With Emergency Order Under MCL 333.2253 - Gathering Prohibition and Mask Order, the Michigan Department of Health and Human Services has concluded that the COVID-19 pandemic continues to constitute an epidemic in the State of Michigan and has established procedures, necessary to protect the public health, to be followed during the epidemic. To mitigate the spread of COVID-19 and to provide essential protections to vulnerable Michiganders and this state's health care system and other critical infrastructure, it is crucial that all Michiganders take steps to limit in-person contact, particularly in the context of large groups. Therefore, this meeting will be conducted via audio/video conference.
