COMMISSION APPEAL HEARING

Appeals are heard following the approved Medical Marihuana Commission Appeal Hearing Format. The Commission's standard of review of an appeal shall not be de novo. The appeal packets are provided to the Commission and the Appellant prior to the meeting and include the following:

- Timeline of events
- First denial letter with basis for denial and instructions on how to appeal
- The Hearing Officer Appeal Packet Copy with decision
- The second denial letter outlining how to appeal to the Commission
- The applicant's appeal to the Commission with supporting documentation submitted by the applicant
