rosadell Avenue from Almar Lane to Washington Avenue; and that the existing parking regulations along Almar Lane from Willard Avenue to Rosadell Avenue and Willard Avenue from Almar Lane to Palmer Street remain in place; and

WHEREAS, the minutes containing the Public Service Board's recommendation on this matter are on file with the City Clerk's office; and

WHEREAS, the Mayor concurs with the recommendation of the Public Service Board; and

WHEREAS, the Committee on Public Safety reviewed the report and concurs with the recommendation of the Public Service Board.

NOW, THEREFORE, BE IT RESOLVED, that the Lansing City Council approves rescinding Traffic Control Order No. 94-028 and 94-029, thereby authorizing the Transportation Engineer to regulate parking along both sides of Palmer Street from Willard Avenue to Dunlap Street and Rosadell Avenue from Almar Lane to Washington Avenue;

BE IT FINALLY RESOLVED that Traffic Control Order No. 94-028 and 94-029 shall be rescinded when the appropriate signs are removed.
At the request of area residents parking restrictions were installed along Almar Lane, Palmer Street, Rosadell Avenue and Willard Avenue in 1994 to deter all day parking by hospital employees in this neighborhood.

The Transportation and Non-Motorized Section recently received a request from a resident of Palmer Street to remove the existing parking restrictions along the 2900 block of Palmer Street. In response to this request staff conducted a study of the existing parking restrictions and street widths along Almar Lane, Palmer Street, Rosadell Avenue and Willard Avenue.

**Almar Lane** from Willard Avenue to Rosadell Avenue is 26 feet wide with curb and overlaid gutter. Parking along the east side of the street is prohibited from 7 am to 7 pm. Parking along the west side of the street is prohibited from 7 am to 10 am and restricted to a two hour maximum stay from 10 am to 6 pm.

**Palmer Street** from Willard Avenue to Dunlap Street is 26 feet wide with curb and overlaid gutter. Parking along the east and west sides is prohibited from 7 am to 10 am and restricted to a two hour maximum stay from 10 am to 6 pm.

**Rosadell Avenue** from Almar Lane to Washington Avenue is 26 feet wide with curb and overlaid gutter. Parking along the east and west sides is prohibited from 7 am to 10 am and restricted to a two hour maximum stay from 10 am to 6 pm.

**Willard Avenue** from Almar Lane to Palmer Street is 26 feet wide with curb and overlaid gutter. Parking along the east and west sides is prohibited from 7 am to 10 am and restricted to a two hour maximum stay from 10 am to 6 pm.

To allow the public an opportunity to comment on the existing parking regulations, the Transportation and Non-Motorized Section developed and mailed a survey to property owners and occupants along Almar Lane, Palmer Street, Rosadell Avenue and Willard Avenue with the three options listed below:

**Option 1** – No Change to existing parking regulations

**Option 2** – Allow unrestricted parking on both sides of the street

**Option 3** – Allow 2 hour parking 8 am – 6 pm, Monday - Friday on both sides of the street

Of the forty seven (47) surveys mailed, nineteen (19) responses were received. Of the nineteen (19) responses, thirteen (13) or 68.4 % were in favor of removing the existing
parking restrictions and allowing unrestricted parking along both sides of the street. The survey responses were further broken down by street:

**Almar Street** had one response, 100% in favor of Option 1.

**Palmer Street** had five responses, 100% in favor of Option 2.

**Rosadell Avenue** had eight responses, 12.5% in favor of Option 1, 75% in favor of Option 2, and 12.5% in favor of Option 3.

**Willard Avenue** had four responses, 75% in favor of Option 1, 25% in favor of Option 2.

Based on this study and the survey results the Transportation and Non-Motorized Section recommends removing the existing parking restrictions along both sides of Palmer Street from Willard Avenue to Dunlap Street and Rosadell Avenue from Almar Lane to Washington Avenue. It is further recommended that the existing parking regulations along Almar Lane from Willard Avenue to Rosadell Avenue and Willard Avenue from Almar Lane to Palmer Street remain in place.

Mr. Lopez,

We have a property on Cedar Street, between Whigs and the I-75 overpass. It is a vacant property and it is posted. An organization placed donation bins without permission. We received notice of possible fines and a $100 fine should the City remove the bins. Though I am working toward removing the bins (neither of my calls to the charity were returned and they were removed), this seems improper and unfair to Lansing property owners. The property owner is the "victim," not the "perpetrator." The real problems are:

1. My partner Mr. Stanton is retired and doesn't live in Lansing.
2. The owner didn't give permission and wasn't notified.
3. The notice only gave two days for compliance, as it apparently it took almost a week to have your office go through the postal system and arrive at our Jackman office. (I simply think that a longer compliance period should be used).
4. The actual company at fault wasn't contacted.

I suggest that the City Council should adjust the code, in order to penalize the proper entities. We had a similar issue last year with same results.

Thank you,

David Tinglehanski

Sherrie,

Thank you for following up with us regarding the concerns brought to your committee by a few of our residents at Autumn Ridge Townhomes and Apartments. We are committed to ensuring that all of our resident work orders are resolved in a timely manner. Please know that we are dependent on our residents to communicate any unresolved or new work orders directly to our on-site team through any number of direct forms of communication including the ability to enter work orders in real time through our resident online portal. Should there be any immediate needs expressed by any of our residents please direct them back to our management team at the site, so we can generate a work order and track the close out of their concerns.

Please note that when these concerns are brought to our attention we track the inbound work orders which may require materials or third party services. When this happens, sometimes the fix is quick and sometimes it takes longer due to part availability, etc. That being said, the concerns we discussed during our call are either resolved or are in the bidding process to be resolved. Below is a brief recap of the concerns we discussed:

1. Furnaces: All reported furnace issues have been resolved and 7 replacements have taken place throughout the month of November and December.

2. Racoons: We have a professional third party service that has addressed any reported concerns, and there are no open items reported.

3. Light Fixtures: This is an ongoing project for the property which requires third party assistance and we are assisting the best course of action to resolve the concern.

4. Reported Leaks: There are three reported issues being bid out for third party assistance, and our site team has implemented any immediate preventive measures that can conducted in the interim.

5. Landscaping: Landscaping services are conducted through a third party vendor, and our fall clean up is being scheduled around the unforeseen snow we’ve received.

Although we appreciate the extended invitation to attend today’s meeting, we do respectfully decline the invite. However, I would like to reiterate that we are committed to the full resolution of the expressed concerns that may have been brought to your attention.

ORDINANCE NO. ______

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, TO AMEND CHAPTER 404 OF THE LANSING CODIFIED ORDINANCES BY ADDING SECTION 404.13 TO PROVIDE FOR THE ISSUANCE OF ANNUAL AND TEMPORARY 2:00 A.M. TO 5:00 A.M. STREET PARKING PERMITS TO CITY OF LANSING RESIDENTS; AND TO PROVIDE FOR PERMIT APPLICATIONS, LIMITATIONS, AND FEES.

THE CITY OF LANSING ORDAINS:

Section 1. That Chapter 404 of the Lansing Code of Ordinances of the City of Lansing is hereby amended to add Section 404.13 as follows:

404.13 – ANNUAL AND TEMPORARY PERMIT FOR OVERNIGHT STREET PARKING

PERMISSION FOR STREET PARKING BETWEEN THE HOURS OF 2:00 A.M. AND 5:00 A.M. IS ALLOWED THROUGH ANNUAL AND TEMPORARY PERMITS ISSUED IN ACCORDANCE WITH THIS SECTION. A PERSON ISSUED A PERMIT UNDER THIS SECTION SHALL COMPLY WITH ALL THE TERMS, CONDITIONS AND RESTRICTIONS OF THE PERMIT AS PROVIDED IN THIS SECTION.

