

## **City of Lansing Marijuana Licensing Update - October 3, 2019**

City Council approved on September 30 amendments to the City of Lansing Marijuana Ordinance which will allow adult use facilities to operate in the City, and make other amendments to the ordinance, which will go into effect on October 30<sup>th</sup>.

To review the Ordinance and the memo which summarizes the changes, see the “Other Helpful Links Section” on our web page, <https://www.lansingmi.gov/1637/Medical-Marijuana>

At this time, the Clerk’s Office is working on all aspects of the licensing process for adult use marijuana facilities. We will continue to send updates when applications, criteria or enrollment periods are public.

Under the existing ordinance until October 29<sup>th</sup>, Medical Marijuana Facilities Applications are still accepted for grows, processors, secure transport and testing by submitting online at <https://www.lansingmi.gov/1674/Medical-Marijuana-Application-Info>.
