# Lansing Parks Remain Open

**(LANSING)** – City of Lansing parks and the Lansing River Trail currently remain open from dawn until dusk, as normal, amid the COVID-19 Pandemic. Lansing is proud to be home to 111 parks and 16 miles of river trail that connects to other community's trails.

“All of our residents have at least one park within 10 minutes from their home. I encourage continued use of the Lansing River Trail and parks as a way to get outside and enjoy fresh air, while still practicing social distancing and using best judgement during the COVID-19 pandemic,” said Mayor Schor.

Registration for future Lansing Parks and Recreation programs can be completed at [www.lansingmi.gov/parks](http://www.lansingmi.gov/parks) or by calling 517-483-4277. Parks staff is still taking calls offsite and checking voicemails on a regular basis.

Issues found on the Lansing River Trail or within Lansing parks should continue to be submitted to the City's service request system, Lansing Connect at [www.lansingmi.gov/lansingconnect](http://www.lansingmi.gov/lansingconnect).