(A) ADMINISTRATION

PERMITTING FOR THE OVERNIGHT STREET PARKING PROGRAM SHALL BE UNDER THE SUPERVISION AND ADMINISTRATIVE CONTROL OF THE OFFICE OF THE PARKING MANAGER, INCLUDING PREPARATION OF FORMS, RECEIPT OF APPLICATIONS, ISSUANCE OF PERMITS, AND COLLECTION OF FEES. THE PARKING MANAGER SHALL WORK WITH THE PUBLIC SERVICE DEPARTMENT TO FACILITATE TEMPORARY SUSPENSION OF PERMITS AND / OR ACCOMMODATE
PARKING DURING SNOW REMOVAL, EMERGENCIES, OR CONSTRUCTION PURPOSES.

(B) APPLICATION

A PERSON REQUESTING AN OVERNIGHT STREET PARKING PERMIT FOR A MOTOR VEHICLE SHALL FIRST FULLY AND ACCURATELY PROVIDE A COMPLETED CITY APPLICATION FORM AND, UPON REQUEST, SUPPLY THE CITY WITH SUPPORTING SUPPLEMENTAL DOCUMENTATION. THE APPLICATION FORM SHALL REQUIRE AT A MINIMUM THE FOLLOWING INFORMATION:

1. THE NAME OF THE OWNER OR OPERATOR OF THE MOTOR VEHICLE TO BE PERMITTED;

2. THE PRIMARY RESIDENTIAL ADDRESS OF THE OWNER OR OPERATOR OF THE MOTOR VEHICLE, WHICH FOR PURPOSES OF THIS SECTION IS DEFINED TO INCLUDE UNIT OR APARTMENT, IF APPLICABLE;

3. THE EMAIL ADDRESS AND CELL PHONE NUMBER AND/OR LAND LINE PHONE NUMBER OF THE OWNER OR OPERATOR OF THE MOTOR VEHICLE TO BE USED FOR CONTACT IN CASE OF TEMPORARY SUSPENSION FOR SNOW REMOVAL, EMERGENCIES, OR CONSTRUCTION PURPOSES;

4. THE MOTOR VEHICLE'S MAKE, MODEL, VEHICLE IDENTIFICATION NUMBER, AND CURRENT LICENSE PLATE REGISTRATION NUMBER;

5. AN EXPLANATION BY THE APPLICANT OF THE NEED TO PARK ON A RESIDENTIAL STREET WITHIN THE CITY OF LANSING BETWEEN THE HOURS OF 2 A.M. AND 5 A.M.
SUPPORTING SUPPLEMENTAL DOCUMENTATION INCLUDES, BUT IS NOT LIMITED TO:

1. AN EXECUTED LEASE OR OTHER REASONABLE PROOF EVIDENCING THAT THE PERMIT APPLICANT’S PRIMARY RESIDENCE DWELLING UNIT OR ADDRESS IS WITHIN THE CITY OF LANSING.

2. THE CURRENT, VALID REGISTRATION FOR THE MOTOR VEHICLE FOR WHICH THE PERMIT IS BEING APPLIED;

   a. IF THE APPLICANT FOR AN OVERNIGHT STREET PARKING PERMIT IS THE OWNER OF THE VEHICLE SOUGHT TO BE REGISTERED AND HIS/HER PERMANENT RESIDENCE IS AT THE ADDRESS FOR WHICH THE PERMIT IS SOUGHT, THEN SAID VEHICLE SHALL BE REGISTERED AT THE PERMANENT ADDRESS AND SHALL HAVE VALID STATE OF MICHIGAN MOTOR VEHICLE PLATES; OR

   b. IF THE APPLICANT FOR AN OVERNIGHT STREET PARKING PERMIT HAS HIS/HER PERMANENT RESIDENCE AT THE ADDRESS FOR WHICH THE PERMIT IS SOUGHT BUT THE VEHICLE UNDER HIS/HER CONTROL INDICATES ANOTHER ADDRESS OF RESIDENCE FOR THE OWNER OF SAID VEHICLE, THE APPLICANT SHALL BE REQUIRED TO CERTIFY THAT SAID VEHICLE IS KEPT BY THE APPLICANT AND ONLY AT THE ADDRESS FOR WHICH THE PERMIT IS REQUESTED AND THAT IT
WILL NOT BE KEPT AT ANY OTHER LOCATION FOR THE DURATION OF THE PERMIT'S VALIDITY.

THE PARKING MANAGER IS NOT REQUIRED TO GRANT A PERMIT TO ANY APPLICANT.

(C) ANNUAL PERMIT

THE ISSUANCE OF AN ANNUAL OVERNIGHT STREET PARKING PERMIT IS SUBJECT TO ALL THE FOLLOWING REQUIREMENTS:

1. THE ANNUAL PERMIT IS VALID ONLY FOR THE MOTOR VEHICLE FOR WHICH IT IS ISSUED;

2. THE ANNUAL PERMIT SHALL DISPLAY THE MOTOR VEHICLE'S LICENSE PLATE NUMBER AND EXPIRATION DATE;

3. THE ANNUAL PERMIT SHALL BE IN A PHYSICAL FORMAT APPROVED BY THE PARKING MANAGER, THAT IS NOT A HANGTAG AND IS NOT EASILY REMOVED, AND MUST BE AFFIXED IN A VISIBLE PLACE ON THE PERMITTED MOTOR VEHICLE AS SPECIFIED BY THE PARKING MANAGER AT THE TIME THE PERMIT IS GRANTED;

4. THE ANNUAL PERMIT IS VALID ONLY WHEN VISIBLY AND PROPERLY DISPLAYED ON THE VEHICLE;

5. THE ANNUAL FEE FOR ANY ANNUAL PERMITS SHALL BE SET BY RESOLUTION OF COUNCIL, AND SHALL BE FOR THE PERIOD OF JULY 1, UNTIL JUNE 30 OF THE NEXT YEAR;

6. AN ANNUAL PERMIT IS ONLY VALID FOR AS LONG AS THE OWNER OR OPERATOR OF THE PERMITTED MOTOR VEHICLE CONTINUES TO
HAVE AS HIS OR HER PRIMARY RESIDENCE AN ADDRESS THAT IS
WITHIN THE CITY OF LANSING;

7. THE ANNUAL FEE SHALL BE PAID AT THE BEGINNING OF THE PERMIT
YEAR OR WHEN THE APPLICATION IS GRANTED, EXCEPT THAT A
PAYMENT PLAN MAY BE SET UP AT THE DISCRETION OF THE
PARKING MANAGER;

8. A REPLACEMENT ANNUAL PERMIT MAY BE ISSUED ONLY IF ALL OR
PART OF THE ORIGINAL PERMIT IS PRODUCED AT THE TIME THAT A
REPLACEMENT PERMIT IS APPLIED FOR, OR IF PROOF OF THEFT OF
THE VEHICLE IS DEMONSTRATED TO THE SATISFACTION OF THE
PARKING MANAGER;

9. THE FEE FOR ANY REPLACEMENT ANNUAL PERMIT SHALL BE SET BY
RESOLUTION OF CITY COUNCIL.

10. NO MORE THAN ONE ANNUAL PERMIT MAY BE GRANTED PER
RESIDENTIAL ADDRESS AT ANY GIVEN TIME.

(D) TEMPORARY PERMIT

TEMPORARY OVERNIGHT STREET PARKING PERMITS MAY BE ISSUED BY THE
OFFICE OF THE PARKING MANAGER. TEMPORARY PERMITS FOR PERSONS WHO DO
NOT LIVE IN THE CITY OF LANSING, AND THEIR VEHICLES, MUST BE APPLIED FOR
BY AN APPLICANT WITHIN THE CITY OF LANSING WHO IS WILLING TO SPONSOR
THE PERSON WHO WILL USE THE TEMPORARY PERMIT. THE ISSUANCE OF A
TEMPORARY OVERNIGHT STREET PARKING PERMIT IS SUBJECT TO ALL THE
FOLLOWING REQUIREMENTS:
1. THE TEMPORARY PERMIT IS VALID ONLY FOR A PERIOD OF 72 HOURS;
2. THE TEMPORARY PERMIT SHALL DISPLAY THE ADDRESS OF THE
   APPLICANT AS WELL AS THE START DATE AND END DATE OF THE 72
   HOUR PERIOD;
3. THE TEMPORARY PERMIT SHALL BE A HANGTAG WITH ALL
   RELEVANT INFORMATION FILLED IN PRIOR TO ITS ISSUANCE AND
   MUST BE HUNG FROM THE REAR VIEW MIRROR OF THE VEHICLE;
4. THE TEMPORARY PERMIT IS VALID ONLY WHEN VISIBLY AND
   PROPERLY DISPLAYED ON THE VEHICLE.;
5. THE FEE FOR ANY TEMPORARY PERMITS SHALL BE SET BY
   RESOLUTION OF COUNCIL, AND MUST BE PAID PRIOR TO ISSUANCE
   OF THE TEMPORARY PERMIT.
6. AT ANY GIVEN TIME, NO MORE THAN 4-2 TEMPORARY PERMITS MAY
   BE GRANTED TO A RESIDENT SPONSOR PER TWELVE MONTH
   PERIOD IN THE SAME 72 HOUR PERIOD TO THE SAME RESIDENTIAL
   ADDRESS.

