# LANSING FIRE DEPARTMENT

## CAREERS

PROUDLY SERVING LANSING  
and METRO AREAS

## The Lansing Fire Department:

is a community focused, state of the art, provider of fire protection, EMS, haz-mat, and technical rescue services.

### Lansing Fire Offers:

- ◆ Fire Protection
- ◆ Water Rescue
- ◆ Tech Rescue
- ◆ Extrication
- ◆ Haz Mat
- ◆ EMS

We are proud of our distinguished history of protecting our community. Our personnel are skilled, dedicated, caring, and courageous. We strive to exceed the expectations of our citizens and visitors as we are tasked to work in a challenging environment every day.

**Are You Up For The Challenge?**

### Emergency Medical Services

Our Advanced Life Support ambulances are staffed with Paramedics and Emergency Medical Technicians. We train and work directly with the local emergency room physicians to offer one of the most advanced pre-hospital care systems in the country. Our ambulances are truly a mobile extension of the emergency room, offering cardiac monitoring, emergency medications and more. All before arrival at the hospital.

### Fire Suppression

Today the 175 Sworn members of the Lansing Fire Department and surrounding Metro Partners are charged with protecting the lives and property of over 569,621 citizens. In 2013 Lansing Fire responded to 15,944 emergency medical calls and 3,042 fire alarms for a total of 18,986 calls from our six fire stations around the city and metro areas.

### Training

With many new areas of service we offer, comes the responsibility of maintaining and updating skill levels for all department personnel. The Lansing Fire Department offers over 200 courses each year for continuing education for specialized disciplines such as:

- \* Dive / Ice Rescue
- \* Swift Water Rescue
- \* Collapse Rescue
- \* Trench Rescue
- \* Rope Rescue
- \* Confined Space Rescue
- \* And many others
