With Executive Order 2020-4, Governor Whitmer declared a statewide State of Emergency due to the spread of the novel coronavirus (COVID-19). To mitigate the spread of COVID-19 and to provide essential protections to vulnerable Michiganders and this State's health care system and other critical infrastructure, it is crucial that all Michiganders take steps to-limit in-person contact, particularly in the context of large groups. Therefore, the above meetings will be conducted via audio/video conference.

The meetings are being held electronically in accordance with the Open Meetings Act in an effort to protect the health and safety of the public. Members of the public wishing to participate in the meeting may do so by logging into or calling into the meetings using the website or phone number above, and meeting ID provided. Michigan Executive Order 2020-75 provides temporary authorization of remote participation in public meetings and hearings.