(E) CONDITIONS ON THE PERMIT AND PERMIT HOLDER

THE USE AND VALIDITY OF AN ANNUAL OR TEMPORARY OVERNIGHT STREET
PARKING PERMIT IS SUBJECT TO ALL THE FOLLOWING CONDITIONS:

1. A PERMIT MAY BE USED ONLY BY THE PERMIT HOLDER TO WHOM IT
   IS ISSUED, OR IN THE CASE OF A TEMPORARY PERMIT, BY THE
   SPONSORED USER;
2. A PERMIT SHALL NOT BE ISSUED FOR RECREATIONAL VEHICLES, MOBILE HOMES, TRAILERS, BOATS, OR MOTOR VEHICLES WITH MORE THAN TWO AXLES;

3. A PERMIT SHALL NOT GUARANTEE OR RESERVE TO THE HOLDER A STREET PARKING SPACE;

4. A PERMIT SHALL NOT EXEMPT THE HOLDER FROM THE OBSERVANCE OF ANY PARKING OR TRAFFIC REGULATION OR ORDINANCE, OTHER THAN THE 2:00 A.M. TO 5:00 A.M. PARKING PROHIBITION IN SECTION 404.01(J) OF THIS CODE;

5. THE CITY MAY TEMPORARILY SUSPEND PERMITS FOR SNOW REMOVAL, EMERGENCIES, OR CONSTRUCTION PURPOSES;

6. A PERMIT SHALL BE COMPLETELY REMOVED FROM A VEHICLE UPON ITS EXPIRATION OR TERMINATION;

7. IN THE EVENT A VALID ANNUAL PERMIT HOLDER SELLS, TRANSFERS, OR OTHERWISE DISPOSES OF THE MOTOR VEHICLE FOR WHICH A PERMIT IS GRANTED, THE PERMIT SHALL TERMINATE AUTOMATICALLY;

8. AN ANNUAL PERMIT HOLDER WHO DESIRES TO TRANSFER THEIR VALID PERMIT TO A DIFFERENT VEHICLE MUST MAKE A SUPPLEMENTAL APPLICATION TO THE PARKING MANAGER INDICATING THE CHANGE IN VEHICLE, AND MUST TURN IN ALL OR A PART OF THE ORIGINAL PERMIT AS PROOF THAT IT HAS BEEN
REMOVED FROM THE MOTOR VEHICLE FOR WHICH THE PERMIT WAS PREVIOUSLY GRANTED;

9. IF A PERMIT HOLDER VIOLATES ANY OF THE CONDITIONS IN THIS SECTION, THE PERMIT SHALL AUTOMATICALLY BECOME VOID AND BE TERMINATED AND REVOKED WITHOUT NOTICE.

Section 2. All ordinances, resolutions or rules, parts of ordinances, resolutions or rules inconsistent with the provisions hereof are hereby repealed in their entirety and shall be null and void and of no effect.

Section 3. Should any section, clause or phrase of this ordinance be declared to be invalid, the same shall not affect the validity of the ordinance as a whole, or any part thereof other than the part so declared to be invalid.

Section 4. This ordinance shall take effect on the 30th day after enactment, March 1, 2020, unless given immediate effect by City Council, and pursuant to Section 3-307 of the City Charter, this Chapter shall expire December 31, 2028.
ORDINANCE NO. ______

AN ORDINANCE OF THE CITY OF LANSING, MICHIGAN, TO AMEND CHAPTER 404 OF THE LANSING CODIFIED ORDINANCES BY ADDING SECTION 404.13 TO PROVIDE FOR THE ISSUANCE OF ANNUAL AND TEMPORARY 2:00 A.M. TO 5:00 A.M. STREET PARKING PERMITS TO CITY OF LANSING RESIDENTS; AND TO PROVIDE FOR PERMIT APPLICATIONS, LIMITATIONS, AND FEES.

THE CITY OF LANSING ORDAINS:

Section 1. That Chapter 404 of the Lansing Code of Ordinances of the City of Lansing is hereby amended to add Section 404.13 as follows:

404.13 – ANNUAL AND TEMPORARY PERMIT FOR OVERNIGHT STREET PARKING

AN ORDINANCE TO ADD CHAPTER 175 ENTITLED “CRIME PREVENTION THROUGH ENVIRONMENTAL DESIGN (CPTED)” TO TITLE IX POLICE REGULATIONS OF THE CODE OF THE CITY OF GRAND RAPIDS

ORDINANCE NO. 2019-__

THE PEOPLE OF THE CITY OF GRAND RAPIDS DO ORDAIN:

Section 1. That Chapter 175, Title IX of the Code of the City of Grand Rapids be added, to read as follows:

“CHAPTER 175 CRIME PREVENTION THROUGH ENVIRONMENTAL DESIGN (CPTED) ORDINANCE

ARTICLE 1 TITLE, PURPOSE, AND SCOPE.

Section 9.929. Title.

These regulations shall be known as the “CPTED” Ordinance of the City of Grand Rapids, Michigan. Should a mention of who will be impacted by this ordinance mentioned here “liquor stores, stores operating past midnight…”?

Section 9.930. Purpose and Intent.

A. Crime Prevention through Environmental Design, known as CPTED (pronounced “sep-ted”), is a philosophy of crime prevention that utilizes a multidisciplinary approach to the built environment that is intended to deter criminal behavior, foster improved quality of life, assist in achieving community-policing goals, and facilitate self-policing by the community. CPTED draws on passive strategies incorporated into the normal planning, design, and management of the built environment. This ordinance focuses on goals that relate to the physical built environment and generally addresses the following key elements of CPTED philosophy:

1. Natural access management for the physical guidance of people and vehicles;
2. Natural surveillance to promote and maximize visibility;
3. Territorial reinforcement to delineate space and express a positive sense of ownership; and
4. Physical maintenance and management for the general upkeep of a building or area.

B. CPTED enhances community-policing, self-policing by the community, and collaboration between property owners, businesses, residents and neighborhoods in the following ways: While this definition holds true, in this ordinance, CPTED is only applied to certain businesses. I think that the language should be clearer as we should be careful not to promise a wider impact on the neighborhood. CPTED applied to liquor stores and business past midnight will certainly be effective on assault, robbery, shooting and other violent crimes. CPTED extended to residential has a wider impact on theft, larceny and breaking and entering. Perhaps, this sentence could start by saying “Generally speaking, CPTED enhances ………….”
1. The creation of a safe environment, both real and perceived, is coupled with place-making to foster community belonging and ownership that discourages criminal behavior.

2. In healthy and safe communities, people are able to generate and implement practical solutions to neighborhood issues because residents are able to coordinate and communicate when not under environmental stress.

3. Human-scaled, pedestrian-oriented environments allow for face-to-face social interaction, relationship building, the self-management of behaviors and community accountability.

4. A relationship-based community can help encourage and maintain community self-policing efforts to reduce the need for City resources and police intervention in places that may be sensitive to a police presence.

