### **Suspicious Package**

Today at approximately 1 p.m., Lansing Police were dispatched to Townsend St. and W. Allegan St. on a suspicious package located inside of a US Postal drop box (blue box near the road).

Upon arrival, officers observe what appeared to be a backpack that was placed inside of the postal drop box. A Lansing Police K9 responded and gave a positive potential indication on the suspicious package.

Officers blocked roadways and secured the general area around the package location.

Michigan State Police Bomb Squad responded and rendered the suspicious package safe and not to be a threat (personal items located inside).

No one was injured during the investigation. At approximately 2:30 p.m., the entire area was opened back up to the public.

The investigation is ongoing and will have assistance from Federal Postal Police, Senate security, and Postal agents. Update(s) will be provided when available.