C. These provisions are intended to maintain and enhance the attractiveness and economic vitality of business districts and commercial areas by providing a comprehensive approach focused on establishments that sell tobacco, alcohol for off-premises consumption, and marijuana; therapeutic massage facilities and those potentially engaged in the illicit massage adult sexual services industry; and businesses that are open past midnight, subject to certain conditions, in the implementation of CPTED principles to create a safe environment for Grand Rapidians in the following ways:

D. The provisions of this Chapter are deemed to be the minimum requirements necessary for the promotion of the public health, safety and general welfare of the people of Grand Rapids. In addition to the standard requirements of this ordinance, enhanced measures are also provided to reduce recurring issues on sites of chronic non-compliance.

E. These regulations should be used in conjunction with the associated relevant chapters of City Code, including the Zoning Ordinance, Nuisance Code, and Building Maintenance Code.

Section 9.931. Definitions.

The following definitions shall apply for purposes of this Chapter. Terms not defined in this Chapter shall be given their ordinary and common meaning. Where not otherwise evident, terms shall have the meaning given in the latest edition of Merriam Webster's Collegiate Dictionary.

**ACCENT LIGHTING**
Lighting which serves to provide visual emphasis and attract attention rather than illuminate space for human activity.

**ALCOHOL RETAIL SALES**
A retail establishment licensed by the State of Michigan for the sale of beer, wine, liquor and other alcoholic beverages (also known as package goods) for consumption off-premises holding a Specially Designated Merchant (SDM) or Specially Designated Distributor (SDD) license. Restaurants shall be exempt from the requirements of this Ordinance.

**BODYWORKS**
Any personal service that is not licensed by the State of Michigan and uses one or more of the following practices: the use of touch, words, or directed movement to deepen awareness of patterns of movement in the body (including the Feldenkrais method and the Trager approach); the affectation of the human energy system or acupoints or qi meridians of the human body (including polarity therapy, Asian bodywork therapy, Reiki, and Shiatsu); reflexology; or structural integration. Bodyworks does not include massage therapy.

**CASH REGISTER VIEWING WINDOW.**
A window through which the cash register for a convenience or package goods store shall be clearly visible from the street. The viewing window shall have a contiguous area of at least twenty (20) square feet of clear glass, minimum dimension of three (3) feet on any side, and have an unobstructed view into the store.

**CHRONIC NUISANCE ESTABLISHMENT**
An establishment that has been the subject of four (4) compliance letters, orders, or citations for violations of any state or local law issued by the City within any one-hundred eighty (180) day period or, within a twenty-four (24) month period data demonstrates that the establishment contributes to impaired safety within the immediate vicinity which necessitates the deployment of additional city resources.
CLEAR GLASS
Clear or lightly tinted glass in windows, doors, and display windows with a glass that meets Visible Light Transmittance (VLT) and Visible Light Reflectance (VLR) standards. See TRANSPARENCY.

CONVENIENCE STORE
A retail establishment with a limited sales area which may be a freestanding use or associated with another principal use.

Any sign affixed to or within twelve (12) inches of the interior or exterior of a window and which is intended to be seen by the public from the outside.

Section 9.932. Administration.

The City Manager or designee is responsible for the administration of this Chapter.

Section 9.933. Severability.

If any provision of this Chapter or application thereof to any person or circumstance is held invalid by any court, other provisions or applications of the Ordinance which can be given effect without the invalid provision or applications shall not be affected, and to this end the provisions of the Ordinance.

Section 9.934. Fees.

Fees associated with the administration of this Chapter shall be set from time to time by resolution of the City Commission.

ARTICLE 2 - GENERAL REQUIREMENTS APPLICABLE TO ESTABLISHMENTS THAT SELL TOBACCO, ALCOHOL, AND MARIJUANA; MASSAGE BUSINESSES; AND ESTABLISHMENTS OPEN LATER THAN MIDNIGHT.

Section 9.935. Applicability.

The requirements of this Article apply to a place of business that is licensed by the State of Michigan for tobacco, alcohol (off-premises consumption) and marijuana; provides therapeutic massage or “bodyworks” personal services; and businesses engaged in retail sales and assembly uses that have hours that extend past midnight. Businesses where repeated zoning, nuisance, building and other public safety issues arise that meet this Chapter’s criteria of a chronic nuisance and where the public would benefit from the application of this Ordinance for reasons of health, safety and welfare shall also be considered eligible.

Section 9.936. Contact Information.

Establishments meeting the requirements of this Ordinance shall provide 24-hour contact information to the City of Grand Rapids Planning Department. This information shall contain the contact name of the responsible party for the business, legal identification, mailing address, email and phone number. This information shall be updated annually.

A. Purpose and Intent. The following regulations employ natural surveillance, natural access management, and territorial reinforcement techniques to establish a safe and comfortable environment. These regulations are intended to facilitate a clear, unobstructed view into and out of establishments, ensure customers can see and be seen when entering and leaving the premises, provide physical orientation and a
pedestrian-friendly environment, and to discourage would-be offenders by making noncompliance obvious.

B. Effective date.

1. All existing windows shall comply with window coverage, interior fixture, window treatment, transparency, entrance identification, and security device requirements of this Section after the effective date of this Ordinance.

2. Improvements to customer entrances and parking areas, as described in this Section, shall be installed within three (3) years after the effective date of this Ordinance. Glass replacement at customer entrances in order to meet transparency requirements shall comply after the effective date of this Ordinance.

C. Identification. Customer entrances shall be clearly identifiable by means of signage, architectural features, awnings, lighting, or other means, as otherwise permitted by other City codes and ordinances.

D. Window Coverage. The view from outside of the building through windows, doors or other transparent surfaces shall not be obstructed or blocked by more than twenty-five percent (25%) by any painted, stenciled, applied sign or film; bars or other security device; interior display, shelving, cooler, furniture; or other solid fixtures or covering, separately or in combination, except as outlined below. Window panes separated by muntins shall not be counted separately as windows but shall be included in the cumulative total square footage of window area.

E. Interior fixtures. Movable fixtures including but not limited to interior displays, shelving, coolers, furniture, or other solid, movable fixtures above three (3) feet in height located on the interior of the establishment shall be set back a minimum of five (5) feet from the window. Interior fixtures closer than five (5) feet from the window shall be considered window coverage.

F. Window treatments. Shades, blinds, curtains or other window treatments shall allow visibility into the establishment from the outside during business hours but may be used to temporarily filter or block direct sunlight during hours of operation.

G. Transparency.

1. Glass in ground floor windows, doors, and display windows shall be transparent or lightly tinted, maintain a visible light transmittance measurement of at least sixty-eight percent (68%), and have a reflectivity value of no greater than twelve percent (12%) from both inside and outside. Mirrored or darkly tinted glass is not permitted.
1.2. The area of the front and sides of a building between two (2) and eight (8) feet above the sidewalk (or ground level adjacent to the building if a sidewalk is not present) shall be used to measure transparency.

G.H. Customer Entrance.

1. Doors used for customer entry and exit shall be transparent or contain a transparent viewing window. The viewing window shall be located in the upper half of the door, be at least thirty percent (30%) of the area of the door and be situated in a manner that promotes visibility from both sides of the door. Completely solid or opaque doors are not permitted.

2. The primary building entrance shall be in the front façade parallel to the street and readily visible from the public right-of-way. At least one (1) main building entrance shall be located on the primary street.

H.I. Security Devices.

1. Steel barriers, shutters, hurricane curtains and other similar security devices are not permitted on the exterior of the building. If located inside the building, they may not be visible from the public sidewalk or right-of-way during business hours.

2. Security bars or other similar devices are permitted, subject to Section B, above. Security bars count against window coverage.

I.J. Parking area. A parking area abutting and associated with an establishment shall be readily viewed from inside the building by means of either a camera part of a functioning video surveillance system, or by a transparent window of at least six (6) square feet in area for every forty (40) linear feet or portion thereof of the wall(s) of a building that faces the parking area.

J.K. Administrative Departures.

1. An administrative departure may be granted for interior fixtures where minimum building transparency requirements listed in Building Elements tables of Articles 5, 6 and 7 of the Zoning Ordinance are satisfied.

2. An administrative departure may be granted from window coverage, window treatment, or transparency requirements for non-compliant existing windows if another existing window is increased in size, or a new window is added, on the building façade commensurate with the area of the existing window that shall remain covered or non-transparent due to the operating needs of the business.

3. An administrative departure may be granted for the placement of the customer entrance door if the building entrance is located within five (5) feet of a front corner of the building so long as the corner area of the entrance is at least sixty percent (60%) transparent on the street-facing side and situated in a manner that promotes visibility from the public right-of-way.
Section 9.938. Lighting.

A. Purpose and Intent. The following regulations are intended to establish lighting standards based on IES-recommended best practices to promote safety, utility, security, productivity, commerce, and meet energy constraints with the following CPTED-related objectives: facilitate the visual ability of those performing security or enforcement functions; provide a clear view of an area from a distance, and enable anyone moving in or immediately around it to be easily seen and recognized; remove potential hiding places; permit identification and create the perception that those in the area are identifiable; complement other security devices; provide deterrence and aid in apprehension; and maintain visibility by minimizing and controlling the amount and type of lighting that tends to create glare.

B. Effective date.

1. All outdoor lighting installed after the effective date of this Ordinance shall comply with these requirements. This includes, but is not limited to, new lighting, replacement lighting, or any other lighting whether attached to structures, poles, the earth, or any other location, including lighting installed by any third party.

2. Existing outdoor lighting installed prior to the effective date of this Ordinance that does not comply with these requirements shall be improved to within three (3) years after the effective date of this Ordinance in a sufficient manner to meet the intent of this Section.

C. Conformance with All Applicable Codes. All outdoor lighting shall be installed in conformance with the provisions of this Ordinance, applicable Electrical and Energy Codes, and applicable sections of the Building Code.

D. Hours of Operation. All lighting regulated by this Section shall operate from dusk to dawn.

E. General Standards.

1. Lighting types. All outdoor lighting regulated by this Ordinance shall be full cut-off and fully shielded as defined by IES and directed downward to prevent off-site glare and illumination. No portion of the lamp, reflector, lens, or refracting system may extend beyond the housing or shield, with the exception of pedestrian walkway ground lighting. The use of barn lights, non-shielded wall packs, floodlights, or lights not aimed downward is prohibited.

2. Solid-state luminaires (high-intensity discharge or LED modules) shall be used in an effort to maintain a unified lighting standard.

3. Uniformity Ratios. To maintain uniformity in light levels and prevent or minimize dark areas, the ratio of maximum to minimum lighting levels on a given lot is measured in footcandles at ground level and shall not exceed a ratio of fifteen-to-
one (15:1). Parking lots shall maintain the same uniformity ratios as the main
building or principal use served. This section should be moved to parking area header (point 10 below)

4. Intensity. The intensity of light within a site shall not exceed ten (10) footcandles
within any part of the site and one (1) footcandle at any lot line, except where it
abuts or faces a Residential Zone District or residential use, a maximum of 0.5
footcandles is permitted.

5. Interior Lighting. Any establishment in which the interior of the premises remains
visually unobstructed after the close of business shall be illuminated with a low-
level night light or equipped with a motion detector sensor.

6. Automatic Switching Requirements. Any lighting required by this Chapter shall
be equipped with controls that automatically extinguish all outdoor lighting when
sufficient daylight is available.

7. Illumination of recessed areas. Alcoves and other recessed areas of buildings or
property that are capable of human concealment shall be illuminated during the
hours of darkness.

8. Accent Lighting.
   a) Unshielded decorative lighting that causes glare, including, but not limited to
      luminous tube (neon), string, rope, tape, LED, fluorescent, or other similar
      lighting, is prohibited.
   b) Landscaping lighting shall not generate excessive light levels, cause glare, or
direct light beyond the landscaping intended to be featured.
   c) Holiday lighting, or decorative lighting approved by the Planning Director, may
      be allowed in accordance with the Zoning Ordinance.

9. Exterior Doors. Each exterior door shall be illuminated so that entry and exit
activity is made clearly visible.

10. Parking Area. A parking area abutting and associated with an establishment
shall be illuminated in its entirety at an intensity of at least two (2) foot-candles
per square foot at eighteen (18) inches as measured horizontally at the surface
on which the light is mounted. Lighting reduction requirements of the Zoning
Ordinance for parking areas containing a minimum of four (4) light poles apply.

A. Purpose and Intent. Regular property upkeep expresses ownership, communicates a
space is cared for and protected, and allows for the continued use of a space for its
intended purpose. Furthermore, proper maintenance promotes natural surveillance
by minimizing the likelihood of landscaping obscuring views of outdoor areas from
inside of the structure, enhances wayfinding and orientation, and serves as an
additional expression of territoriality and ownership. and presence of guardianship

B. Effective date. The properties of all establishments shall comply with the property
maintenance requirements of this Section after the effective date of this Ordinance.
C. General.

1. All exterior areas of a property shall remain sanitary and free of trash, garbage and litter.

2. A trash receptacle shall be provided within five (5) feet of the exterior of the customer entrance, except if a business district trash receptacle is provided within ten (10) feet of the customer entrance. Trash should be emptied prior to overflowing and properly secured to prevent access to animals.

3. Commercial waste receptacles and enclosures shall not allow for easy concealment, nor create blind spots or hiding areas.

4. Graffiti shall be removed within twenty-four (24) hours of its appearance on any surface on the subject property.

5. The establishment and property shall be in compliance with all state, local and city ordinances.

D. Vegetation.

1. Views of windows, building address numbers, walkways and the line of vision to the establishment from the public right-of-way shall not be obstructed by vegetation. Follow the 2’/6’ rule where shrubs are under 2’ and tree canopies/branches are above 6’

2. Reasonable pruning, trimming, or other suitable and acceptable methods shall be used to control vegetation. Vegetation and landscape areas shall be maintained substantially debris-free, neat and orderly in appearance, and in healthy growing condition. Dead vegetation shall be removed or replaced.

3. Vegetation shall not interfere or obstruct any lighting required by this Chapter.

4. The passage or movement of pedestrians or vehicles on any sidewalk, driveway, parking lot, or any other area intended for the use of pedestrians or vehicles shall not be obstructed or interfered with by vegetative overgrowth.

Section 9.940. Rules Pertaining to Massage Bodyworks Businesses.

A. Purpose and Intent. Increased access, improved visibility, and operations requirements for massage bodyworks establishments can reduce or prevent sex trafficking, commercial sexual exploitation, and labor trafficking/exploitation. In addition to the provisions of this Chapter, the following rules are intended to deter illicit massage adult sexual services businesses.

B. Effective date. All massage bodyworks establishments shall comply with the rules of this Section after the effective date of this Ordinance in addition to all other provisions contained herein.
C. Hours of operation. Massage Bodyworks businesses shall maintain reasonable hours of operation; operating hours may begin at 7am and conclude by 910pm. Twenty-four-hour operations are prohibited.

D. Customer entry. Customer access to the building entry shall only be through the front door of the primary building entrance facing the public right-of-way.

E. Occupancy and doors. No person or persons shall be permitted to reside on the premises of a massage Bodyworks business. Interior doors, other than those for restrooms, customer records and fire doors, shall not contain locks or locking mechanisms. The residency prohibition in this section shall not apply to a Massage Business operating under a home occupation license issued under Chapter 61 of this Code.

F. Licensure. Only licensed massage therapists shall be allowed to operate as a massage business within the City of Grand Rapids. All valid, unexpired licenses shall be displayed at the front entry entrance of the business for each massage therapist employed. To verify that a massage therapist is licensed, an establishment shall produce the employee, legal identification and therapist’s State of Michigan license for inspection. An establishment is not a bodyworks establishment where the principal use is to provide massage therapy by a licensed massage therapist, in compliance with Chapter 61 of the City Code, Zoning Ordinance. Bodyworks, as defined in this Ordinance, is considered to be a separate use for personal services and is not designated or implied to be massage or massage therapy.

ARTICLE 3 ENHANCED MEASURES FOR COMMERCIAL CHRONIC NUISANCE ESTABLISHMENTS.

Section 9.941. Purpose.

Business establishments that accumulate several violations are particularly resource intensive on City departments and deleterious to the neighborhood surrounding the property. It is the determination of the City Commission that additional enforcement remedies are necessary to address the public health, safety, and welfare issues created by establishments with chronic incidents in a coordinated way. Corrective measures that protect these establishments’ employees, their customers, and the neighborhoods in which they are located can assist in reducing adverse impacts the quality of life for neighboring businesses and residents.

Section 9.942. Applicability.
One of the following shall constitute the finding that an establishment is a chronic nuisance. Declaration of the establishment as a public nuisance shall subject it to the requirements of this Article.

A. The establishment has been the subject of four (4) compliance letters, orders, or citations for violations of any state or local law issued by the City within any one-hundred eighty (180) day period (calendar days), and which letters, orders or citations remain uncorrected.

B. Data indicators within a twenty-four (24) month period demonstrate that the establishment contributes to an increase in criminal incidents (e.g. assaults, robberies) within the immediate vicinity resulting in increased calls for service, additional deployment of police resources for the protection of persons and property or investigations, and disinvestment or failure to thrive of nearby properties.

Section 9.943. Procedure.

A. The City Manager may declare the property is a nuisance, as defined in this Chapter, by issuing a Notice.

B. Notice to the property owner or principal operator responsible person/s shall include:
   1. Street Address or a legal description sufficient for identification of the property;
   2. Declaration that the City Manager or designee has declared the property a nuisance with a concise statement specifying the conditions which constitute the nuisance;
   3. Demand that the owner and principal operator responsible person respond to the City Manager or designee within seven days of service of the notice to discuss a course of action to correct the conditions; and
   4. Notice that, if the responsible person in charge does not respond to the City Manager or designee as required in this section, or if the matter is not voluntarily corrected satisfactorily, the City may file an action to abate the property as a chronic nuisance property pursuant to this Chapter or take any other legal action against the property or person in chargeresponsible person.

C. When a notice is issued pursuant to this section to a principal operator responsible person, other than an owner or owner’s agent, who has permitted a property to become a chronic nuisance property, a copy of which notice shall also be sent by first-class mail or personally served on the owner of the property, and a copy shall be sent by certified mail.

D. If either of the following occurs, the City Manager may refer the matter to the City Attorney for initiation of proceedings pursuant to Article 5 of this Ordinance:
   1. The agreed course of action does not result in the abatement of safety violations to the satisfaction of the City Manager or designee within 30 days of issuance of the notice or within such longer period as permitted in writing; or
   2. The person fails to respond as required by the notice.

A. Pursuant to the issuance of a notice as described in Article 4, the City Manager or his/her designee may require a chronic nuisance establishment to engage in one or more corrective actions. Enhanced measures to ensure public safety, reduce unlawful incidents, and facilitate compliance are identified below. A written Correction Agreement, as provided in this Ordinance, may be used as a tool to implement corrective actions and ensure all requirements are met.

1. CPTED Plan. Develop a CPTED Plan in coordination with City staff and, accordingly, implement recommendations of the Plan; agree to a final inspection of the property to ensure compliance.

2. Good Neighbor Plan. Produce and implement a Good Neighbor Plan, a written program relative to litter control, property and landscape maintenance, and neighborhood communication. Good Neighbor Plan requirements are contained in Article 12 of the Zoning Ordinance.

3. Cash register viewing window. Install a window that allows a clear and unobstructed view of the cash register and sales transaction area from outside the building and in a normal line of sight. The viewing window shall be at least twenty (20) square feet in size, minimum dimension of three (3) feet on any side, and consist of clear glass. No signs shall be posted on the viewing window.

4. Age verification ID scanner. Utilize an age verification identification scanner for age-restricted sales and uses.

5. Surveillance system. Install and maintain a functioning video surveillance system capable of recording and retrieving a digital image to assist in offender identification and apprehension. Cameras associated with the system shall be positioned to capture images of alcohol display areas, the cash register; the customer entrance, and all exterior sides of the building. Enroll in the Police Department Security Camera Registration Program.

6. Maximum display shelving height. Limit shelving height to five (5) feet on the sales floor when not located alongside a perimeter wall.

7. Height markers at the entrance. Locate markers which display height measures at customer exit doors.

8. Silent alarm. Equip the establishment with a functioning silent alarm to law enforcement or a private security agency, unless an application for an exemption is made to and granted by the City.

9. Drop safe/depository safe. Utilize a drop safe or depository safe and limit the amount of cash kept on the premises after 11:00 p.m.
10. Crime prevention training plan. The owner or principal operatorresponsible person of a retail establishmentthe business shall prepare and submit a crime deterrence and safety training prevention plan for approval by the City. The establishment's manager and point of sale employees shall be trained on the curriculum within sixty (60) days of employment. Existing employees shall receive training within six (6) months of the effective date of this ordinance. Will the city provide resources to business owners to help them create a plan?!

11. Sales training plan. The owner or principal operator of an establishment engaged in the sale of tobacco, alcohol and/or marijuana responsible person of the business shall prepare and submit a training curriculum covering laws regarding sales, identification verification, declining sales, conflict de-escalation and addressing customer behavior issues for approval by the City. The establishment's manager and point of sale employees shall receive training within sixty (60) days of employment. Existing employees shall receive training within six (6) months of the effective date of this ordinance.

B. The remedies available in this section are in addition to any other remedies available in this Chapter. Any other measure reasonably related to abate the chronic nuisance, when done as part of a Correction Agreement shall be permitted. Items related to the unique circumstances associated with the property and neighborhood in which it is situated, including in a Good Neighbor Plan, may be included.

Section 9.945. Correction Agreement.

A Correction Agreement is a contract between the City and the responsible person in charge of the chronic nuisance establishment in which such person agrees to promptly take all lawful and reasonable actions, which shall be set forth in the agreement to abate the nuisance conditions within a specified time and according to specified conditions. The agreement shall be signed by the principal operatorresponsible person and, if different, the owner. The agreement shall be executed by the City Manager or designee in a form approved by the City Attorney. In no case shall the term of a Correction Agreement exceed one year. The agreement shall include the following:

A. The name and address of the responsible persons in charge of the property;

B. The street address or a description sufficient for identification of the property, building, structure, or land upon or within which the nuisance is occurring;

C. A description of the nuisance conditions;

D. The necessary corrective action to be taken, and a date or time by which correction must be completed;

E. An agreement by the responsible person in charge that the City may inspect the property as may be necessary to determine compliance with the correction agreement;
F. An agreement by the responsible person in charge that the City may abate the nuisance and recover its costs and expenses and monetary penalties pursuant to this Chapter from the responsible person in charge for the nuisance if the terms of the correction agreement are not met; and

G. When a principal operator, responsible person, other than an owner or an owner's agent, has permitted a property to be a chronic nuisance property, an agreement by the owner to promptly take all acts and pursue all remedies requested by the City Manager or designee.

H. An agreement that the City will not engage in any Additional Enforcement Remedies as long as the parties remain compliant with the terms and conditions of the Correction Agreement.

I. An agreement that the terms and conditions contained in a Correction Agreement are not subject to appeal.

A Certificate of Compliance shall be provided once the conditions of the Correction Agreement are satisfied. The compliance period shall be good for two (2) years during which the establishment shall be considered under probation and subject to bi-annual inspections. Failure to perform during that period may result in a revocation of the Certificate of Compliance and the creation of a new Correction Agreement or the commencement of enforcement activities.

ARTICLE 4 – ENFORCEMENT PROCEDURES AND APPEALS.

Sec. 9.947. Enforcement Process.

A. Reasonable Entry. Upon presentation of proper credentials and when permission is granted by a person who represents he or she has authority to grant permission, inspections may be conducted within the business, premises or accessory structures during reasonable hours. Entry without consent of an owner or an occupant shall require an administrative search warrant or order issued by a court of competent jurisdiction.

B. Access. Every occupant of a building, premises or accessory structure shall give the owner-Inspector access to any part of the building, premises or accessory structure thereto at all reasonable times for the purposes of making an inspection and any building alterations or repairs documentation, such as licenses, as are necessary to comply with the Ordinance.

C. Basis of Inspections. Inspections shall be made to obtain and maintain compliance with the provision of this Chapter for one (1) or more of the following purposes:

1. To determine conformity with a permit, zoning approval, or other approval provided in this Chapter, as well as any special conditions imposed.

2. To determine compliance with a notice or an order issued by the City.
3. To verify a complaint received by the City, indicating that there is a violation of the provisions of this Chapter.

4. To verify an observation by the City of a violation of the provisions of this Chapter or to investigate compliance with the provisions of this Chapter.

5. To determine if an emergency is observed or reasonably believed to exist.

6. To fulfill a request for an inspection made by the owner or responsible person.

7. To inspect a designated area where all dwellings, accessory building, yards, and/or signs are to be inspected uniformly or intensively or for specific violations.

D. Content of Written Notices of Violation. Written notices of violation authorized by this Chapter shall include the following information:

1. A description of the real estate and/or project name sufficient for identification.

2. A statement of the violation or violations.

3. A correction order allowing a reasonable time to correct the violation and bring the property into compliance. If the written notice is a Notice to Abate, the notice shall indicate that the City may act to abate the violation if not brought into compliance.

4. A statement that failure to comply with the Notice may result in further enforcement action.

5. A statement that a fee shall be charged for the issuance of the Notice. If the written notice is a Notice to Abate, the cost of City action to abate the violation shall be a personal debt of the owner, which may be assessed as a lien against the property until paid.

6. A description of the right to appeal, as applicable.

E. Method of Service. The written notice of violation shall be deemed to be properly served in one (1) of the following ways:

1. Delivered personally;

2. Sent by first-class mail addressed to the last known address of the responsible person; or

3. Any other method authorized for the service of process by court rule or State statute.

F. Posting. After issuing a written notice of violation, the City, at its discretion, may post a copy of the written notice and/or a placard on the property.

G. Administrative Extension. A request may be submitted by the property owner for an administrative extension to correct violations cited in a written notice of violation. The extension period shall be determined by the designated enforcement officer;
shall not exceed two six (62) months. An extension may be considered under the following circumstances.

1. The extension will not adversely affect adjacent properties nor pose a health or safety hazard to the occupants or others.

2. The owner or responsible person is making significant progress in correcting the violation(s); or

3. There are clearly established extenuating circumstances delaying compliance which are beyond the control of the owner or responsible person.

Section 9.948. Enforcement Appeals.

Except as otherwise provided in this Chapter, any person issued a notice by the City in the course of enforcing the provisions of this Chapter may appeal the decision or interpretation made by the City.

A. Written Notice. An appeal of a written notice, order or ruling regarding a violation shall be made in writing within twenty (20) days of the date of the notice, order or ruling. However, if a notice, order, or ruling requires the correction of a cited violation within a shorter period of time, the appeal must be made within such shorter period.

B. Prohibited Appeals. Appeals governed by this Chapter of the following orders, notices or rulings are prohibited:

1. A determination that an emergency or hazard is present.

2. A ruling, decision, opinion or action of the City Attorney or imposed by a Court of Law, or a civil infraction ticket.

3. Conditions attached to an approved permit.

4. A Correction Agreement.

5. A Declaration of Nuisance and/or a Notice to Abate.

5-6. State licensure definitions, requirements and rules.

C. The Building Maintenance Crime Prevention Through Environmental Design (CPTED) Appeals Board is authorized to hear and decide appeals concerning the application or interpretation of the provisions of this Chapter:

1. All appeals shall be filed, heard and decided in accordance with the provisions set forth in Chapter 135, Article 5.

2. No other extensions or further extensions from that allowed for under an Administrative Extension shall be permitted except by order of the Building Maintenance CPTED Appeals Board for good cause.
3. Extensions may be granted no more than three (3) times the length of time provided with the original Notice. The Board shall not permit more than one (1) extension.

4. Extensions may be allowed when the Board finds that the time allowed is unreasonable, circumstances have prevented a good faith effort to comply, or substantial work has been completed and additional time is warranted.

5. In making its determination, The Building MaintenanceCPTED Appeals Board shall read the Purpose and Intent of this Chapter and any associated articles that reflect on intent prior to making its decision.

Section 9.949. Transfer of Ownership.
An owner or responsible person transferring ownership of a property notified as being in violation of a provision of this Chapter shall notify the City in writing within ten (10) days of the transfer with the name, address and telephone number of the new owner and the effective date of the transfer of ownership. The City shall issue a new Notice of Violation to any person assuming the ownership or the status of responsible person for any condition, building or structure which has been cited in a Notice of Violation.

ARTICLE 5 – VIOLATIONS, PENALTIES, AND REMEDIES.

Section 9.950. Violations.
Except as otherwise provided in Section 9.951(E)(3), a violation of this Chapter shall be a municipal civil infraction punishable by a fine as established in Chapter 170 of the City Code for the first offense. All subsequent offenses shall be a misdemeanor punishable by a fine of up to $500, or imprisonment for up to 90 days, or both such fines and imprisonment. Each day that a violation continues after due notice has been served shall be deemed a separate offense and a separate violation subject to enforcement action.

Section 9.951. Enforcement Powers.

A. The City may use any lawful remedy or enforcement powers against the owner or responsible person for any violation of this Chapter, including, without limitation, one (1) or more of the actions of this Section. Remedies may be pursued simultaneously or sequentially and the pursuit of a single remedy does not foreclose the simultaneous or subsequent pursuit of other remedies. The remedies are cumulative and the City shall have all power granted from time to time under all applicable federal, state and local laws, rules and regulations:

B. Uncorrected Violations.

1. Withhold Permit. The City may deny or withhold any and all permits or other forms of authorization from an applicant on any property where there is an uncorrected violation of a provision of this Chapter or a condition or stipulation of approval for a permit or other authorization previously granted by the City. This
enforcement provision shall apply regardless of whether the current owner or applicant is responsible for the violation in question.

2. Permit Approved with Conditions. In addition to denying or withholding a permit or other authorization, the City may grant any permit or other authorization subject to the condition that the violation be corrected.

C. License Revocation.

1. The City may institute an action to suspend, revoke, deny, or not renew any city license required by City Code.

2. Revocation, denial, or nonrenewal of State licensing may be sought for noncompliance of a recognized chronic nuisance establishment. The City reserves the right to notify the Michigan Liquor Control Commission (MLCC), Michigan Department of Licensing and Regulatory Affairs (LARA) and any other appropriate state agency required to engage with the subject business.

3. Action taken under this subsection is not subject to appeal.

D. Court Order. The City Attorney may bring and prosecute an action in any court of competent jurisdiction to:

1. Enjoin the owner or responsible person from continuing operations of the business establishment; and/or

2. Comply with the requirements of this Chapter.

E. Municipal Civil Infraction and Misdemeanor Penalties.

1. Municipal Civil Infractions. Enforcement of violations and application of Municipal Civil Infraction fees shall follow the procedures and schedule of fines established in Chapters 67 and 170 of the City Code, respectively.

2. Except as provided in E.1., above, a violation of this Chapter shall, until the fourth offense, constitute a Municipal Civil Infraction, which upon an admission or finding of responsibility shall result in fines established in Chapter 170 Municipal Civil Infractions of the City Code.

3. A fourth offense shall be a misdemeanor punishable by a fine of up to five-hundred dollars ($500.00), or imprisonment for up to ninety (90) days, or both.

4. Proceedings may be instituted pursuant to Chapter 170 of the City Code. In addition, anyone pleading or found responsible shall pay the costs of enforcement and prosecution.

5. In addition to civil fines, the District Court shall have equitable jurisdiction to enforce any judgment, writ or order necessary to enforce any provision of this Chapter, including but not limited to order the abatement or correction of the offending action or condition or by granting injunctive relief.

F. Declaration of Nuisance and Notice to Abate.
1. A violation of this Chapter is a nuisance per se and the City may institute appropriate actions or court proceedings to correct, or abate any violation of the provisions of this Chapter. If the owner or responsible person fails to abate a violation, the City may take action to abate the violation.

2. The abatement may be performed by the City, by a contract vendor, or by other means determined by the City, the actual cost which shall include an administrative fee, shall be a personal debt of the owner, and may be assessed as a lien against the property until paid.

3. Upon observing a violation of the provisions of this Chapter, the City may issue a Notice to Abate. The Notice to Abate shall include:

   a) The nature and location of the violation.

   b) The time within which the violation must be abated.

   c) Notice that the City may act to abate the violation if it is not abated by the owner or principal operator or responsible person within a reasonable time stated in the Notice, but which may not exceed fifteen (15) days. If physical alterations of a building structure are required, the abatement period may be extended through the use of a correction agreement.

   d) Notice that the cost of such action by the City, plus an administrative fee, shall be a personal debt of the owner, which may be assessed as a lien against the property until paid.

   e) Notice that any refusal to allow the City to abate an uncorrected violation shall be a separate violation under this Code.

Section 9.952. Commencement of Legal Action.

Upon referral by the City Manager, the City Attorney may initiate an action in any court of competent jurisdiction to abate violations of this article, to impose penalties pursuant to this chapter, to seek alternative remedies under city or state laws and seek any other relief authorized by law.

Section 9.953. Lien.

All of the costs of Code enforcement activities provided for in this Code and incurred by the City shall be billed to the owner of the property, principal operator, or other responsible person, and shall be paid within 30 days of mailing. All costs for abatement-related and Code enforcement activities shall be a personal debt owed to the City by the person billed for the public nuisance and, if the public nuisance is attributable to the use, occupancy, care, control, dominion or ownership of any land or premises, shall also, in addition to being a personal debt, be charged against such premises and the owner thereof and shall be a lien on the property until paid.
Section 9.954. Remedies Severable.

Any action taken by the City to abate any public nuisance under the provisions of this Chapter, or any other provision of the City Code, shall not affect the right of the City to institute other legal or administrative proceedings against the person committing, creating, permitting or maintaining any public nuisance for violation of this Chapter nor affect the imposition of the penalty or remedy prescribed or imposed for such violation. Upon application by the City to any court of competent jurisdiction, the court may order the public nuisance abated and/or the violation or threatened violation restrained and enjoined.”

The Public Safety Committee of the Lansing City Council held meetings with Ingham County Animal Control and Ingham County 911 Dispatch. During those discussions it became obvious to the Committee there was a breakdown in communication between these two entities and the City. This happens especially when an ordinance was adopted by the City Council that affected how these entities would help to implement it.

In order to correct this deficiency, the Public Safety Committee of the Lansing City Council adopts the following policy:

- When an ordinance is adopted by the Lansing City Council that affects Ingham County Animal Control and/or Ingham County 911 Dispatch the ordinance will be sent to the attention of the Director of the affected entity.

- Along with the ordinance a summary sheet will be attached to explain the ordinance and the enforcement mechanism.

- If requested by the Director of the affected entity the City Attorney's office will meet with and instruct the Director and/or staff on the ordinance.

I think the change to add enforcement is a good idea for the winter months.

Our home is limited to 2 cars in the driveway. So visitors always have to park on the street. I think year round enforcement with very limited permits sounds more like a money grab than anything. I think a yearly permit would be more appropriate with a tag than you can hang if you feel the need to enforce year round.

One change i would like to see is a restriction of cata running down our streets at unsafe speeds. We are on Seaway dr and they have almost caused many accidents including almost running my wife off the road in winter.

Suggestion that seem to be fair and people are responding positively for it

From working in real estate and residing in few cities (I speak from general experience)

Either way this goes it can upset residents. A possible medium solution is each house can have a permit (cost of the permits is minimum to ($5-$10 admin fee perhaps) to park a single car with no charge with some exceptions 1) Depending on the house size and if multiple units / duplex / 2 bedroom / 3 bedroom / 1 or 2 car garage driveway. 2) Major Holidays such as Christmas, Thanksgiving. New years. we already know gathering take place on such events. Owners birthday. I also do suggest each resident to be adhere to snow day/ nights and park off the streets. Perhaps the city need to communicate like they do with recycling on sweeping days and have a schedule perhaps . And on the specific days / nights keep cars off the streets. There will not be completely happy solutions for everyone. Yet having the city more reasons to bill residents is not a good solutions. Many work two jobs to keep up with food, medicine, and rent. Best wishes to all.

RE: Autumn Ridge

That site was built in the 1970's so we would not have a copy of the site plan that would have been approved at that time. Those records have been gone since way before I even came to work for the City almost 20 years ago. Also, the City did not have any requirements for parking lot/private street lighting at that time so the site plan may not have even shown anything with regard to lighting.

I am going to send a letter to the owner of this property stating that they are in violation of the current City Ordinance requiring parking lots to be properly lit and I will get that out yet this week.

Thanks

Dave,

Where on this list is the outside lighting this is a safety issue?

i know our goal is compliance but if i am reading your email correctly these outstanding issues have been going on since March of 2019 that is nine months. For me another extension is a problem.

Good morning,

I returned a call to Art (Resco Corporate) this morning. We spoke and he was under the understanding that their communication with Public Safety Meeting reference the furnace issue was the only issue and thought a plan of action was in place. I advised him that yes reference that it was my understand that there was movement on taking care of that. I continued that the other issue were the Failure To Comply letters that were issued reference the Townhomes and their Rental Inspection letter from March 2019, as well as the Safety Letters that were issued reference Raccoons, and the Garage issues. He advised that that ownership has some issues reference items in the letters and he was meeting with them today. I discussed a few items that was on the first letter for 200 Long Blvd., like Water Heater permit issues, Guards to the open side of stairs, and furnace checks. I told him that I would be happy to go out and explain again to their maintenance supervisor was is required, and requested. He stated that he was going to do a site visit and speak to maintenance again. I told him that if he’d like me to make it to that meeting I could work it into my schedule. He also asked about the compliance date for the FTC letters. Sounding like nct a lot of the work in those letters has been done, I gave him an extension on the compliance date to 1-31-2020, and advised that as far the large capital improvements that we can discuss more time, but other items will need to be completed ASAP.

Andy Schor, Mayor
Lansing City Council Members,

I find your scheme concerning cracking down on the enforcement of the nonsense ordinance of no street parking between 2-5 am deeply troubling. I say scheme as this can only be described as a scheme to further bilk the dwindling lower and middle class residents of Lansing for more money. I highly doubt that any of you were voted in to ensure that this rule was enforced. To me, this is just a shameless money grab that targets the people who actually work for a living.

Take my situation, I live in a duplex with three other people, each has their own vehicle, each works and earns a lower middle class income. Currently we have a single parking space, whoever gets home first gets that space, the other two park on the street, there is simply no where else to park. It is not practical to use public transportation to get to our jobs or carpool, so I ask you what do we do? Under your rules only one of us can have a overnight permit, leaving another facing $20-$30 bills per night for parking. This is not an isolated scenario, my street is 90-99% duplexes with similar parking situations, this is repeated on the surrounding streets. How are people who get paid less than or barely a living wage to interpret this brazen attack aimed soley at us?

Also how will this money be used? From your comments, the money collected will be used to pay for it's enforcement, which wouldn't be needed if the ordinance did not exist. This reeks of a jobs program created not for the common good of the people, but to plunder their wealth. There is simply no other way you can spin this.

I advise you to reconsider enforcing this ordinance and implore you to repeal it. This ordinance targets soley the lower and middle class, while only building distrust and animosity toward the the City Government.

Concerned Resident
